Meet the Rabbis Brad H. Young, 2007-06-01 Meet the Rabbis explains to the reader how rabbinic thought was relevant to Jesus and the New Testament world and hence should be relevant to those people today who read the New Testament In this sense rabbinic thought is relevant to every aspect of modern life Rabbinic literature explores the meaning of living life to its fullest in right relationship with God and humanity However many Christians are not aware of rabbinic thought and literature Indeed most individuals in the Western world today regardless of whether they are Christians atheists agnostics secular community leaders or some other religious and political persuasions are more knowledgeable of Jesus ethical teachings in the Sermon the Mount than the Ethics of the Fathers in a Jewish prayer book The author seeks to introduce the reader to the world of Torah learning It is within this world that the authentic cultural background of Jesus teachings in ancient Judaism is revealed Young uses parts of the New Testament especially the Sermon on the Mount as a springboard for probing rabbinic method The book is an introduction to rabbinic thought and literature and has three main sections in its layout Introduction to Rabbinic Thought Introduction to Rabbinic Literature and Meet the Rabbis a biographical description of influential Rabbis from Talmudic sources

Finding Freedom Donna J. Stundahl, 2015-01-29 Do you ever feel like youre wandering in a wilderness alone Are you searching for the same freedom the children of Israel sought only to find oppression at every turn Are you looking for a life filled with promise only to be repeatedly disappointed You are not alone We are all on a journey from slavery to sin to the ultimate Promised Land in Heaven where we will be free Everything in between is a wilderness experience Moses expounded on freedom in the wilderness He explained exactly where to find it and how to get there He clearly spoke to the Jew and the foreigner The question is Does He speak to the Christian as well In her book Finding Freedom Dr Stundahl will wander through the

wilderness of Deuteronomy and explore the Hebraic roots of Christianity Finding Freedom reveals the concepts of the Torah assembled in the same format in which they were studied by the Jewish communities since the Babylonian exile These concepts include humility idolatry evil speech teaching learning remembering and listening The analysis of each portion of the Torah considers its applicability to the life of a Christian As the history of Christianity and the Jewish elements of the Gospel are discovered the shadows of Jesus Christ are revealed Wherever you are in the wilderness of your life you too can find the freedom intended just for you Experience the reading the writing and the dance of the Torah **The Chosen Wars** Steven R. Weisman,2019-08-20 An important beginning to understanding the truth over myth about Judaism in American history New York Journal of Books Steven R Weisman tells the dramatic story of the personalities that fought each other and shaped this ancient religion in America in the eighteenth and nineteenth centuries The struggles that produced a redefinition of Judaism illuminate the larger American experience and the efforts by all Americans to reconcile their faith with modern demands The narrative begins with the arrival of the first Jews in New Amsterdam and plays out over the nineteenth century as a massive immigration takes place at the dawn of the twentieth century First there was the practical matter of earning a living Many immigrants had to work on the Sabbath or traveled as peddlers to places where they could not keep kosher Doctrine was put aside or adjusted To take their places as equals American Jews rejected their identity as a separate nation within America Judaism became an American religion These profound changes did not come without argument Steven R Weisman s lucid and entertaining Publishers Weekly starred review The Chosen Wars tells the stories of the colorful rabbis and activists including Isaac Mayer Wise Mordecai Noah David Einhorn Rebecca Gratz and Isaac Lesser who defined American Judaism and whose disputes divided it into the Reform Conservative and Orthodox branches that remain today Only rarely does an author succeed in writing a book that reframes how we perceive our own history The Chosen Wars is fascinating and provocative Jewish Journal **The Guide to Compassionate Assertiveness** Sherrie Vavrich,2012-08-01 Speaking up for yourself has benefits but it has costs too Many people who struggle with assertiveness are paralyzed by worries that they ll seem mean petty or that they will hurt the other person s feelings Even though they want to speak up they may keep their true needs and opinions to themselves because of these fears eventually building stress resentment and alienation The Guide to Compassionate Assertiveness does not require that readers ignore the needs of others and focus solely on their own desires Rather this unique blend of cognitive behavioral therapy based assertiveness training and Buddhist psychology helps readers practice assertiveness skills while caring deeply about the welfare of others This book helps readers develop a form of assertiveness that emphasizes collaboration negotiation and compromise It focuses on speaking up for the benefit of others and speaking up for the relationship not just one s own needs In this way readers learn to assert their needs in ways that match their compassionate value systems This book is the ideal assertiveness guide for those who are afraid of rejection have a deep concern for how others perceive them often feel judged by others or have

difficulty expressing their feelings and needs Readers learn to apply assertiveness skills in all domains of their lives including in romantic relationships as parents at work and in social settings

The Wisdom of Judaism Rabbi Dov Peretz Elkins,2011-06-24 Discover the Talmud and its universal values for all people While the Hebrew Bible is the cornerstone of Judaism it is the Talmud that provides many central values for living The Talmud sets out specific guidelines and lyrical admonitions regarding many of life s ordinary events and offers profound words of advice for life s most intractable dilemmas This accessible introduction to the Talmud explores the essence of Judaism through reflections on the words of the rabbinic sages from one of American Judaism s foremost teachers and writers Rabbi Dov Peretz Elkins Dr Elkins provides fresh insight into ancient aphorisms and shows you how they can be applied to your life today Topics include Kindness through Giving Welcoming and Sharing Human Relationships Personal Values Family Values Teaching and Learning and Life s Puzzles Enlightening and inspiring the values of the Talmud can be appreciated not just by Jews but by anyone seeking a greater understanding of life and its mysteries
