Sticky Laurie Winkless, 2021-11-11 You are surrounded by stickiness With every step you take air molecules cling to you and slow you down the effect is harder to ignore in water When you hit the road whether powered by pedal or engine you rely on grip to keep you safe The Post it note and glue in your desk drawer The non stick pan on your stove The fingerprints linked to your identity The rumbling of the Earth deep beneath your feet and the ice that transforms waterways each winter All of these things are controlled by tiny forces that operate on and between surfaces with friction playing the leading role In *Sticky* Laurie Winkless explores how friction shapes both the manufactured and natural worlds and describes how our understanding of surface science has given us an ability to manipulate stickiness down to the level of a single atom But this

apparent success doesn't tell the whole story Each time humanity has pushed the boundaries of science and engineering we've discovered that friction still has a few surprises up its sleeve So do we really understand this force Can we say with certainty that we know how a gecko climbs what's behind our sense of touch or why golf balls boats and aircraft move as they do Join Laurie as she seeks out the answers from experts scattered across the globe uncovering a stack of scientific mysteries along the way Finalist for the 2023 AAAS Subaru SB F Prize for Excellence in Science Books **Bulletin**, 1966

Lesson Planning for High School Physical Education MacDonald, Lynn Couturier, Doan, Robert, Chepko, Stevie, 2018 Lesson Planning for High School Physical Education offers more than 240 lesson plans that are standards based and ready to use These innovative plans are great for fostering physical literacy in your students The book also provides guidance on how to plan effective lessons that align with SHAPE America's National Standards and Grade Level Outcomes for K-12 Physical Education *Seeing Without Glasses (EasyRead Edition)*, *Crash and Burn* Michael Reid, 2024-12-03 *Crash and Burn* by Michael Reid is the powerful conclusion to an emotional journey that began with *Now You're Gone* and *All I Ever Wanted* This final chapter plunges readers deep into the complexities of love loss and self sacrifice At its heart the story follows a man who found everything he ever wanted in love but chose to let it go for the sake of his partner's future happiness Through vivid storytelling Reid masterfully captures the highs of intense passion and the gut wrenching lows of heartache The protagonist's story takes the reader on a rollercoaster of emotions from the thrill of meeting someone who seems to fit perfectly into his life to the agonizing decision to walk away knowing that staying together would only hinder his partner's growth But love as unpredictable as it is offers him a second chance As he wrestles with the deep seated emotions of his past the reader experiences the full weight of his longing regret and hope for reconciliation Incorporating reflections on life's unforeseen twists and the power of timing *Crash and Burn* dives into the protagonist's inner struggles It explores the consequences of his choices and the internal battle between following his heart and making the selfless decision to let go Reid's portrayal of these emotions is both raw and relatable offering readers a deeply personal look at the complexities of relationships and the fine line between love and loss Adding further depth to the emotional landscape of *Crash and Burn* is Reid's poetry collection *Verses of Desire* This companion piece weaves around the three novels capturing the essence of longing heartbreak and desire in poetic form The poetry book enhances the reader's understanding of the protagonist's emotional journey offering lyrical reflections on the love he experienced the pain of separation and the ultimate crash that comes when love is lost For fans of heartfelt character driven stories *Crash and Burn* is an unforgettable exploration of love's fragility and the strength it takes to rebuild when everything falls apart The combination of Reid's novel and poetry collection creates a rich multi layered narrative that resonates long after the last page is turned This is not just a story about love it's a meditation on the human condition the sacrifices we make for those we care about and the enduring hope that love might find its way back to us it blends parts of fiction with lived reality from many perspectives , Understanding Motor
