Global Jihad and the Tactic of Terror Abduction Shaul Shay, 2014-01-01 In recent decades the taking of hostages has proven to be a particularly effective tactic for Islamic terrorist organizations worldwide including al Qaeda The global jihad movement regards citizens of foreign mainly western countries as prime targets for abduction although in fact local residents have constituted the majority of kidnapping victims This book analyzes Islamic terror abductions over the last 30 years in the Middle East Lebanon Syria Iraq Iran Yemen and Saudi Arabia Asia Afghanistan Pakistan India and the Philippines Africa the Maghreb the Sahel regions and Somalia and in Russia as a part of the Russian Chechen conflict Discussion also focuses on the abduction by Hizballah of Israeli soldiers the Second Lebanon War of 2006 the Mumbai terror attack 2008 the Chechen hostage crisis in Moscow and Beslan 2002 and 2004 the kidnapping of employees of the Algerian In Amenas gas facility by al Qaeda of the Maghreb in January 2013 and the Nairobi Westgate Mall hostage crisis in September 2013 The role of Iran as a state sponsor of terrorism and its patronage of terror organizations that utilize the tactic of abduction to promote Iranian interests in Lebanon and Iraq is highlighted throughout Discussion focuses on the challenges faced by countries whose citizens have been abducted by Islamic terror organizations and their reactions to these challenges and provides theoretical classifications of the phenomenon of terrorism in general and terror abduction in particular *The Origins of International Counterterrorism* Aviva Guttman, 2017-11-20 Switzerland suffered four major terrorist attacks in 1969 and 1970 which forced the Swiss government to address the issue of international terrorism for the first time Subsequently neutral Switzerland worked closely with Western Cold War powers to develop international counterterrorism measures and forged a European Israeli counterterrorist alignment to counter Palestinian terrorism in Europe Using recently declassified archival records this book is the first study to examine how the Swiss government positioned the country within the international struggle against terrorism The book brings to light the creation of the Club de Berne a secret European network of intelligence agencies connected to Israel and the United States It offers new insights about the history of Swiss Western European and Israeli security cooperation [Research Handbook on International Child Abduction](#) Marilyn Freeman, Nicola Taylor, 2023-06-01 With a focus on the 1980 Hague Convention this cutting edge Research Handbook provides a holistic overview of the law on international child abduction from prevention through voluntary agreements and Convention proceedings to post return and aftercare issues **A Digest of International Law...** John Bassett Moore, 1906 *Political Kidnapings, 1968-73* United States. Congress. House. Committee on Internal Security, 1973 *Hearings, Reports and Prints of the House Committee on Internal Security* United States. Congress. House. Committee on Internal Security, 1972 **Political Kidnappings 1968-73, a Staff Study ..., August 1, 1973** United States. Congress. House. Internal Security Committee, 1973 *Papers Relating to the Foreign Relations of the United States* United States. Department of State, 1895 Consists largely of correspondence to and from Secretary of State Walter Q Gresham 1893 1895 and Secretary of State

Richard Olney 1895 1897 concerning Samoa The Bering Sea controversy the Chinese Japanese War and other issues

United States Responses to International Parental Abduction United States. Congress. Senate. Committee on Foreign Relations,1999 **Papers Relating to the Foreign Relations of the United States** United States. Department of State,1895 Prior to 1870 the series was published under various names From 1870 to 1947 the uniform title Papers Relating to the Foreign Relations of the United States was used From 1947 to 1969 the name was changed to Foreign Relations of the United States Diplomatic Papers After that date the current name was adopted *The German Fifth Column in the Second World War* Louis De Jong,2019-07-03 Originally published in English in 1956 this book is divided into 3 parts the first outlines how after 1933 those outside Germany began to become increasingly afraid of sinister operations on the part of German agents and the partisans of National Socialism The second part examines the role of the German Fifth column during the war and the third part analyses the role of the groups which were living outside Germany at the time Hitler started his assault **Searching for Memory** Jacob Blanc,2025-04-29 This biography of Brazilian journalist and activist Aluizio Palmar b 1943 tells the remarkable story of a revolutionary who after surviving torture as a political prisoner during his country's military dictatorship in the 1960s and 1970s would devote the second half of his life to investigating human rights abuses With an eye to the intricacies of how Palmar has narrated his life across interviews writings and public engagement Blanc offers an innovative window into how former activists view their place in history Searching for Memory is a singular contribution to literature on dictatorship memory and oral history It does more than just recount Palmar's life story It is also a story about stories how Palmar has told his own life history why he has transformed his most traumatic memories into a public narrative and the meanings of memory in the shadow of dictatorship *Jacobs, White, and Ovey* Bernadette Rainey,Elizabeth Wicks,Clare Ovey,2017 The seventh edition of Jacobs White and Ovey The European Convention on Human Rights is a clear and concise companion to this increasingly important and extensive area of the law The authors examine each of the Convention rights in turn explore the pivotal cases in each area and examine the principles that underpin the Court's decisions The focus on the European Convention itself rather than its implementation in any one member state makes this book essential reading for all students looking for a concise yet authoritative overview of the work of the Strasbourg Court Online Resource Centre The text is accompanied by an Online Resource Centre that features updates on cases and legislation since publication as well as links to useful websites and further reading on the European Convention **The Role of the Romanies** Nicholas Saul,Susan Tebbutt,2005-01-01 Since the arrival of the Gypsies or Romanies in Europe at the beginning of the eleventh century Europeans have simultaneously feared and romanticized them That ambiguity has contributed to centuries of confusion over the origins culture and identity of the Romanies a confusion that too often has resulted in marginalization persecution and scapegoating The Role of the Romanies brings together international experts on Romany culture from the fields of history sociology linguistics and anthropology to address the many questions and problems

raised by the vexed relationship between Romany and European cultures The book s first section considers the genesis development and scope of the field of Romany studies while the second part expands from there to consider constructions of Romany culture and identity Part three focuses on twentieth century literary representations of Romany life while the final part considers how the role of the Romanies will ultimately be remembered and recorded Together the essays provide an absorbing portrait of a frequently misunderstood people

Cases and Materials on the European Convention on Human Rights Alastair R. Mowbray, 2007 This second edition provides students with a selection of the leading jurisprudence together with commentary on the major rights enshrined in the European Convention of Human Rights It also examines the creation of the Convention and the role of the institutions and remedies available at the European level

At all costs avoid blame Such is the creed of dictators and politicians tycoons and company chairmen media celebrities and spin doctors the world over But what about men at war where the penalties for errors of judgment can be devastating History is full of tales of those who have been wrongly castigated in the rush to find a culprit only later sometimes much later when the real truth comes out is the scapegoat exonerated Exposed here are the real stories behind the myths that allow the reader to make a balanced judgment on history s fairness to the individual including those of Captain Alfred Dreyfus exiled and imprisoned on charges of treason in 1895 Lieutenant General James Longstreet blamed for the failure of Pickett s Charge in 1863 Major General Jackie Smyth removed from the Army after ordering the destruction of the Sittang Bridge in 1942 Lieutenant General Rom o Dallaire let down by the United Nations over the Rwanda massacres of 1994 This superbly researched book by a former professional soldier uncovers what might be termed the most disgraceful miscarriages of military justice Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Nazi Germany and Neutral Europe During the Second World War Christian Leitz, 2000 This book is a study of the ambitions activities and achievements of Methodist missionaries in northern Burma from 1887 1966 and the expulsion of the last missionaries by Ne Win The story is told through painstaking original research in archives which contain thousands of hitherto unpublished documents and eyewitness accounts meticulously recorded by the Methodist missionaries This accessible study constitutes a significant contribution to a very little known area of missionary history Leigh pulls together the themes of conflict politics and proselytisation in to a fascinating study of great breadth The historical nuances of the relationship between religion and governance in Burma are traced in an accessible style This book will appeal to those

teaching or studying colonial and postcolonial history Burmese politics and the history of missionary work **International Extradition** M. Cherif Bassiouni, 2014 This comprehensive guide covers all aspects of extradition to and from the United States while making critical theoretical and practical evaluations of these aspects and proposing alternatives The rights of individuals balancing of states interests and preservation of world order within the Rule of Law form the conceptual framework of this book The focus within U S practice explores the essentials involved in the executive branches treaty making power as implemented through its foreign relations practice and as scrutinized by the judiciary The Sixth Edition updates the treaties laws and cases cited with new content including comparative material dealing with the European Union cases involving the United States decided by other countries and major decisions of the high courts of the UK Canada France South Africa Australia Israel Italy and Germany As with the prior editions the Sixth Edition continues to expose certain questionable practices of the United States with regards to extradition
