## **Swiss Colonists In 19th Century America:**

Geschichte und Leben Der Schweizer Kolonien in Den Vereinigten Staaten Von Nord-Amerika Adelrich Steinach,1995  
History of settlements founded by Swiss immigrants in the United States during the nineteenth century      **Historical Dictionary of Switzerland** Leo Schelbert,2014-05-21 Switzerland s exceptional scenic beauty of valleys lakes and mountains its central location on international trade routes and its world famous banking system are just a few elements that have contributed to its rise in the global market It consists of twenty six member states called cantons and it s actively engaged in the maintenance of peace among nations The history of the Swiss Confederation is as rich and varied as its culture and people This updated second edition of Historical Dictionary of Switzerland features the nation s multicultural and democratic traditions and institutions its complex history and its people s involvement in past and present world affairs This is done through a list of abbreviations and acronyms a chronology an introduction appendixes maps a bibliography and over 500 cross referenced dictionary entries on important persons places events and institutions as well as significant political economic social and cultural aspects This book is an excellent access point for students researchers and anyone who wants to know more about Switzerland      **Envisioning New Switzerland: A Founding Document for the Swiss Colonists at Vevay, Indiana** Ellen Stepleton,2019-07 During one of the most tumultuous decades in Swiss history a small group of Vaudois republicans chose to secure their children s familial cultural and spiritual patrimony by relocating to the New World In April 1800 at Le Chenit in the Vall e de Joux five families framed a compact to organize a communal settlement in the Northwest Territory Recently discovered their pact is presented here in its original French and in English translation along with an accompanying letter additionally another letter and an English translation of the compact as prepared by Jean Jaques Dufour in 1801 is supplied Dufour is considered a founding father of American viticulture and the Swiss settlers at Vevay Indiana the first to succeed as commercial winemakers in the territorial United States Scholars interested in founding documents early American communes commercial enterprises cultural assimilation and Swiss history in the Napoleonic era may find these documents intriguing      Immigrants in American History Elliott Robert Barkan,2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization Immigrants in American History Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in

the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture

**The Swiss Emigration to the Red River Settlement in 1821 and its Subsequent Exodus to the United States** Antoine de Courten, 2013 Everything went wrong Having crossed the Atlantic for about 3 months and getting stuck in the ice of Hudson's Strait for another three weeks the band of Swiss emigrants had to row with great hardship up the Hayes River over some 60 portages and cross Lake Winnipeg in its full length Arriving starved exhausted and deprived of their belongings at the Red River Settlement just before the snows they were told that nothing had been prepared for them Lodging and food was there none due to a plague of grasshoppers and floods that had destroyed the harvests of the previous four years The so called Promised Land was bare of any prospect Thoroughly embittered and disgusted one family after the other headed south between 1821 and 1826 some alone others in groups hoping to reach present day Minnesota as their first refuge But to get there they had to cross over some 350 miles of prairie a veritable desert of uncharted trails and water holes peopled by roving Sioux looking out for victims to scalp How did they survive That's what the reader will find out by reading this dramatic document which is illustrated by Peter Rindisbacher the young artist who participated in this extraordinary venture

*Encyclopedia of Diasporas* Melvin Ember, Carol R. Ember, Ian Skoggard, 2004-11-30 Immigration is a topic that is as important among anthropologists as it is the general public Almost every culture has experienced adaptation and assimilation when immigrating to a new country and culture usually leaving for what is perceived as a better life Not only does this diaspora change the country of adoption but also the country of origin Many large nations in the world have absorbed and continue to absorb large numbers of immigrants The foreseeable future will see a continuation of large scale immigration as many countries experience civil war and secessionist pressures Currently there is no reference work that describes the impact upon the immigrants and the immigrant societies relevant to the world's cultures and provides an overview of important topics in the world's diasporas The encyclopedia consists of two volumes covering three main sections Diaspora Overviews covers over 20 ethnic groups that have experienced voluntary or forced immigration These essays discuss the history behind the social economic and political reasons for leaving the original countries and the cultures in the new places Topics discusses the impact and assimilation that the immigrant cultures experience in their adopted cultures including the arts they bring the struggles they face and some of the cities that are in the forefront of receiving immigrant cultures Diaspora Communities include over 60 portraits of specific diaspora communities Each portrait follows a standard outline to facilitate comparisons The Encyclopedia of Diasporas can be used both to gain a general understanding of immigration and immigrants and to find out about particular cultures topics and communities It will prove of great value to researchers and students curriculum developers teachers and government officials It brings together the disciplines of anthropology social studies political studies international studies and immigrant

and immigration studies      **The New Encyclopedia of Southern Culture** Celeste Ray, Charles Reagan Wilson, 2014-02-01

Transcending familiar categories of black and white this volume of The New Encyclopedia of Southern Culture complicates and enriches our understanding of southernness by identifying the array of cultures that combined to shape the South This exploration of southern ethnicities examines the ways people perform and maintain cultural identities through folklore religious faith dress music speech cooking and transgenerational tradition Accessibly written and informed by the most recent research that recovers the ethnic diversity of the early South and documents the more recent arrival of new cultural groups this volume greatly expands upon the modest Ethnic Life section of the original Encyclopedia Contributors describe 88 ethnic groups that have lived in the South from the Mississippian Period 1000 1600 to the present They include 34 American Indian groups as well as the many communities with European African and Asian cultural ties that came to the region after 1600 Southerners from all backgrounds are likely to find themselves represented here      *The Family Tree*

*German Genealogy Guide* James M. Beidler, 2014-02-14 Explore Your German Ancestry Follow your family tree back to its roots in Bavaria Baden Prussia Hesse Saxony Wurttemberg and beyond This in depth genealogy guide will walk you step by step through the exciting journey of researching your German heritage whether your ancestors came from lands now in modern day Germany or other German speaking areas of Europe including Austria Switzerland and enclaves across Eastern Europe In this book you ll learn how to Retrace your German immigrant ancestors voyage from Europe to America Pinpoint the precise place in Europe your ancestors came from Uncover birth marriage death church census court military and other records documenting your ancestors lives Access German records of your family from your own hometown Decipher German language records including unfamiliar German script Understand German names and naming patterns that offer research clues You ll also find maps timelines sample records and resource lists throughout the book for quick and easy reference Whether you re just beginning your family tree or a longtime genealogy researcher the Family Tree German Genealogy Guide will help you conquer the unique challenges of German research and uncover your ancestors stories      **The History of**

**Wisconsin, Volume I** Alice E. Smith, 2013-03-28 Published in 1973 this first volume in the History of Wisconsin series remains the definitive work on Wisconsin s beginnings from the arrival of the French explorer Jean Nicolet in 1634 to the attainment of statehood in 1848 This volume explores how Wisconsin s Native American inhabitants early trappers traders explorers and many immigrant groups paved the way for the territory to become a more permanent society Including nearly two dozen maps as well as illustrations of territorial Wisconsin and portraits of early residents this volume provides an in depth history of the beginnings of the state      *Colonial Switzerland* P. Purtschert, H. Fischer-Tiné, 2015-05-26 States without former colonies it has been argued were intensely involved in colonial practices This anthology looks at Switzerland which by its very strong economic involvements with colonialism its doctrine of neutrality and its transnationally entangled scientific community constitutes a perfect case in point      The American Midwest Andrew R. L. Cayton, Richard Sisson, Chris

Zacher,2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region s twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region s surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region s history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination **The**

**American Historical Review** John Franklin Jameson,Henry Eldridge Bourne,Robert Livingston Schuyler,1917 American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world Published by the American Historical Association it covers all areas of historical research **The Laboratory of Progress** Joseph

Jung,2022-07-29 The Laboratory of Progress Switzerland in the 19th Century tells the improbable story of how a small backward mountainous agricultural country with almost no raw materials became an industrial powerhouse a hub of innovation a touristic mecca and a pioneer in transportation all in the course of a single century That a tiny landlocked country should become a dominant steamship builder for the rest of the world that a country that had never seen a cotton plant should become the world s second largest textile producer that a country with hardly any level terrain should come to boast the world s most highly developed railway network and that a country whose main export was impoverished emigrants should be transformed into one of the world s major financial centres these astonishing developments among many others are explored and explained both through the specific stories of individual innovators and through a prescient analysis of the political economic societal and cultural structures that formed the context in which Switzerland s astonishing transformation took place The book is a compelling read both for professional historians and for general readers with an interest in Switzerland it highlights the roles of transport networks and individual pioneers in industrial and political development

Nietzsche in the Nineteenth Century Robert C. Holub,2018-07-31 Nietzsche in the Nineteenth Century shows how Nietzsche formulated his thought in an ongoing dialogue with the concerns of his contemporaries and how his philosophy can be conceived as a contribution to the debates taking place in Europe at the time in the realms of politics society and science

The Source Loretto Dennis Szucs,Sandra Hargreaves Luebking,2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist s bible The new edition continues that tradition Intended as a handbook and a guide to selecting locating and using appropriate primary and secondary resources The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers More than 30 experts in this field genealogists historians librarians and archivists prepared the 20 signed chapters which are well

written easy to read and include many helpful hints for getting the most out of whatever information is acquired Each chapter ends with an extensive bibliography and is further enriched by tables black and white illustrations and examples of documents Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find     *The Immigration and Naturalization Systems of the United States* United States. Congress. Senate. Committee on the Judiciary,1950     Studies in American Social Conditions ,1908     Everton's Genealogical Helper ,1998     *Deutsch-amerikanische Geschichtsblätter* ,1920     **A Crisis in Swiss pluralism** Robert Henry Billigmeier,2016-10-10 No detailed description available for A Crisis in Swiss pluralism
