Swiss In Ontario

Michael C. Howard

Swiss In Ontario:

The Swiss in Ontario Joan Magee,1991-01-01 *Mennonites in Canada: 1939-1970 : a people transformed* Frank H. Epp,T. D. Regehr,1974-01-01 T D Regehr shows how the Second World War challenged the pacifist views of Mennonites and created a population more aware of events problems and opportunities for Christian service and personal advancement in the world beyond their traditional rural communities **Historical Dictionary of Switzerland** Leo Schelbert,2014-05-21 Switzerland s exceptional scenic beauty of valleys lakes and mountains its central location on international trade routes and its world famous banking system are just a few elements that have contributed to its rise in the global market It consists of twenty six member states called cantons and it s actively engaged in the maintenance of peace among nations The history of the Swiss Confederation is as rich and varied as its culture and people This updated second edition of Historical Dictionary of Switzerland features the nation s multicultural and democratic traditions and institutions its complex history and its people s involvement in past and present world affairs This is done through a list of abbreviations and acronyms a chronology an introduction appendixes maps a bibliography and over 500 cross referenced dictionary entries on important persons places events and institutions as well as significant political economic social and cultural aspects This book is an excellent access point for students researchers and anyone who wants to know more about Switzerland **German Canadians** Arthur Grenke,2018-07-11 In *German Canadians Community Formation Transformation and Contribution to Canadian Life* Grenke explores important themes in the German Canadian experience including immigration social life the war experiences intermarriage political participation and the German contribution to Canadian life Focusing on language maintenance and transition the study explores their effect on the formation and decline of different German Canadian communities as they emerged and dissolved While the reader may or may not agree with some of the conclusions reached the work should nevertheless stimulate reflection and discussion **Labour Relations in the Global Fast-Food Industry** Tony Royle,Brian Towers,2004-08-02 The fast food industry is one of the few industries that can be described as truly global not least in terms of employment which is estimated at around ten million people worldwide This edited volume is the first of its kind providing an analysis of labour relations in this significant industry focusing on multinational corporations and large national companies in ten countries the USA Canada the UK the Netherlands Germany Australia New Zealand Singapore and Russia The extent to which multinational enterprises impose or adapt their employment practices in differing national industrial relations systems is analysed Results reveal that the global fast food industry is typified by trade union exclusion high labour turnover unskilled work paternalistic management regimes and work organization that allows little scope for developing workers participation in decision making let alone advocating widely accepted concepts of social justice and workers rights Toronto's Many Faces Tony Ruprecht,2010-12-14 This is the only guide to Toronto s multicultural character featuring profiles of more than sixty ethnic communities including local histories food and art Monuments museums and restaurants

are identified while maps and photographs of festival events help bring the city's varied communities to life

Obtaining Discovery Abroad, 2005 This newly revised and expanded edition of *Obtaining Discovery Abroad* assists those involved in U.S. litigation in understanding the legal and practical steps for bringing evidence from a foreign jurisdiction back to the United States

Encyclopedia of Diasporas Melvin Ember, Carol R. Ember, Ian Skoggard, 2004-11-30 Immigration is a topic that is as important among anthropologists as it is the general public. Almost every culture has experienced adaptation and assimilation when immigrating to a new country and culture, usually leaving for what is perceived as a better life. Not only does this diaspora change the country of adoption but also the country of origin. Many large nations in the world have absorbed and continue to absorb large numbers of immigrants. The foreseeable future will see a continuation of large-scale immigration as many countries experience civil war and secessionist pressures. Currently, there is no reference work that describes the impact upon the immigrants and the immigrant societies relevant to the world's cultures and provides an overview of important topics in the world's diasporas. The encyclopedia consists of two volumes covering three main sections: *Diaspora Overviews* covers over 20 ethnic groups that have experienced voluntary or forced immigration. These essays discuss the history behind the social, economic, and political reasons for leaving the original countries and the cultures in the new places. *Topics* discusses the impact and assimilation that the immigrant cultures experience in their adopted cultures, including the arts they bring, the struggles they face, and some of the cities that are in the forefront of receiving immigrant cultures. *Diaspora Communities* include over 60 portraits of specific diaspora communities. Each portrait follows a standard outline to facilitate comparisons. The *Encyclopedia of Diasporas* can be used both to gain a general understanding of immigration and immigrants and to find out about particular cultures, topics, and communities. It will prove of great value to researchers and students, curriculum developers, teachers, and government officials. It brings together the disciplines of anthropology, social studies, political studies, international studies, and immigrant and immigration studies.

The ^A Foundation of Choice of Law Sagi Peeri, 2018-03-30 This book focuses on the subject of choice of law as a whole and provides an analysis of its various rules, principles, doctrines, and concepts. It offers a conceptual account of choice of law, called choice equality foundation (CEF), which aims to flesh out the normative basis of the subject. It provides a justification of the nature and limits of such popular principles as party autonomy, most significant relationship, and closest connection. It also discusses such topics as the actual operation of public policy doctrine in domestic courts and the relation between the notion of international human rights and international commercial dealings and makes some suggestions about the ability of traditional rules to cope with the advancing challenges of the digital age.

[Coming Home to the Third Reich](#) Grant W. Grams, 2021-09-14 During the 1930s, Germany's industrialization, rearmament, and economic plans taxed the existing manpower, forcing the country to explore new ways of acquiring Aryan German labor. Eventually, the Third Reich implemented a return migration program which used various recruitment strategies to entice Germans from Canada and the United States.

to migrate home It initially used the Atlantic Ocean to transport German speakers but after the outbreak of World War II German civilians were brought from the Americas to East Asia and then to Germany via the Trans Siberian Railway through the Soviet Union Germany's attack on the Soviet Union in June 1941 ended this overland route but some Germans were moved on Nazi ships from East Asia to the Third Reich until the end of 1942 This book investigates why Germans who had already established themselves in overseas countries chose to migrate back to an oppressive and authoritarian country It sheds light on some aspects of the Third Reich's administration goals and achievements associated with return migration while also telling the individual stories of returnees

Mennonite Women in Canada Marlene Epp, 2008 Marlene Epp explores women's roles as prescribed and as lived within the contexts of immigration and settlement household and family church and organizational life work and education and in response to social trends and events She questions how Mennonites dictate women's place within the church family and community and how women collectively and individually actually behave Epp found that in virtually all aspects of women's lives there exists a contradiction between behavioural ideals and practicalities She also found that their responses to dictates about their proper place ranged from acceptance to rebellion and almost always unsettled a clear delineation of their roles Using diaries oral histories church histories genealogies and memoirs Epp has painstakingly pieced together a rich and fascinating story of Canadian Mennonite women that deserves to be read by women and men everywhere

Resumé Electronic Participation Robert Krimmer, Marius Rohde Johannessen, Thomas Lampoltshammer, Ida Lindgren, Peter Parycek, Gerhard Schwabe, Jolien Ubacht, 2023-01-07 This book constitutes the proceedings of the 14th IFIP WG 8.5 International Conference on Electronic Participation ePart 2022 held in Linköping Sweden during September 6-8 2022 in conjunction with IFIP WG 8.5 Electronic Government EGOV 2022 and the Conference for E Democracy and Open Government Conference CeDEM 2022 The 12 full papers presented were carefully reviewed and selected from 26 submissions The papers are clustered under the following topical sections E democracy and e participation ICT digital and social media legal informatics and digital society

as well as a list of professional associations each with full address contact names and a brief description

From the Inside Out Royden Loewen, 1999-10-12 Historian Royden Loewen has brought together selections from diaries kept by 21 Mennonites in Canada between 1863 and 1929 some translated from German for the first time By skillfully comparing and contrasting a wide cross section of lives Loewen shows how these diaries often turn the hidden contours of household and community inside out The writers featured were ordinary rural people young women and grandmothers rural preachers and landless householders They include a teenaged boy who immigrated from Russia to Manitoba in 1875 as well as a successful merchant a traveling evangelist and a devout conservative church elder An elderly grandfather recounted the daily circuit of his children's homes while 19 year old Marie Schoeder wrote of her literary aspirations her secret hope that some day she would write things that have a real worth things that are worth printing and things that other folks would love to read and pay for From the Inside Out also contrasts diaries from two distinct Mennonite communities in Canada The Swiss American Mennonites in Waterloo County Ontario faced rapid urbanization while the Dutch Russian Mennonites in southern Manitoba maintained their more rural environment The diaries mirror their writers preoccupations with work and weather but they also reveal a community's social structure and round of activities such as weddings funerals and worship services In the process of diary keeping the writers sought to make sense of a dynamic and often unpredictable world Reading what they chose to record is to learn much about their culture Their writings provide glimpses of their lives their collective mindset and their history as a people

Notes on the Canadian Family Tree Canada. Canadian Citizenship Branch, 1960 An introduction to the study of the ethnic groups that comprise the Canadian population presented factually and arranged alphabetically by the country of origin

Germans of Waterloo Region, Canada Schulze, Mathias, Liebscher, Grit, Siebel-Achenbach, Sebastian, 1900 The immigration and acculturation of German speakers of Waterloo Region south west Ontario Canada The places of origin of the interviewees Mennonites and others from south eastern Europe east central Europe Germany and Austria The situation immigrants faced and their first impressions when they arrived in Canada earning a living who they are how they reflect on and actively live their German heritage how they feel about their home in Canada and how they still connect to German culture and the places from which they came the languages and family life and the next generation

Transnationalism and Society Michael C. Howard, 2014-01-10 In the past as in the present transnationalism has played a vital role in the development of wealth technology and art in all societies touched by cultures other than their own This timely book provides an introduction to the social and cultural aspects of transnationalism particularly focusing on the modern world since 1500 with an emphasis on the past 200 years Topics covered include the role of migration the development of cities the effect of transnationalism on marriage and families the presence of transnational corporations dress religion and art A key text for understanding our increasingly transnational world Instructors considering this book for use in a course may request an examination copy here
