SWORD OF BONE

ANTHONY RHODES

Sword Of Bone The Phoney War Dunkirk

Padhraic Smyth

Sword Of Bone The Phoney War Dunkirk:

Sword of Bone Anthony Rhodes,2022-10-27 It is September 1939 Shortly after war is declared Anthony Rhodes is sent to France serving with the British Army His days are filled with the minutiae and mundanities of Army life friendships billeting administration as the months of the Phoney War quickly pass and the conflict seems a distant prospect It is only in the spring of 1940 that the true situation becomes clear the men are ordered to retreat to the coast and the beaches of Dunkirk where they face a desperate and terrifying wait for evacuation **Dunkirk: Nine Days That Saved An Army** John Grehan,2018-03-30 The epic of Dunkirk has been told many times but the numerous accounts from surviving soldiers and sailors were often a blur of fear and fighting with the days mingling into each other leaving what is at times a confusing picture In this book adopting a day by day approach the author provides a clear portrayal of the unfolding drama on the perimeter around Dunkirk in the port itself and along the beaches to La Panne and the Belgian border Reports from many of the captains of the vessels which took part in the great evacuation were submitted to the Admiralty immediately after the conclusion of Operation Dynamo With access to these and supported by the various records maintained by the Army and RAF the author has been able to finally piece together the movements and actions of the many of the squadrons units and ships involved With the Admiralty reports and a mass of other firsthand accounts many of which have never been published before the true tale of the heroism of the rescued and the rescuers is laid bare Operation Dynamo saw civilian volunteers and Royal Navy personnel manning every type of craft from the anti-aircraft cruiser HMS Calcutta to the cockle boats of the Thames Estuary The accounts of the men who crewed these vessels tell of being bombed and strafed by the Luftwaffe or shelled from the shore There are stories of collisions in the dark chaos on the beaches and tragic losses as ships went down Similar tales are told by the men waiting on the beaches defending the perimeter or flying in the skies overhead in a valiant effort to hold the German Army and Luftwaffe at bay Yet this is ultimately a story as Churchill described it of deliverance for against all the predictions the BEF was saved to fight again another day With civilians and servicemen working without respite for days and nights on end under almost continual attack to rescue the army the nation pulled together as never before It truly was Britains finest hour **Monty and Rommel** Peter Caddick-Adams,2013-09-24 An accessible well honed study of two fascinating characters who famously fought each other in numerous battles during WWII from Egypt to D Day Kirkus Bernard Montgomery and Erwin Rommel faced one another in a series of extraordinary battles that established each man as one of the greatest generals in history Born four years apart their lives were remarkably similar Each came from provincial roots nearly died in WWI yet emerged from that great conflict with glowing records Through their many duels including their legendary conflicts in North Africa and later at the Normandy D Day invasion Peter Caddick Adams tracks and compares their military talents and personalities Monty and Rommel explores how each general was raised to power by their war leaders Churchill and Hitler and how the innovative military strategy and thought of both permeate down to today s armies
