Pease,1989-09 The term American Renaissance designates a period in our nation s history when the literary classics appeared works original enough to mark a beginning for America s literary history But the American Renaissance Donald Pease argues in his introduction does not belong to the nation s secular history so much as it denotes a rebirth from it Independent of the time kept by secular history the American Renaissance keeps what we could call global Renaissance time the sacred time a nation claims to renew when it claims its cultural place as a great nation existing within a world of great nations Providing each nation with the terms for cultural greatness denied to secular history the renaissance is not an occasion occurring within any specific historical time or place so much as it is a moment of cultural achievement that repeatedly demands to be reborn The American Renaissance Reconsidered examines this demand for rebirth in terms other than those ordained by the American Renaissance itself In the seven pieces collected here it is reborn not outside of but within America s secular history as the authors examine anew the period of the American Renaissance and the period in which its history was written Contributing authors are Eric J Sundquist Jane P Tompkins Louis A Renza Jonathan Arac Donald E Pease Walter Benn Michaels and Allen Grossman **Wizard and the Beauties IV** Soul Meeter,2024-06-20 In a world enshrouded by mysterious magic and resplendent swordplay an ordinary high school student Wooly inadvertently crosses over setting the stage for his heart stopping adventure in a fantastical world This land where magic and swords reign supreme is home to formidable wizards brave warriors and enigmatic races surrounded by unknown dangers Wooly formerly an exceedingly ordinary student finds himself in a world brimming with miracles after being struck by lightning out of the blue In this realm Wooly is preserved by chance by two peculiar old men who are in truth magicians of legendary status Their use of the uncontrollable spell Otherworld Thunder accidentally summons Wooly from Earth into their world Initially confounded and fearful in this entirely new world Wooly s
