Sword For Truth:

The Quest for Truth Brandon Perron, 2004-02 The Quest for Truth chronicles the allegorical journey of Youngblood Hawke as he is transformed from a self-serving soldier of fortune to a warrior prince Presented with the question and challenge of absolute truth by a mystical sage Hawke's inability to respond is an epiphany to him and marks the beginning of his struggle and quest Guided by a beautiful oracle he is introduced to the teachings of Socrates Plato Aristotle Sun Tzu Machiavelli Nietzsche Jose Ortega Shakespeare and William James spoken through mentors sages and prophets His thoughts become poetically philosophical as he struggles with his own destiny Marked as a threat to their power and control over humanity the enemies of change seek to destroy him and his desire to understand Youngblood Hawke's destiny as a warrior prince is realized when he raises an army of Select Warriors and leads them against the mass a secret and powerful society controlling many of the world's governments Youngblood Hawke quickly learns that the spiritual and philosophical battle for truth will not only be waged on the battlefield but also within the darkest confines of the human mind heart and soul A *Fondness for Truth* Kim Hays, 2024-04-16 Honesty isn't always the best policy in Kim Hays third Linder and Donatelli Mystery novel Andi Eberhart is riding her bicycle home on an icy winter night when she is killed in a hit and run Her devastated partner Nisha is convinced the death was no accident Andi had been receiving homophobic hate mail for several years and the letters grew uglier after the couple's baby was born Bern homicide Detective Giuliana Linder is assigned to investigate what happened to Andi As she pieces together the details of Andi and Nisha's lives her assistant Renzo Donatelli looks into Andi's job advising young men drafted into Switzerland's civilian service Working closely together Giuliana and Renzo are again tempted to become more than just friendly colleagues As both detectives dig into Andi's life one thing becomes clear Andi's friends and family may have loved her for her honesty but her outspokenness threatened others perhaps enough to get rid of her *Women, Imagination and the Search for Truth in Early Modern France* Rebecca M. Wilkin, 2016-12-05 Grounded in medical juridical and philosophical texts of sixteenth and seventeenth century France this innovative study tells the story of how the idea of woman contributed to the emergence of modern science Rebecca Wilkin focuses on the contradictory representations of women from roughly the middle of the sixteenth century to the middle of the seventeenth and depicts this period as one filled with epistemological anxiety and experimentation She shows how skeptics including Montaigne Marie de Gournay and Agrippa von Nettesheim subverted gender hierarchies and or blurred gender difference as a means of questioning the human capacity to find truth while positivists who strove to establish new standards of truth for example Johann Weyer Jean Bodin and Guillaume du Vair excluded women from the search for truth The book constitutes a reevaluation of the legacy of Cartesianism for women as Wilkin argues that Descartes opening of the search for truth even to women was part of his appropriation of skeptical arguments This book challenges scholars to revise deeply held notions regarding the place of women in the early modern search for truth their role in the development of rational thought and the

way in which intellectuals of the period dealt with the emergence of an influential female public
