The Long Field Pamela Petro,2023-08-15 For readers of H Is for Hawk an intimate memoir of belonging and loss and a mesmerizing travelogue through the landscapes and language of Wales Hiraeth is a Welsh word that s famously hard to translate Literally it can mean long field but generally translates into English inadequately as homesickness At heart hiraeth suggests something like a bone deep longing for an irretrievable place person or time an acute awareness of the presence of absence In The Long Field Pamela Petro braids essential hiraeth stories of Wales with tales from her own life as an American who found an ancient home in Wales as a gay woman as the survivor of a terrible AMTRAK train crash and as the daughter of a parent with dementia Through the pull and tangle of these stories and her travels throughout Wales hiraeth takes on radical new meanings There is traditional hiraeth of place and home but also queer hiraeth and hiraeth triggered by technology immigration ecological crises and our new divisive politics On this journey the notion begins to morph from a uniquely Welsh experience to a universal human condition from deep longing to the creative responses to loss that Petro sees as the genius of Welsh culture It becomes a tool to understand ourselves in our time A finalist for the Wales Book of the Year Award and named to the Telegraph s and Financial Times s Top 10 lists for travel writing The Long Field is an unforgettable exploration of the hidden contours of the human heart
