Jensen,2012-09-20 Sydney's evangelical Anglicans have been the focus of a great deal of controversy and criticism in the Anglican world Their blend of conservatism towards doctrine and radicalism towards the institutional church has made them something of an enigma to other Anglicans But what makes them really tick Michael Jensen provides a unique insider's view into the convictional world of Sydney Anglicanism He responds to a number of the common misunderstandings about Sydney Anglicanism and challenges Sydney Anglicans to see themselves as making a positive contribution to the wider church and to the city they inhabit      *The Oxford History of Anglicanism* Anthony Milton,Jeremy Gregory,Rowan Strong,Jeremy Morris,William L. Kuan,2019-05-20 For more than half a century the Anglican Diocese of Melbourne was unquestionably the most rigorously evangelical and missions oriented diocese in Australia The Diocese of Sydney in that same period was decidedly broader in theological and liturgical practice How and why did Melbourne move in one direction while Sydney in the other This study suggests that the answers are to be found in four vital contributors local churches evangelical societies theological colleges and diocesan bishops For three broad periods of history between 1847 and 1937 the presence of these four contributors is uncovered described and evaluated for the Diocese of Melbourne Evangelical activism theological reflection and leadership are each shown in their contemporary contexts to help us understand how people with gospel passion sought to respond faithfully to their times This is the question of vision leadership and strategy at the heart of this study What makes for long term evangelical continuity over a hundred year period      Sydney Anglicans and the Threat to World Anglicanism Muriel Porter,2017-05-15 Sydney Anglicans always ultra conservative in terms of liturgy theology and personal morality have increasingly modelled themselves on sixteenth century English Puritanism Over the past few decades they have added radical congregationalism to the mix They have altered church services challenged church order and relentlessly opposed all attempts to ordain women as priests let alone bishops Muriel Porter unpacks how Australia s largest and until recently richest diocese developed its ideological fervour and explores the impact it is having both in Australia and the Anglican Communion      *Sydney's One Special Evangelist* Baden P.
