 All from the reference book that Publishers Weekly calls one of the most impressive reference volumes in the world [A Chronology of Librarianship, 1960-2000](#) Jeffrey M. Wilhite, 2009-07-01
 A Chronology of Librarianship 1960-2000 continues the work of Josephine Smith in her original Chronology of Librarianship Scarecrow 1968. It updates and completes her work up to 2000, paying special attention to the progress made on technological and international fronts that have significantly altered the role and function of the librarian, especially the rise of the internet in the 1990s. The ramifications of this new level of global connectedness and of the new role of the librarian are of primary concern for author Jeffrey M. Wilhite. This book covers all areas of library literature that inform the history of librarianship and ranges over multiple continents. Its broad scope lends itself to wide use by scholars and students of library history and library literature. The chronology is presented in a dictionary format and separated into decades. It is complemented by a comprehensive bibliography and name index. *50 Book Report Ideas* Jim Walters, 2006
 Never run out of ideas for book reports and literary projects. Engaging activities have students preparing character masks, historical interviews, pop-up books, time capsules, and more. **Show Me a Story!** Leonard S. Marcus, 2013-09-10
 Will inspire, inform, and delight those of any age who are engaged in or by the arts. The Horn Book
 Renowned children's literature authority Leonard S. Marcus speaks with twenty-one of the world's most celebrated illustrators of picture books, asking about their childhood, their inspiration, their creative choices, and more. Amplifying these richly entertaining and thought-provoking conversations are eighty-eight full-color plates revealing each illustrator's artistic process in fascinating detail. This inspiring collection confirms that picture books matter because they make a difference in our children's lives. **Literature Suppressed on Political Grounds, Fourth Edition** Nicholas Karolides, 2019-08-01
 Throughout history, tyrants, totalitarian states, church institutions, and democratic governments alike have banned books that challenged their assumptions or questioned their activities. Political suppression also occurs in the name of security and the safeguarding of official secrets and is often used as a weapon in larger cultural or political battles. *Literature Suppressed on Political Grounds, Fourth Edition* illustrates the extent and frequency of such censorship in nearly every form of writing. Entries include *Animal Farm* by George Orwell, *The Appointment* by Herta and Paul Amirian, *Born on the Fourth of July* by Ron Kovic, *Burger's Daughter* by Nadine Gordimer, *Cancer Ward* by Aleksandr Solzhenitsyn, *Doctor Zhivago* by Boris Pasternak, *The Fugitive* by Pramodya Ananta Toer, *Girls of Riyadh* by Rajaa Alsanea, *The Grapes of Wrath* by John Steinbeck, *Gulliver's Travels* by Jonathan Swift, *The Hate U Give* by Angie Thomas, *The Jungle* by Upton Sinclair, *Kiss of the Spider Woman* by Manuel Puig, *Manifesto* of
