The Suffragette Estelle Sylvia Pankhurst, 1912 **Sylvia Pankhurst** Mary Davis, 1999-07-20 An accessible but comprehensive political biography of the extraordinary feminist socialist and anti racist campaigner Sylvia Pankhurst

Sylvia Pankhurst Katherine Connelly, 2013-09-05 From militant suffragette at the beginning of the twentieth century to campaigner against colonialism in Africa after the Second World War Sylvia Pankhurst dedicated her life to fighting oppression and injustice In this vivid biography Katherine Connelly examines Pankhurst's role at the forefront of significant developments in the history of radical politics She guides us through Pankhurst's construction of a suffragette militancy which put working class women at the heart of the struggle her championing of the Bolshevik Revolution and her clandestine attempts to sabotage the actions of the British state as well as her early identification of the dangers of Fascism The book explores the dilemmas debates and often painful personal consequences faced by Pankhurst which were played out in her art writings and activism It argues that far from being an advocate of disparate causes Pankhurst's campaigns were united by an essential continuity which hold vital lessons for achieving social change This lively and accessible biography presents Pankhurst as a courageous and inspiring campaigner of huge relevance to those engaged in social movements today A

Suffragette in America E. Sylvia Pankhurst, 2019-05-20 This book is a collection of Sylvia Pankhurst's writing on her visits to North America in 1911-12 Unlike the standard suffragette tours which focused on courting progressive members of America's social elite for money Pankhurst got her hands dirty meeting striking laundry workers in New York visiting female prisoners in Philadelphia and Chicago and grappling with horrific racism in Nashville Tennessee Adored by socialist students and progressive politicians Pankhurst was also shocked by the dark underbelly of American society Bringing her own experiences of imprisonment and misogyny from her political work in Britain she found many parallels between the two countries These never before published writings mark an important stage in the development of the suffragette's thought which she brought back to Britain to inform the burgeoning working class suffrage campaign there The book also includes a contextualising introduction by Katherine Connelly Sylvia Pankhurst Barbara Winslow, 2013-10-18 This study brings to light Sylvia
