The Christian Vision Man And Morality:

The Christian Vision Thomas J. Burke, 1986 *The Unformed Conscience of Evangelicalism* J. Daryl Charles, 2002-01-01 J Daryl Charles urges the evangelical church to better equip in character and moral vision its pastors leaders and members to constructively and effectively engage the ethical debates of the twenty first century **Solzhenitsyn, the Moral Vision** Edward E. Ericson, 1980 *The Politics of Practical Reason* Mark Ryan, 2011-06-09 Ought we conceive of theological ethics as an activity that draws from a community's vision of human goodness and that has implications for the kind of person each of us is to be Or can students of the discipline map the ethical implications of what Christians confess about God themselves and the world while remaining indifferent to these claims Habituated by modern moral theories such as consequentialism and deontology Mark Ryan argues we too often assume that Christian ethics makes no claim on the character of its students and teachers It is rather like yet another department store within the shopping mall of ideas and ideologies to which advanced education provides access By arguing that theological ethics is an activity by nature political the author endeavors to show us that to do Christian ethics is to be habituated into ways of talking and seeing that put us on a path toward the good The author thus affirms the claim that theological ethics is a life changing practice But why is it so This book endeavors to display a philosophical basis for this claim by articulating the political character of practical reason Through rigorous conversation with G E M Anscombe Charles Taylor Stanley Hauerwas Alasdair MacIntyre and Jeffrey Stout Ryan provides an account of practical reasoning that enables us to rightly conceive theological ethics as a discipline that ought to change our lives *Essays on the Christian Worldview and Others Political, Literary, and Philosophical* Andrew J. Schatkin, 2012-07-10 This collection of essays and thoughts covers such areas as basic Christian thought which includes traditional family morality and a great concern for alleviating poverty and promoting social justice political thought comparing the need for a system which includes both socialist and capitalist elements and the need for values in our society which has come to emphasize money power and greed as philosophical goals and values though they are not The book also has thoughts concerning literature a consideration of what constitutes true progress the denial in our society of any absolute moral truth and the substitution of moral relativism as a mistaken ethical system **Catholic Theological Ethics** Todd A. Salzman, Michael G. Lawler, 2015-11-23 This book has two objectives one explicit and one implicit The explicit objective is to explore the normative implications for both general and sexual ethics of the methodological and anthropological developments in Catholic tradition The implicit objective is to stimulate dialogue in the Church about ethics particularly sexual ethics a dialogue that must necessarily include all in the communion Church laity theologians and hierarchy Since we believe that genuine and respectful dialogue about sexual morality is sorely needed to clarify Christian truth today we intend this book to be part of that genuine dialogue *The Moral Basis of Democracy* Arthur Twining Hadley, 1919 **The Christian Century**, 1915 **Essays, Philosophical and Theological: Whewell's Morality.
