The Contemplative Face Of Old Testament Wisdom In The Context Of World Religions:

The Contemplative Face of Old Testament Wisdom J. H. Eaton, 1989 Lao tzu Plato the Desert Fathers St John of the Cross the Sufis of Islam the Upanishads and Thomas Merton are not often associated with the Old Testament As John Eaton shows however there are many remarkable parallels between them and the wisdom writings of the Old Testament Proverbs Job Ecclesiastes the wisdom Psalms and the Song of Songs All of these writings have special value for the spiritual quest of our time While the Old Testament remains a rich resource for contemplative spirituality it also contains much writing of great beauty which at the same time conveys a deep knowledge of the realities of our world Contradiction in the Book of Proverbs Peter Hatton, 2016-09-17 Despite the welcome revival of scholarly interest in Biblical Wisdom the Book of Proverbs remains neglected It continues to be seen as a disorganised repository of traditional banalities while Job and Qohelet are viewed as more exciting texts in revolt against Proverbs conventional wisdom Contradiction in the Book of Proverbs argues that this misleading consensus owes more to scholarly presuppositions than to the content of Proverbs it sees Proverbs as a challenging work one that aims to provoke a critical appropriation of wisdom and in which diverse sources have been skilfully brought together by a creative final editor to form a complex unity Many divergences from the Hebrew in the Greek witness to the translator's discomfort with his spikey provocative original Peter Hatton challenges many existing scholarly assumptions and calls for a re evaluation of the role and significance of Proverbs in relation to the other biblical wisdom books and the whole canon **A Theology of God-Talk** J. Timothy Allen, Harold G Koenig, 2018-12-07 Use this common coping mechanism to help people respond to crises This thoughtful book offers a fresh theological interpretation for the ways people talk about God in times of crisis A Theology of God Talk The Language of the Heart probes the meaning behind phrases like It must have been God's will and The Lord took Uncle Harry Though many caring professionals dismiss such talk as insensitive or irrational these phrases offer powerful clues to the speaker's personal religious feelings A Theology of God Talk demonstrates the ways that God talk moves the sufferer through the grief and doubt of the crisis By recognizing the ways God talk resembles myth apocalyptic tale tragedy story and even prayer all literary categories the caregiver can begin to help sufferers rewrite their personal narratives in the wake of tragedy A Theology of God Talk examines the crucial issues of God talk including common false assumptions about it the theology of God talk interpretations and misinterpretations how to glean counseling insights from God talk differing stances for sufferers and survivors of tragedy Bringing together psychology theology and narrative theory this insightful and sensitive book offers new ways of looking at this common reaction to crisis A Theology of God Talk is an instant classic and an essential resource for pastors chaplains therapists grief counselors and theologians The Vocation of Theology Today Tom Greggs, Rachel Muers, Simeon Zahl, 2013-02-08 What is the task of theology in a complex religious and secular world What are theologians called to contribute to society the churches and the academy Can theology be both fully faithful to Christian tradition and Scripture and fully open to the

challenges of the twenty first century In this book an international team of contributors including some of the best known names in the field respond to these questions in programmatic essays that set the direction for future debates about the vocation of theology David Ford in whose honor the collection is produced has been for many years a key figure in articulating and shaping the role of contemporary theology The contributors are his colleagues collaborators and former students and their essays engage in dialogue with his work The main unifying feature of this exciting collection is not Ford s work per se however but a shared engagement with the pressing question of theology s vocation today **Proverbs** John W. Miller,2004-11-16 The uniqueness of this commentary is its detailed first time uncovering of evidence that there were two editions of Proverbs the first in the time of Solomon and the second in support of King Hezekiah s historic religious reforms In this light heretofore puzzling features of the book s design purpose and message are clarified in this light and the book s relevance for its time and ours greatly enhanced **Wise Up!** Alyce M. McKenzie,2018-05-22 Wise Up invites the reader to step up to the divine customer service desk and exchange self sufficiency self absorption self indulgence and self protection for the four virtues of biblical wisdom the fear of the Lord faith the listening heart compassion the cool spirit self discipline and the subversive voice moral courage An invaluable resource for personal devotion small group study and sermon series Wise Up is a spiritual manual for navigating the twists and turns of an unpredictable life The author mines the riches of the Bible s wisdom literature from Proverbs Job Ecclesiastes and the short sayings of the synoptic Jesus The result is four guiding virtues that can keep our feet from stumbling on the journey to wisdom through the thorniest of paths McKenzie the author of several popular books for both clergy and laity places her profound knowledge of biblical wisdom in conversation with the absurdities pains and joys of our everyday lives She invites wisdom down from the pedestal to accompany the reader on his or her daily rounds Reading this book at the same time soothes the soul and troubles the conscience It deepens faith fires compassion cools destructive desires and nudges the sleeping conscience awake **The Catholic Biblical Quarterly** Wendell Stephen Reilly,1992 Includes various reports of the Association *Journal for the Study of the Old Testament* ,1992 **The Feminine Dimension of the Divine** Joan Chamberlain Engelsman,1994 The spiritual needs and interests of both men and women have changed enough to merit a new edition of this superbly crafted scholarly study of Sophia Janet Forsythe Fishburn *One God, One Lord in a World of Religious Pluralism* Andrew D. Clarke,Bruce W. Winter,1991 *Bulletin of Dr. Williams's Library* Dr. Williams's Library,1991 **Encounter** ,1990 *Elenchus of Biblica* ,1993 **The Publishers Weekly** ,1989 **Research & Publications Report** ,1988 **Judaica at the Ellen Clarke Bertrand Library** Ellen Clarke Bertrand Library,1990 **American Book Publishing Record** ,1990 **The Catholic Periodical and Literature Index** ,1992 **Christian Jewish Relations** ,1990 *Women, the Earth, the Divine* Eleanor Rae,1994 Eleanor Rae co author of *Created in Her Image* weaves together three compelling topics of contemporary concern women s identity the environmental crisis and the feminine divine *Women the Earth the Divine* presents the case for rediscovering a feminine principle that is not

the product of a patriarchal worldview Rather Rae derives it from the real experience of women from the East as well as the West Rae looks at the articulation of a feminine principle from the perspective of ecofeminism and in light of the contribution the religions of the world can make to the ecofeminist project A Jungian and process theology perception of the complementarity of the sexes becomes the framework for Rae s discussion which invites dialogue between women and men scientists and religionists Women the Earth the Divine examines Western tendencies that ignore women s voices and experience and disregard women s approaches to every aspect of life including science and economics psychology and sociology philosophy and theology Rae argues that reclaiming the feminine principle provides the key element to the dialogue that must take place among peoples if the real and immediate needs of the world and especially of the environmental crisis are to be addressed Part I of Women the Earth the Divine explores the present situation of women and the basics of ecofeminism Part II relates the basis for an Earth centered ethic cognizant of the link between the oppression of women and the exploitation of nature In Part III Rae s chapter on the Holy Spirit as the feminine divine is a breathtaking tour de force which retrieves basic elements for a re articulation of Christian identity Women the Earth the Divine concludes with surveys of the feminine principle in four major world religions Hinduism Judaism Buddhism and Islam
