Sip Of Aesop:

A Sip of Aesop Jane Yolen, Karen Barbour, Aesop, 2000-08-01 The Hare and the Tortoise and The Lion and the Mouse are just two of the thirteen classic fables presented in this bright picture book for early readers Reprint *A Sip of Aesop* Jane Yolen, 2000-07-01 A verse retelling of thirteen familiar Aesop's fables including The Fox and the Grapes The Hare and the Tortoise and The Dog and the Bone in versions that deliver each story's moral with a humorous twist **Teaching with Aesop's Fables** Theda Detlor, 2001 Invite kids to build important reading and writing skills learn about story structure and discuss ethical behavior as they explore 12 classic fables Reproducible read aloud tales and instant writing prompts help children get the most out of each delightful tale while whole group discussion questions and activities deepen reading comprehension Great for character education and creating a caring classroom community Book jacket *Folktales Aloud* Janice M. Del Negro, 2014 A good folktale triggers the imagination connecting children to a wider world as well as increasing their vocabulary and comprehension skills In this delightful and easy to use book teacher and storyteller Del Negro gives librarians teachers and parents the keys to storytelling success Including more than a dozen original adaptations of folktales from around the world tailored specifically for library and classroom use she Reviews storytelling basics such as selecting a tale and learning the story Offers tips for dealing with stage fright and reluctant listeners Presents a bibliography of recommended online and print resources steering readers to more wonderful tales to tell For young listeners the folktale is a perfect gateway to the exciting worlds of culture and literature and Del Negro's book invites their engagement with proven techniques and original story scripts that can be used by experienced as well as beginning tellers *Solving the Reading Riddle* Rita Soltan, 2010-04-15 This book explores what the past 75 years of reading instruction has meant to children teachers and parents and how children's librarians and school media specialists are a crucial part of the developing philosophy and strategy As a children's librarian you are increasingly being called upon to support schools and parents in teaching children to read from early literacy initiatives and read alouds to parent workshops and collection development endeavors Yet if you're like most public librarians you probably have no clue as to what reading strategies other educators use Understanding reading instruction theory and practice can help you function better in these roles and communicate more effectively with other educators and parents *Solving the Reading Riddle* The Librarian's Guide to Reading Instruction explains the theories and shows you how to effectively integrate reading instruction theory into your roles as reading advocate family reading coach partner with educators and keeper of the books Designed for public librarians this book is also beneficial reading for LIS students in children's librarianship courses and for teacher librarians needing more information on this topic **Teaching for Deep Comprehension** Linda J. Dorn, Carla Soffos, 2005 Discusses reading comprehension and offers ways for teachers to develop it in their students exploring the cognitive and social aspects of comprehension while viewing it as an active process **Jane Yolen** Carolyn Carpan, 2013-11 The author of *Owl Moon* *Devil's Arithmetic* and *How*

Do Dinosaurs Say Good Night Jane Yolen has been called the Hans Christian Andersen of America and the Aesop of the 20th century In Jane Yolen fans of this award winning *Good Books Matter* Larry Swartz,Debbie Nyman,2008 Based on extensive research on the features that make children's books appealing and appropriate this valuable teacher resource offers guidance on selecting books strategies for specific grade levels suggestions for extension and tips for assessment This teacher friendly book is organized around the major genres traditional literature picture books nonfiction poetry and multicultural texts that will inspire young readers Throughout the book teachers will find suggestions for using literature to implement shared reading reading aloud and response strategies with emergent developing and independent readers This comprehensive book is rooted in the belief that educators must consider and offer a wide range of choice to ensure that students read good books It argues that the choices children make about what they read should be governed by their interests and desire to learn not by a grade or reading level
