Sirens & Graces Lawrence Garber,1983 **The Female Student** Mrs. Lincoln Phelps,1836 **Reading in the Byzantine Empire and Beyond** Teresa Shawcross,Ida Toth,2018-10-04 Offering a comprehensive introduction to the history of books readers and reading in the Byzantine Empire and its sphere of influence this volume addresses a paradox Advanced literacy was rare among imperial citizens being restricted by gender and class Yet the state s economic religious and political institutions insisted on the fundamental importance of the written record Starting from the materiality of codices documents and inscriptions the volume s contributors draw attention to the evidence for a range of interactions with texts They examine the role of authors compilers and scribes They look at practices such as the close perusal of texts in order to produce excerpts notes commentaries and editions But they also analyse the social implications of the constant intersection of writing with both image and speech Showcasing current methodological approaches this collection of essays aims to place a discussion of Byzantium within the mainstream of medieval textual studies **Mefistofele** Arrigo Boito,1920

Libretto of Mefistofele Arrigo Boito,1920 **Margaret Atwood** Reingard M. Nischik,2000 Novelist poet cultural critic Margaret Atwood is one of the most fascinating versatile and productive authors of our time a superb writer in any genre she chooses to tackle This book was prepared on the occasion of Atwood s sixtieth birthday in November 1999 Its first aim is therefore to take stock of Atwood s multifarious works and international impact at the height of her creative powers Secondly the book serves as a wide ranging introduction to the writer and her works Fifteen informative articles written specifically for this volume by Atwood specialists from Canada the USA the UK Germany and France treat her life and status her works up to date survey articles on Atwood s novels short fiction poetry and literary and cultural criticism and important approaches to her works from the standpoints of gender politics mythology ecology popular culture constructivism and Canadian nationalism A final section on creativity transmission and reception includes an interview with Atwood on creativity statements by some of Atwood s important transmitters including publishers editors literary agents and translators and some 15 statements by Atwood s fellow writers in which they explore her importance for them A number of photographs of Atwood several cartoons drawn by her an up to date bibliography of works by and about Atwood and an index round out the volume

Reingard M Nischik is Professor of American literature at the University of Konstanz Germany **In the Presence of Power** Maurice A. Pomerantz,Evelyn Birge Vitz,2017-12-05 Insights into power spectacle and performance in the courts of Middle Eastern rulers In recent decades scholars have produced much new research on courtly life in medieval Europe but studies on imperial and royal courts across the Middle East have received much less attention particularly for courts before 1500AD In the Presence of Power however sheds new light on courtly life across the region This insightful exploratory collection of essays uncovers surprising commonalities across a broad swath of cultures The pre modern period in this volume includes roughly seven centuries opening with the first dynasty of Islam the Umayyads whose reign marked an

important watershed for Late Antique culture and closing with the rule of the so called gunpowder empires of the Ottomans and Safavids over much of the Near East in the sixteenth century In between this volume locates similarities across the Western Medieval Byzantine and Islamicate courtly cultures spanning a vast history and geography to demonstrate the important cross pollinations that occurred between their literary and cultural legacies This study does not presume the presence of one shared courtly institution across time and space but rather seeks to understand the different ways in which contemporaries experienced and spoke about these places of power and performance Adopting a very broad view of performances In the Presence of Power includes exuberant expressions of love in Arabic stories shadow plays in Mamluk Cairo Byzantine storytelling religious food traditions in Christian Cyprus advice and political and ethnographic performances of power
