Sisters In The Resistance How Women Fought To Free France 1940 1945:

Sisters in the Resistance Margaret Collins Weitz, 1995-11-17 Story of 70 women who fought in the French Resistance during WWII *France: The Dark Years, 1940-1944* Julian Jackson, 2003-03-05 The French call them the Dark Years This definitive new history of Occupied France explores the myths and realities of four of the most divisive years in French history Taking in ordinary people's experiences of defeat collaboration resistance and liberation it uncovers the conflicting memories of occupation which ensure that even today France continues to debate the legacy of the Vichy years [Women in France Since 1789](#) Susan Foley, 2017-03-14 This compelling study traces the changes in women's lives in France from 1789 to the present Susan K Foley surveys the patterns of women's experiences in the socially segregated society of the early nineteenth century and then traces the evolution of their lifestyles to the turn of the twenty first century when many of the earlier social distinctions had disappeared Focusing on women's contested place within the political nation *Women in France since 1789* examines The on going strength of notions of sexual difference Recurrent debates over gender The anxiety created by women's perceived departure from ideals of womanhood Major controversies over matters such as reproductive rights significant cultural changes and women's often under estimated political roles By addressing and exploring these key issues Foley demonstrates women's efforts over two centuries to create a place in society on their own terms [The Social Railway and Its Workers in Europe's Modern Era, 1880-2023](#) David Welsh, 2025-06-26 This thematically arranged book examines the evolution of rail transport and a number of railway workforces across Europe in the modern era from around 1880 to 2023 Each chapter explores how within the context of a social railway rail workers developed distinct national and international perspectives on the nature of their work and their roles in societies and states David Welsh convincingly argues that workers formed a raft of entirely new and enduring organisations such as trade unions that in turn became ramparts of hope Welsh goes on to consider how the insurgent character of these organisations produced moments of fury during tumultuous periods in the 20th century *The Social Railway and its Workers in Europe's Modern Era 1880 2023* explores the national and European contexts in which both characteristics came to the fore including the ecology of fossil fuel technology coal and oil Above all it argues that social economic and political forces are not simply external scene shifting but integral to the history of railway systems The book examines the cultural construction of European railways through literature art and other forms of writing as well as recent oral history It also includes a detailed investigation of the role played by nationalisation and public ownership in Europe In the context of neoliberalism and globalization it proposes a 21st century programme for the social railway *A Soldier and a Woman* Gerard J. De Groot, C Peniston-Bird, 2014-07-30 The question of women's role in the military is extremely topical *A Woman and a Soldier* covers the experiences of women in the military from the late mediaeval period to the present day Written in two volumes this comprehensive guide covers a wide range of wars The Thirty Years War the French and Indian Wars in Northern America the Anglo Boer War the First and Second World Wars the Long March in

China and the Vietnam War There are also thematic chapters including studies of terrorism and contemporary military service Taking a multidisciplinary approach historical anthropological and cultural the book shows the variety of arguments used to support or deny women s military service and the combat taboo In the process the book challenges preconceived notions about women s integration in the military and builds a picture of the ideological and practical issues surrounding women soldiers

An American Heroine in the French Resistance Virginia d' Albert-Lake, 2006 After the war Virginia stayed in France with Philippe receiving awards from the governments of France Belgium Great Britain and the United States including the Croix de Guerre Legion d Honneur and Medal of Honor She died at the age of 87 in 1997 Judy Barrett Litoff brings together two rare documents in this unique book Virginia s diary of wartime France until her capture in 1944 and her prison memoir written immediately after the war Jacket

Résistance Agnes Humbert, 2009-09-01 A diary by a Parisian art historian and key member of the French Resistance during the German occupation of 1940 recounts her group s betrayal to the Gestapo her imprisonment and deportation to Germany and the brutal treatment she and her friends endured in labor camps Reprint

Résistance Agnes Humbert, Barbara Mellor, 2010-10-01 Agn s Humbert was an art historian in Paris during the German occupation in 1940 Stirred to action by the atrocities she witnessed she joined forces with several colleagues to form an organized resistance very likely the first such group to fight back against the occupation In fact their newsletter R sistance gave the French Resistance its name In the throes of their struggle for freedom the members of Humbert s group were betrayed to the Gestapo Humbert herself was imprisoned I n immediate electrifying detail Humbert describes her resistance against the Nazis her time in prison and the horrors she endured in a string of German labor camps always retaining in spite of everything hope for herself for her friends and for humanity Originally published in France in 1946 the book is now translated into English for the first time

Lieutenant Sonia Vagliano Sonia Vagliano Eloy, 2022-03-15 Following the German occupation of France in 1940 French women moved deftly into the jobs and roles left by their male compatriots even the role of soldier In Lieutenant Sonia Vagliano A Memoir of the World War II Refugee Crisis Vagliano provides a gripping and compelling account of how her team of young French women was attached to a US First Army unit that arrived in Normandy two weeks after D Day From 1943 to 1945 Vagliano followed her unit from Normandy to Paris through Belgium and finally into Germany where they cared for 41 000 total displaced persons and prisoners of war Vagliano not only describes her experiences in rich detail from caring for thousands of refugees in the worst possible conditions to defusing landmines and being kidnapped shot at torpedoed and bombed she also recounts the major events of the war in Europe including the liberation of Paris the Battle of the Bulge and finally the liberation of the concentration camps Having spent five weeks at Buchenwald repatriating the 21 000 remaining prisoners she is a unique witness to the transition period between the camp s liberation and its transferal to Russian oversight in July 1945 She saw firsthand to what extremes the human imagination can go in its search for the most cruel methods of torture Striking a balance between daredevil

escapades and the sobering reality of a wartime account this book won the Prix Saint Simon for best memoir under its original title *Les demoiselles de Gaulle* Now translator and editor Martha Noel Evans brings the young French lieutenant's story to readers in English for the first time **Auschwitz and After** Charlotte Delbo, 2014-09-30 Written by a member of the French resistance who became an important literary figure in postwar France this moving memoir of life and death in Auschwitz and the postwar experiences of women survivors has become a key text for Holocaust studies classes This second edition includes an updated and expanded introduction and new bibliography by Holocaust scholar Lawrence L Langer Delbo's exquisite and unflinching account of life and death under Nazi atrocity grows fiercer and richer with time The superb new introduction by Lawrence L Langer illuminates the subtlety and complexity of Delbo's meditation on memory time culpability and survival in the context of what Langer calls the afterdeath of the Holocaust Delbo's powerful trilogy belongs on every bookshelf Sara R Horowitz York University Winner of the 1995 American Literary Translators Association Award *Africa and World War II* Judith A. Byfield, Carolyn A. Brown, Timothy Parsons, Ahmad Alawad Sikainga, 2015-04-16 This volume considers the military economic and political significance of Africa during World War II The essays feature new research and innovative approaches to the historiography of Africa and bring to the fore issues of race gender and labor during the war topics that have not yet received much critical attention It explores the experiences of male and female combatants peasant producers women traders missionaries and sex workers The first section offers three introductory essays that give a continent wide overview of how Africa sustained the Allied effort through labor and resources The six sections that follow offer individual case studies from different parts of the continent Contributors offer a macro and micro view of the multiple levels on which Africa's contributions shaped the war as well as the ways in which the war affected individuals and communities and transformed Africa's political economic and social landscape Gender and Fascism in Modern France Melanie Hawthorne, Richard Joseph Golsan, 1997 Discovering the ways gender issues are articulated in the cultures of the extreme right in modern France **France Under Fire** Nicole Dombrowski Risser, 2012-07-12 A social military and political history of the French refugee crisis tracing the impact of government responses upon civilian lives *The ^AOxford Handbook of Gender, War, and the Western World since 1600* Karen Hagemann, Stefan Dudink, Sonya O. Rose, 2020-10-30 To date war history has focused predominantly on the efforts of and impact of war on male participants However this limited focus disregards the complexity of gendered experiences with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of military culture examining the varied ideals and practices that have socially differentiated men and women's wartime experiences Covering the major periods in warfare since the seventeenth century The Handbook explores cultural representations of war and the interconnectedness of the military with civil society and its transformations **Maneuvers** Cynthia Enloe, 2000-02 Enloe outlines the dilemmas feminists around the globe face in trying to craft theories and strategies that support militarized

women locally and internationally without unwittingly being militarized themselves *Historical Controversies and Historians* William Lamont, 2005-06-20 For students new to the subject of history there are many books on the theory of writing history but fewer on how history is actually practised This work by a team of historians from the University of Sussex fills this gap The first half of the book examines a number of notable controversies that have been and still are the subject of historical debate for example race in South Africa the legacy of the French Resistance the origins of the Welfare State These illustrate the issues involved in doing history The second half of the book focuses upon the historians themselves such as Tawney Carr Buckhardt Weber Thompson and demonstrates how the historian puts his her own spin on historical interpretation Together the study of controversies and historians shows with clarity the practical issues of historical method *Historical Controversies and Historians* should be a useful primer for any student embarking on a course in history
