patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society     **Edith and Florence Stoney, Sisters in Radiology** Adrian Thomas, Francis Duck, 2019-07-01 This book explores the lives and achievements of two Irish sisters Edith and Florence Stoney who pioneered the use of new electromedical technologies especially X rays but also ultraviolet radiation and diathermy In addition the narrative follows several intertwined themes as experienced by the sisters during their lifetimes Their upbringing influenced by their liberal minded scientist father set the tone for both their lives Irish independence fractured their family heritage Their professional experiences fulfilling for Florence as a qualified doctor but often frustrating for Edith as a Cambridge educated scientist mirrored those of other aspiring women during this period when the suffragist movement expanded and women s lobby groups were formed World War I created an environment in which their unusual specialist knowledge was widely needed and the sisters war experiences are carefully examined in the book But ultimately this is the extraordinary story of two independent but closely bonded sisters and their abiding love and support for one another     *Sisters in Faith Holy Bible, KJV* Thomas Nelson, 2012-12-31 The Sisters in Faith Holy Bible is a sister to sister guide through the Word of God It demonstrates how His Word is active and will impact every interaction of life in a practical way for the African American woman Where can a woman go to find help with life s struggles Executive editors Michele Clark Jenkins and Stephanie Perry Moore believe the answers to life s problems can be found in the Bible The Sisters in Faith Holy Bible seeks to highlight where the Bible speaks to the five major areas of life God Family Others Self and Career Additional contributors include recording artist Joann Rosario Condrey novelists Kim Cash Tate Vanessa Davis Griggs and other scholars and artists committed to encouraging and empowering African American women with God s truth Features include Arise devotionals that teach how to apply the Bible Quest and Discovery notes that use scripture to answer common questions about life and faith She Speaks creative articles written from the perspective of women in the Bible Authorized King James Version text Center column References Concordance Part of the Signature Series line of Thomas Nelson Bibles The King James Version The most successful Bible translation in history with billions of copies published     **The Days of Queen Mary, Or, Annals of Her Reign** George Stokes, 1843     **The Acts and Monuments.
