Caesar Kleberg and the King Ranch Duane M. Leach, 2017-01-20 In this tribute to a pioneer conservationist Duane M Leach celebrates the life of an exceptional ranch manager on a legendary Texas ranch a visionary for wildlife and modern ranch management and an extraordinarily dedicated and generous man Caesar Kleberg went to work on the King Ranch in 1900 For almost thirty years he oversaw the operations of the sprawling Norias division a vast acreage in South Texas where he came to appreciate the importance of rangeland not only for cattle but also for wildlife Creating a wildlife management and conservation initiative far ahead of its time Kleberg established strict hunting rules and a program of enlightened habitat restoration Because of his efforts and foresight by his death in 1946 there were more white tailed deer wild turkey bobwhite quail javelinas and mourning dove on the King Ranch than in the rest of the state Kleberg s legacy lives on at the Caesar Kleberg Wildlife Research Institute in Kingsville where a research program he helped found has gained recognition far beyond the pastures of Norias **Six American Colonists... Revolutionary Brothers Tom Chaffin, 2019-11-26 Chaffin's well told tale of two revolutions centers on the fascinating sometimes intersecting careers of Thomas Jefferson and the Marquis de Lafayette Peter S Onuf coauthor of the New York Times bestseller Most Blessed of Patriarchs Thomas Jefferson and the Marquis de Lafayette shared a singularly extraordinary friendship one involved in the making of two revolutions and two nations Jefferson first met Lafayette in 1781 when the young French born general was dispatched to Virginia to assist Jefferson then the state's governor in fighting off the British The charismatic Lafayette hungry for glory could not have seemed more different from Jefferson the reserved statesman But when Jefferson a newly appointed diplomat moved to Paris three years later speaking little French and in need of a partner their friendship began in earnest As Lafayette opened doors in Paris and Versailles for Jefferson so too did the Virginian stand by Lafayette as the Frenchman became inexorably drawn into the maelstrom of his country's revolution Jefferson counseled Lafayette as he drafted The Declaration of the Rights of Man and remained a firm supporter of the French Revolution even after he returned to America in 1789 By 1792 however the upheaval had rendered Lafayette a man without a country locked away in a succession of Austrian and Prussian prisons The burden fell on Jefferson along with Lafayette's other friends to win his release The two would not see each other again until 1824 in a powerful and emotional reunion at Jefferson's Monticello Steeped in primary sources Revolutionary Brothers casts fresh light on this remarkable often complicated friendship of two extraordinary men A compelling narrative of an epic and unlikely friendship from the Enlightenment era

Reflections on Faith and 17Th Century European-American Colonists Carlos R. Hamilton Jr., 2023-03-24 American colonial history is told through the stories of four young people who left Europe and its Age of Enlightenment to start new lives in an uncertain new world in this scholarly work Carlos R Hamilton Jr aims to determine what experiences they and thousands of other immigrants had and the role those experiences played in influencing the future United States of America including its government and culture One of the primary reasons these immigrants settled in a new place thousands of miles from home was the prospect of being able to enjoy religious freedom Other drivers included a desire to enjoy more economic opportunity and achieve security for one's self and their family While this study is limited to Anglo European immigration the historical background of homelands of African Latino and Asian immigrants are as important in understanding the circumstances of their many contributions to the subsequent culture of the United States of America The author suggests that the same reasons people immigrated to what would become the United States hundreds of years ago remain primary reasons
