

SIX DAYS OR FOREVER?

TENNESSEE V. JOHN THOMAS SCOPES

"I am more interested in the Rock of Ages than in the age of rocks."

— William Jennings Bryan

BY RAY GINGER

Six Days Or Forever Tennessee V John Thomas Scopes

C. Gribben

Six Days Or Forever Tennessee V John Thomas Scopes:

Six Days Or Forever? Ray Ginger,1974-11-14 **6 Days Or Forever?** Ray Ginger,1958 *Fundamentalism and Evangelicalism* Martin E. Marty,2011-06-15 No detailed description available for Fundamentalism and Evangelicalism

Willa Cather in Context G. Reynolds,1996-04-01 Drawing on a range of material from archives in the USA and from a variety of primary historical sources this study places Cather s major fiction in its cultural context Reynolds explores progressivism primitivism and Americanization in such novels as *My Antonia* and *O Pioneers* Willa Cather in Context develops interdisciplinary readings of this important Nebraskan novelist placing her as a writer actively engaged with many of the key debates of early twentieth century America from immigration to evolutionary theory **Under God** Garry Wills,2013-05-28 In *Under God* Pulitzer Prize winner and eminent political observer Garry Wills sheds light on the frequent collision between American politics and American religion Beginning with the 1988 presidential contest an election that included two ministers and a senator accused of sin award winning author Garry Wills surveys the tapestry of American history to show the continuity of present controversies with past religious struggles and argues that the secular standards of the Founding Fathers have been misunderstood He shows that despite reactionary fire breathers and fanatics religion has often been a progressive force in American politics and explains why the policy of a separate church and state has ironically made the position of the church stronger Marked by the extraordinary quality of observation that has defined Will s work *Under God* is a rich original look at why religion and politics will never be separate in the United States **William James's Pluralism** Wayne Viney,2022-05-05 William James s *Pluralism An Antidote for Contemporary Extremism and Absolutism* explores extremism and the related problem of absolutism in the context of the psychology and philosophy of William James Extremist and absolutist views were topical in James s day especially around the time of the Civil War but they are no less common in these early years of the 21st century James argued that the love of singularities such as belief in one God one method one political system or one value system contributes to extremist even violent mentalities In this book James s views on singular versus pluralistic perspectives are explored and then applied to contemporary practical issues such as abortion birth control and death with dignity legislation These perspectives are furthermore applied to more theoretical issues such as causality values and methods or ways of investigating the world Within William James s *Pluralism* these theories are investigated in a comprehensive philosophical and psychological examination of the human experience Written in a nontechnical manner to appeal to the general public just as William James hoped for his pluralistic philosophy this book is additionally of considerable interest to academics and students across many fields such as psychology philosophy history and sociology **Rumors of Indiscretion** Lawrence J. Nelson,2003 Annotation In March 1929 a questionnaire was distributed among University of Missouri students to measure their attitudes toward marriage Students were instructed to answer the questions as best they could then drop their responses into any campus mailbox for delivery to the Bureau of Personnel

Research Rumors of Indiscretion explores how a college senior's psychology class project a seemingly innocuous questionnaire could cause a statewide uproar that attracted national attention The questionnaire quickly brought to the notice of the University of Missouri's dean of women soon found its way into the university president's office the local media and even the Missouri legislature Many people never having read the questionnaire were forced to rely on rumors or excerpts in the newspapers about what it actually contained Yet a cry arose for the expulsion of the students and professors responsible for this as one headline labeled it filthy questionnaire The controversy surrounding the questionnaire drew lines between young and old with the rising generation challenging the Victorian ideas of those who were frightened by this coming of age of America during the Jazz Age Nelson brings out the historical significance of this episode by placing it into two contexts the history of the University of Missouri and the culture war in America during the 1920s He argues that the 1920s were a time of continuity as well as change in Missouri and the United States What was actually lost was Victorianism and its mandate for an orderly culture in which each member had a sharply defined role violations of which carried societal consequences The youth of this time rebelled against the constraints of such a society Many sought change but few were what would later be called radicals Nelson uses the University of Missouri episode to demonstrate that while Victorianism's unrealistic notions were lost tradition

Routledge Revivals: Religion and American Law (2006) Paul Finkelman, 2018-05-08 Originally published in 2000 the Encyclopedia of Religion and American Law comprehensively describes and analyses important cases and legal controversies between religion and state The book has contributions from numerous distinguished history and law professors and practicing attorneys of the period It provides short and articulate encyclopedic style entries which capture the colour richness and complexity of the topics covered The book's multidisciplinary approach will make it an ideal library reference resource for scholars and students of law as well as a valuable addition to any legal collection

A Godly Hero Michael Kazin, 2007-12-18 ONE OF THE BEST BOOKS OF THE YEAR THE WASHINGTON POST CHICAGO TRIBUNE LOS ANGELES TIMES ST LOUIS POST DISPATCH Politician evangelist and reformer William Jennings Bryan was the most popular public speaker of his time In this acclaimed biography the first major reconsideration of Bryan's life in forty years award winning historian Michael Kazin illuminates his astonishing career and the richly diverse and volatile landscape of religion and politics in which he rose to fame Kazin vividly re-creates Bryan's tremendous appeal showing how he won a passionate following among both rural and urban Americans who saw in him not only the practical vision of a reform politician but also the righteousness of a pastor Bryan did more than anyone to transform the Democratic Party from a bulwark of laissez faire to the citadel of liberalism we identify with Franklin D Roosevelt In 1896 1900 and 1908 Bryan was nominated for president and though he fell short each time his legacy a subject of great debate after his death remains monumental This nuanced and brilliantly crafted portrait restores Bryan to an esteemed place in American history

The Textbook as Discourse Eugene F. Provenzo, Jr., Annis N. Shaver, Manuel Bello, 2011-01-24 This book is about the social

political and cultural content of elementary and secondary textbooks in American education It focuses on the nature of the discourses the content and context that represent what is included in textbooks **Popular Trials** Robert Hariman,1990 This critical study of seven popular trials illustrates the interaction of the law and the mass media The seven are the 17th century trial of Dr Henry Sacheverell and the 20th century trials of Scopes the Chicago Seven the Catonsville Nine John Hinckley Claus von Bulow and San Diego Mayor Roger Hedgecock Annotation copyrighted by Book News Inc Portland OR

The Establishment Clause Leonard W. Levy,2017-03-01 Leonard Levy s classic work examines the circumstances that led to the writing of the establishment clause of the First Amendment Congress shall make no law respecting an establishment of religion He argues that contrary to popular belief the framers of the Constitution intended to prohibit government aid to religion even on an impartial basis He thus refutes the view of nonpreferentialists who interpret the clause as allowing such aid provided that the assistance is not restricted to a preferred church For this new edition Levy has added to his original arguments and incorporated much new material including an analysis of Jefferson s ideas on the relationship between church and state and a discussion of the establishment clause cases brought before the Supreme Court since the book was originally published in 1986 **The Puritan Origins of American Patriotism** George McKenna,2007-01-01 In

this absorbing book George McKenna ranges across the entire panorama of American history to track the development of American patriotism That patriotism shaped by Reformation Protestantism and imbued with the American Puritan belief in a providential errand has evolved over 350 years and influenced American political culture in both positive and negative ways McKenna shows The germ of the patriotism an activist theology that stressed collective rather than individual salvation began in the late 1630s in New England and traveled across the continent eventually becoming a national phenomenon Today American patriotism still reflects its origins in the seventeenth century By encouraging cohesion in a nation of diverse peoples and inspiring social reform American patriotism has sometimes been a force for good But the book also uncovers a darker side of the nation s patriotism a prejudice against the South in the nineteenth century for example and a tendency toward nativism and anti Catholicism Ironically a great reversal has occurred and today the most fervent believers in the Puritan narrative are the former outsiders Catholics and Southerners McKenna offers an interesting new perspective on patriotism s role throughout American history and he concludes with trenchant thoughts on its role in the post 9 11 era

People's Lawyers Diana Klebanon, Franklin L Jonas, Diana Klebanow,2020-07-24 Throughout America s history lawyers with a crusading zeal have through their moral stance intellectual integrity and sheer brilliance made use of the law to fight social injustice In short biographical chapters the authors tell the stories of ten of these lawyers Some are well known Thurgood Marshall William Kunstler Louis Brandeis Morris Dees Clarence Darrow and Ralph Nader Others are not so well known but deserve to be All are fascinating and influential attorneys and examination of their lives illuminates key issues in American history An annotated bibliography a chronology of the person s life and work and a helpful table detailing their

most prominent cases accompany each chapter **Evangelical Millennialism in the Trans-Atlantic World, 1500-2000**

C. Gribben,2015-12-04 This book offers the first complete overview of the intellectual history of one of the most significant contemporary cultural trends the apocalyptic expectations of European and American evangelicals in an account that guides readers into the origins its evolution and its revolutionary potential in the modern world **The Great Depression** Robert

S. McElvaine,1993-12-06 One of the classic studies of the Great Depression featuring a new introduction by the author with insights into the economic crises of 1929 and today In the twenty five years since its publication critics and scholars have praised historian Robert McElvaine s sweeping and authoritative history of the Great Depression as one of the best and most readable studies of the era Combining clear eyed insight into the machinations of politicians and economists who struggled to revive the battered economy personal stories from the average people who were hardest hit by an economic crisis beyond their control and an evocative depiction of the popular culture of the decade McElvaine paints an epic picture of an America brought to its knees but also brought together by people s widely shared plight In a new introduction McElvaine draws striking parallels between the roots of the Great Depression and the economic meltdown that followed in the wake of the credit crisis of 2008 He also examines the resurgence of anti regulation free market ideology beginning in the Reagan era and argues that some economists and politicians revised history and ignored the lessons of the Depression era

Democracy, Intelligent Design, and Evolution Susan P. Liebell,2013-09-05 Should alternatives to evolution be taught in American public schools or rejected as an establishment of religion Democracy Intelligent Design and Evolution argues that accurate science education helps shape a democratic temperament Rather than defending against Intelligent Design as religion citizens should defend science education as crucial to three aspects of the democratic person political citizenship economic fitness and moral choice Through an examination of Tammy Kitzmiller et al v Dover Area School District contemporary political theory and foundational American texts this volume provides an alternative jurisprudence and political vocabulary urging American liberalism to embrace science for citizenship **The Oxford Handbook of Christian**

Fundamentalism Andrew Atherstone,David Ceri Jones,2024-01-18 This authoritative volume offers the fullest account to date of Christian fundamentalism its origins in the nineteenth century and its development up to the present day It looks at the movement in global terms and through a number of key subjects and debates in which it is actively engaged *The Post-Darwinian Controversies* James R. Moore,1981-10-30 The Post Darwinian Controversies offers an original interpretation of Protestant responses to Darwin after 1870 viewing them in a transatlantic perspective and as a constitutive part of the history of post Darwinian evolutionary thought The impact of evolutionary theory on the religious consciousness of the nineteenth century has commonly been seen in terms of a conflict or warfare between science and theology Dr Moore s account begins by discussing the polemical origins and baneful effects of the military metaphor and this leads to a revised view of the controversies based on an analysis of the underlying intellectual struggle to come to terms with Darwin The

middle section of the book distinguishes the Darwinism of Darwin himself amid the main currents of post Darwinian evolutionary thought and is followed by chapters which examine the responses to Darwin of twenty eight Christian controversialists tracing the philosophical and theological lineage of their views The paradox that emerges that Darwin s theory was accepted in substance only by those whose theology was distinctly orthodox theology and of other evolutionary theories with liberal and romantic theological speculation **Preachers, Pedagogues, and Politicians** Willard B.

Gatewood,2012-06-01 This is the story of the evolution controversy set off by the Scopes trial It deals with the problems in North Carolina educational institutions and such outstanding men as Poteat Chase Odum and Morrison who sought reform Originally published in 1966 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
