

DR. JOHN GOTTMAN'S

7 PRINCIPLES OF SUCCESSFUL RELATIONSHIPS

ENHANCE YOUR LOVE MAPS

You know your partner's inner world, from life dreams to favorite movies, as a best friend would.

NURTURE FONDNESS AND ADMIRATION

You have a positive view and deep appreciation of your partner and express it.

TURN TOWARD EACH OTHER INSTEAD OF AWAY

State your needs, be aware of bids for connection, and turn towards them.

LET YOUR PARTNER INFLUENCE YOU

You shouldn't make important life decisions autonomously, as a single person would.

SOLVE YOUR SOLVABLE PROBLEMS

All couples have solvable and perpetual problems, but long-term couples solve those they can and understand there will always be perpetual problems.

OVERCOME GRIDLOCK

What often underlies perpetual problems are unfulfilled dreams. Talk about those dreams to make peace with the problem.

CREATE SHARED MEANING

Develop the big and small rituals that help build the bond with your partners. Rituals range from hosting an annual party to having coffee together in the morning.

Six Levels Of A Happy Marriage:

Six Levels of a Happy Marriage Medard Laz,1978-09 *Next Level Marriage* Kerry A. Clark,2024-06-20 If you were allowed to sit in on a couples coaching session with us what follows is a brief description of the five sections covered

Understanding the Relationship Life Cycle A relationship goes through cycles Knowing this provides a clue to how a couple can prepare for the upcoming cycles and how to cycle proof one s marriage

Defining The Intent of Marriage This section covers why two people should desire to bring their lives together appropriately and define a purpose for the marriage

Getting To Know Your 7 Levels of Relationships Relationships can be summed up in seven classifications which give a couple a way to brace for how each relationship level directly impacts a marriage

Redefining LOVE Do We Really Love Each Other The biggest mistake made is assuming one understands what love is and what it means to be loved

Clearing up this natural assumption is a key to having success in marriage

Putting It All Together The last step we take is helping the couple put it all together from ceremony to keeping their marriage healthy for years to come

The Seven Levels of Intimacy Matthew Kelly,2005-11 We All Crave An Authentic Experience Of Intimacy Though our hearts crave intimacy though our minds understand our deep need for it the self revelation it requires is often too daunting a task

Complete and unrestrained sharing of self exposes the deepest human fear of being rejected for being ourselves

InThe Seven Levels of Intimacy Matthew Kelly both acknowledges and calms our fears while teaching us how to move beyond them to experience the power of true intimacy

Matthew reveals that each relationship is built upon a pattern of interaction

In the beginning stages we rely on casual interactions gaining familiarity by focusing on superficialities and facts

We grow closer and begin to share our opinions learning to accept each other and embrace the growing relationship despite the difference in our experiences and viewpoints

Once our differences and opinions are shared and accepted we feel safe enough to reveal our hopes dreams and feelings

developing trust With this trust we open ourselves and are able to share our legitimate needs becoming liberated from carrying the burden of our real needs alone

At last we are deeply intimate and both willing and able to reveal our deepest fears

We are beyond judgment and feel trust and acceptance

By moving through and building upon each level of intimacy we find comfort and gain trust in our partners and ourselves until by developing and deepening our intimacy within each level we are able to fully open ourselves finally opening to the possibility of truly being loved

It is through mastering the seven levels of intimacy that we will break through to fully experiencing love commitment trust and happiness

The Seven Levels of Intimacyis a brilliant and practical guide to creating and sustaining intimacy whether you are looking for a deeper sense of connection with your spouse looking for more fulfillment in your relationship with your boyfriend or girlfriend trying to improve your relationships with your children or simply wondering what you should be looking for in a partner

With profound insight and the use of powerful everyday examples Matthew Kelly explains how we can nurture the intimacy in our relationships

The Seven Levels of Intimacyredefines how we view our interactions with others

This new understanding leads

us to successfully create the strong connections deep joy and lasting bonds that we all long for **Reignite Your Marriage in Two Days** Michael Smalley, Ph.D., Amy Smalley, M.A., 2016-04-25 Reignite Your Marriage in Two Days is a groundbreaking new book where couples discover seven key strategies proven to unlock the passion in their relationship

TPS-Lean Six Sigma Hubert K. Rampersad, Anwar El-Homsi, 2007-11-01 We have been deploying Lean Six Sigma in various large and medium size companies for many years and have realized excellent results in most instances We found that while Lean Six Sigma does a great job addressing the primary concerns of manufacturing and service we felt that there was something missing in the deployment of Lean Six Sigma programs at many companies Something that could help foster sustainable breakthroughs something to realize durable performance and sustainable quality enhancement based on a happy and engaged workforce something to create a real learning organization in which people are working smarter are committed and improve themselves continuously We found that the results could be enhanced if the importance of Human Capital is considered as an integral part of the process We learned that Lean Six Sigma in itself does not sufficiently address Human Capital at many companies While expected results from Lean Six Sigma alone will be good we believe that adding the human component to Lean Six Sigma has the potential to realize sustainable long term growth and produce a transformation into a lean learning prosperous organization That's why we are launching a revolutionary holistic concept in this book called TPS Lean Six Sigma Combining these complimentary processes actively brings human involvement into Lean Six Sigma in a manner that not only stimulates commitment integrity work life balance and passion enjoyment at work and employee engagement but also stimulates individual and team learning in order to develop a happy workforce and sustainable performance improvement and quality enhancement for the organization TPS Lean Six Sigma is a continuous voyage of discovery involving continuous personal and organizational improvement development and learning The starting point in this concept is a journey to understand personal goals and ambitions of the workforce Then we take the organizations goals and ambitions and marry them with the workforce and find the best people for the job Using our structured approach for aligning the personal scorecards with the organization's scorecard we are able to create a symbiotic relationship between employees and organizational desires through the establishment of Lean Six Sigma project teams that will enthusiastically drive positive results TPS Lean Six Sigma is like a turbo charged Lean Six Sigma program All of the proven sound methodologies of traditional Lean Six Sigma are charged with highly motivated team members The result is a powerful people driven Lean Six Sigma program called TPS Lean Six Sigma that leads to a High Performance Culture and allows employees to realize their full potential and contribute creatively while the organization benefits from increased profitability market share and customer satisfaction People are happiest when they are given freedom challenges and control over their lives TPS Lean Six Sigma also offers a systematic and integrated approach to the transformation of people in organizations and to impact business strategy culture organizational effectiveness and the controllability of business processes It entails a learning process which

transforms people into happy inwardly involved and committed employees This will not only allow them to contribute exceptionally but will also persuade them to support defend and promote their organization This approach lies at the heart of successful organizational and cultural change After all it is difficult to change the organization but if we change ourselves the organization will change with us This unique TPS Lean Six Sigma system is based on several new models guidelines and tools that have been proven in practice It integrates the individual s aspirations with the shared ambition of the organization balancing the personal with the shared ambition embedding ethical behavior in the individual s mind and links individual capabilities with an effective talent management process TPS Lean Six Sigma and the related new tools provide an excellent and innovative framework for creating sustainable breakthroughs in both the service and manufacturing industries This new book emphasizes the introduction of a new blueprint called TPS Lean Six Sigma for addressing the primary concerns of manufacturing and service in a more sustainable and humanized way It leads to a High Performance Culture and allows employees to realize their full potential and contribute creatively while the organization benefits from increased profitability market share and customer satisfaction By way of this book Hubert Rampersad Anwar El Homsy are launching a revolutionary holistic concept which actively has human capital embedded in Lean Six Sigma in a manner that not only stimulates commitment integrity work life balance passion enjoyment at work and employee engagement but also stimulates individual and team learning in order to develop a motivated workforce and sustainable performance improvement and quality enhancement for the organization
