

An aerial photograph showing a large fire burning in a forest. Thick white smoke rises from the ground, forming a complex, branching pattern against the dark, charred landscape. The smoke plumes are dense and billowing, indicating intense heat and active combustion. The surrounding area appears to be a mix of burnt and unburnt vegetation.

is visualization this meditation perhaps more than other meditations presumes the creative power of the mind Visualizations form the basis not only of the creation stage and deity yoga but of all tantric practices and rituals since tantric practice takes place not in mundane existence but in the illusion like purity of the enlightened view While the previously published *Essence of the Ocean of Attainments* is a concise exposition on the practice of the Guhyasamaja sadhana *Ocean of Attainments* is much more detailed providing extensive scriptural citations clear explanation of the body mandala arguments on points of contention reference to other tantric systems and critiques of misinterpretations Complemented by the extensive and clear introduction this volume is a vital contribution to the growing body of scholarship on Guhyasamaja and on Buddhist tantra in general

The Journals of Captain Cook Captain James Cook, 2003-09-25 Cook led three famous expeditions to the Pacific Ocean between 1768 and 1779 In voyages that ranged from the Antarctic circle to the Arctic Sea Cook charted Australia and the whole coast of New Zealand and brought back detailed descriptions of the natural history of the Pacific Accounts based on Cook's journals were issued at the time but it was not until this century that the original journals were published in Beaglehole's definitive edition *The JOURNALS* tells the story of these voyages as Cook wanted it to be told radiating the ambition courage and skill which enabled him to carry out an unrivalled series of expeditions in dangerous waters

Bureau of Mines Information Circular, 1953 Lost Edinburgh Hamish Coghill, 2014-03-03 An exploration of the stories behind the many buildings lost to history in Scotland's capital city What happened to Edinburgh's once notorious but picturesque Tolbooth Prison Where was the Black Turnpike once a dominant building in the town Why has one of the New Town designer's major layouts been all but obliterated What else has been lost in Edinburgh From Edinburgh's mean beginnings wretched accommodation no comfortable houses no soft beds visiting French knights complained in 1341 it went on to attract some of the world's greatest architects to design and build and shape a unique city But over the centuries many of those fine buildings have gone Some were destroyed by invasion and civil strife some simply collapsed with old age and neglect and others were swept away in the improvements of the nineteenth century Yet more fell to the developers' swathe of destruction in the twentieth century Much of the medieval architecture vanished in the Old Town Georgian Squares were attacked Princes Street ruined old tenements razed in huge slum clearance drives and once familiar and much loved buildings vanished The changing pattern of industry social habits health service housing and road systems all took their toll not even the city wall was immune The buildings that stood in the way of what was deemed progress are the heritage of Lost Edinburgh In this informative book author Hamish Coghill sets out to trace many of the lost buildings and find out why they were doomed Lavishly illustrated *Lost Edinburgh* is a fascinating insight into an ever changing cityscape
