The Sixth of Seven Wives Mary Mackert,2000 *The Celestial Wife* Leslie Howard,2024-04-09 A young fundamentalist Mormon girl facing a forced marriage escapes her strict polygamist community and comes of age in the tumultuous 1960s in this captivating novel inspired by shockingly true events Keep sweet no matter what for this is the way to be lifted up Keep sweet with every breath for it is a matter of life or death 1964 Fifteen year old Daisy Shoemaker dreams of life beyond her small isolated fundamentalist Mormon community of Redemption on the Canada US border despite Bishop Thorsen s warning that the outside world is full of sin According to the Principle the only way to enter the celestial kingdom is through plural marriage While the boys are taught to work in the lucrative sawmill that supports their enclave Daisy and her best friend Brighten are instructed to keep sweet and wait for Placement the day the bishop will choose a husband for them But Daisy wants to be more than a sister wife and a mother So when she is placed with a man forty years her senior she makes the daring decision to flee Redemption Years later Daisy has a job and a group of trustworthy friends Emboldened by the ideas of the feminist and counterculture movements she is freer than she has ever been until Brighten reaches out with a cry for help and Daisy s past comes hurtling back But to save the women she left behind Daisy must risk her newfound independence and return to Redemption where hellfire surely awaits For readers of Emma Cline s *The Girls* and Ami McKay s *The Virgin Cure* comes an arresting coming of age novel about a fearless young girl s fight for freedom at a time of great historic change

The Secret Lives of Saints Daphne Bramham,2009-04-03 The Secret Lives of Saints paints a troubling portrait of an extreme religious sect These zealous believers impose severe and often violent restrictions on women deprive children of education and opt instead to school them in the tenets of their faith defy the law and move freely and secretly over international borders They punish dissent with violence and even death No this sect is not the Taliban but North America s fundamentalist Mormons Daphne Bramham explores the history and ideas of this surprisingly resilient and insular society asking the questions that surround its continued existence and telling the stories of the men and women whose lives are so entwined with it both the leaders and the victims Subject Guide to Books in Print ,1996 *THE LATTER-DAY SAINT'S MILLENNIAL STAR.
