Snap Shots, 1908 *Snap Shots from Sunny Africa* Mrs. John McKendree Springer, 1909 *Snap Shots at Cookery*, 1899 Literary Snapshots Richard Butler Glaenzer, 1920 **Soldier Snapshots** Jay Mechling, 2021-08-10 In *Soldier Snapshots* Jay Mechling explores how American men socially construct their performance of masculinity in everyday life in all male friendship groups during their service in the military. The evidence Mechling analyzes is a collection of vernacular photographs snapshots of and by American soldiers sailors Marines and aviators. Since almost all of the snapshots are photographs taken of men by other men this book offers a unique view into the social construction performance and repair of American masculinity. Mechling guides the reader from the snapshots to ideas about the everyday lives of male soldiers to ideas about the lives of men in groups to ideas about American culture. In his introduction Mechling offers his thoughts about how to undertake the interdisciplinary study of American culture he draws from history folklore anthropology sociology rhetoric psychology gender and sexuality studies ethnic studies popular culture studies and visual studies to reveal the intricacies of how men use their folk practices in an all male group to manage the paradoxes of their friendship and comradeship under sometimes stressful conditions. *Soldier Snapshots* begins with a brief history of war photography and establishes the nature of vernacular photography the snapshot. This is followed by a jargon free discussion of the key ideas about masculinity and the vernacular practices of men in groups exploring male friendship the important role of play in men's relationships and the ways animal buddies adopted by male friendship groups actually tell us even more about male friendship and issues of trust. In the final section Mechling's careful analysis reveals how the men employ different folk practices including rough and tumble playfighting building human pyramids bathing naked in public cross dressing hazing and gallows humor in order to manage their relationships. Regardless of the man's sexual orientation and sexual identity the strong heterosexual norm in the military means that the men must find ways to understand and even enact or perform their feelings of bonding while still defining those feelings and acts as heterosexual. *Snapshots* Alain Robbe-Grillet, 1995 Alain Robbe-Grillet has long been regarded as the chief spokesman for the controversial nouveau roman. This collection of brilliant short pieces introduces the reader to those techniques employed by Robbe-Grillet in his longer works. These intriguing gemlike stories represent Robbe-Grillet's most accessible fiction. **Beyond Snapshots** Rachel Devine, Peta Mazey, 2012-03-20 Ready to Capture Your Story with Beautiful Photos Let professional photographers Rachel Devine and Peta Mazey show you how to use that fancy DSLR to photograph the story of your life from falling in love and having a baby to the everyday moments that are no less precious.
