Sniffer The Life And Times Of Allan Clarke:

Sniffer D. Saffer, David Saffer, Allan Clarke, 2001-11-01 The life and career of Leeds United player Allan Clarke is detailed in this book from his humble beginnings to his rise to become champion player He discusses his former teammates his training and the soccer moments for which he is best remembered Sport, Leisure and Culture in the Postmodern City Stephen Wagg, 2016-04-01 The widespread concept of the postmodern city is frequently linked to the decline of traditional manufacturing industries and a corresponding wane of white working class culture In place of these appear flexible working practices a diversified workforce and a greater emphasis on consumption leisure and tourism Illustrated by an interdisciplinary study of Leeds a typical postmodern city this volume examines how such cities have reinvented themselves commercially politically and spatially over the past two decades The work addresses issues like cultural policy city centre development sport leisure and identity and explores different urban processes in relation to changing configuration of class gender and ethnicity in the postmodern city *Stokoe, Sunderland and 73* Lance Hardy, 2011-01-20 50th anniversary edition of the story of the team that caused the last great FA Cup upset Times have changed but this book is an engrossing reminder for all fans INDEPENDENT ON SUNDAY An essential piece of British football history for fans of any club Brilliantly researched and written with an undisguised passion Guy Mowbray BBC's Match of the Day Today it seems inconceivable that a team from the lower reaches of the Championship could beat the likes of Chelsea or Manchester United in the FA Cup Final Yet on 5 May 1973 that is exactly what happened Six months earlier Bob Stokoe took on an ailing Sunderland team struggling at the bottom of the second division But the long road to Wembley sees them beating Arsenal and Manchester City to reach the final where they face Don Revie's mighty Leeds United in a game few expect them to win Yet what lies ninety minutes ahead is the greatest FA Cup Final shock of all time Sunderland's victory was arguably the last fairytale of recent footballing times In STOKOE SUNDERLAND AND 73 Lance Hardy talked with ten of the Sunderland players who turned out at Wembley that day and to the family of Bob Stokoe to produce the definitive account of an unforgettable game **The Unforgiven** Rob Bagchi, Paul Rogerson, 2011-11-01 In 1961 when Don Revie became manager of Leeds United they were a struggling Second Division club By 1974 they had won two League Championships the Inter Cities Fairs Cup twice the FA Cup and the League Cup players like Jack Charlton and Billy Bremner were household names Yet this was a team that inspired neither admiration nor grudging respect but rather a deep and visceral loathing matched only by the bellicose devotion of their own supporters The undeniable artistry of players like striker Allan Clarke was overshadowed by a ruthless professionalism epitomised in the scything tackles of Norman Hunter Still when Revie's Leeds United side were let off the leash the 7-0 humiliation of Southampton is enshrined in Match of the Day mythology their brilliance was compelling At the heart of their outlaw status was the eccentric personality of Don Revie himself Clad in his lucky blue suit a man for whom team building meant rounds of carpet bowls here reigned less a football manager than in his own estimation the head of the

family The aftermath of the Revie era is explored including Brian Clough s infamous 44 days at the helm of the Damned United The Unforgiven is the definitive history of the most defiantly unconventional team in British football **The Damned Utd** David Peace,2014-04-01 Probably the best novel ever written about sport The Times UK He was a real life working class hero known as the British Muhammad Ali because he had a big mouth and wasn t afraid to use it But Brian Clough wasn t a boxer he was a soccer coach known for taking backwater teams and making them into champions In towns where people had little else the hard drinking and scrappy Clough was a hero He was especially beloved for telling it like it was on behalf of small town teams everywhere calling out the stars who played dirty rival coaches he suspected of bribing referees and the league that let them get away with it And then one day Clough was offered a job coaching the big city team he d called the dirtiest the perennial powerhouse Leeds United The Damned Utd tells the story of the legendary Clough s tumultuous forty four days trying to turn around a corrupt institution without being corrupted himself the players who wouldn t play the management that looked the other way the wife and friends who stood by him as he fought to do the right thing The inspiring story behind the movie of the same name The Damned Utd has been called by The Times of London The best novel ever written about sport Leeds United in the 1980s and 1990s Dave Tomlinson,2023-10-15 The story of Leeds United from 1980 to 2000 when the club crashed and burned and then rose from the ashes to become the last First Division champions before approaching the Millennium full of expectations for their dynamic young team Leeds United: A History Dave Tomlinson,2015-08-15 The complete and definitive history of the Whites **Leeds United in the 1970s** Dave Tomlinson,2025-07-15 The story of Leeds United in the 1970s when the club reached its peak under Manager Don Revie as arguably the best team in Europe although dogged by controversy before its decline under a sequence of managers following Revie **Billy Bremner Fifty Defining Fixtures** Dave Tomlinson,2017-05-15 Fifty fixtures that defined the career of a diminutive Scotsman who went on to become one of the biggest names in British football *Sir Alf* Leo McKinstry,2006 Ramsey s life is a romantic story of heroism Often derided by lesser men he overcame the prejudice against his social background to reach the summit of world football Drawing on extensive interviews with his closest friends and colleagues in the game author Leo McKinstry will help unravel the true character of this fascinating and often complex football legend
