Snow White The Storyteller Library:

Walt Disney, from Reader to Storyteller Kathy Merlock Jackson, Mark I. West, 2014-12-03 Walt Disney best known as a filmmaker had perhaps a greater skill as a reader While many would have regarded Felix Salten's Bambi and Carlo Collodi's Pinocchio as too somber for family oriented films he saw their possibilities He appealed to his audience by selecting but then transforming familiar stories Many of the tales he chose to adapt to film became some of the most read books in America Although much published research has addressed his adaptation process often criticizing his films for being too saccharine or not true to their literary sources little has been written on him as a reader what he read what he liked his reading experiences and the books that influenced him This collection of 15 fresh essays and one classic addresses Disney as a reader and shows how his responses to literature fueled his success Essays discuss the books he read the ones he adapted to film and the ways in which he demonstrated his narrative ability Exploring his literary connections to films nature documentaries theme park creations and overall creative vision the contributors provide insight into Walt Disney's relationships with authors his animation staff and his audience *Junior Libraries*, 1960 The Storyteller by the Sea Phyllida Shrimpton, 2023-09-14 Uplifting and delightful you will be hooked from the very first page Faith Hogan A heartwarming and uplifting new novel perfect story for fans of Sally Page and Hazel Prior Melody spends her days combing the shore for items washed up on her beach She collects them in her basket and takes them back to Spindrift her weathered little bungalow overlooking the sea and weaves stories about her treasures Everything Melody thinks she could ever need is right where she is cupped by the rocks that shape her bay But Melody has been keeping a secret When she learns that her little corner of Devon is under threat from developers looking to modernise the strip of coast on which Spindrift stands Melody realises she is about to lose all she has ever known Is it time for her to tell her own story a story of love loss secrets and lies *Library Journal*, 2001 **Classic Fairy Tales and Modern Retellings** Pauline Dewan, 2025-09-04 Drawing on the popularity of fairy tale literature and its retellings this guide provides insightful annotations to all the major picture books and novels for children and teens Although popular fairy tales such as Cinderella are familiar the broader genre of fairy tale literature is less well known This genre includes traditional fairy tales often compiled in book collections picture book retellings of single fairy tales fractured fairy tales and fairy tale inspired novels for both children and teens Designed to help librarians teachers and reading partners feel more confident in selecting and suggesting fairy tale books for children and teens this comprehensive guide offers themes read alike reading levels awards and curricular tie ins for each book Readers will learn about the distinguishing characteristics of fairy tales key authors contemporary and historical major trends and significant changes in the genre They will also discover the therapeutic power of fairy tales their empowering impact on children and teens and the reasons that fairy tales continue to attract young readers Insightful and engaging annotations of each book will increase their knowledge of the riches of the genre **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.

Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 1960 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Issued also separately **Index to Fairy Tales, Myths, and Legends** Mary Huse Eastman, 1926 Burning Brightly Kay Stone, 1998-06-15 Burning Brightly is the first full length book treatment of professional storytelling in North America today For some years there has been a major storytelling revival throughout the continent with hundreds of local groups and centres springing up and with storytelling becoming an important part of the professional training for librarians In the book Stone explores storytelling through storytellers themselves while providing enlightening commentary from her own background as a storyteller Included in her analysis are informative discussions of organized storytelling communities individual tellers and tales Issues such as the modern recontextualization of old tales and the role of women in folktales are linked to individual storytelling accounts Texts of eight stories that exemplify the approaches of the various storytellers are also included Burning Brightly will be compelling reading for storytellers and for everyone who loves storytelling **CUES: Choose, Use, Enjoy, Share** Phyllis B. Leonard, 1998-08-15 Calling for structured interaction between students and books Leonard specifies how teachers and media specialists can collaborate to create a library media centered program that develops the talents of all K 6 students The ultimate goal is to encourage reading and build reading comprehension questioning and thinking skills Models groupings strategies and materials are suggested in a grade appropriate scope and sequence The latest theories about the process of education thinking multiple intelligences how children learn individually and cooperatively as well as effective grouping and teaching strategies for differentiation are discussed The book also has sample lessons and scenarios drawn from the author s experience Grades K 6 **Building a Children's Literature Collection** Harriet B. Quimby, Margaret Mary Kimmel, 1983
