So You're Thinking About Contemporary Worship:

So You're Thinking about Contemporary Worship Timothy L. Carson, Kathy Carson, 1997 How can your congregation reach out to the young the unchurched and the simply adventuresome BOOK JACKET Contemporary worship with its nontraditional music and informal style is being tried or at least considered in many churches But what to do how to begin what works and what doesn't BOOK JACKET This practical guide for congregations of every size is based on the Carsons' nearly three years of experience conducting contemporary worship and gives realistic answers to questions like Why contemporary worship How do you get started How do you choose your music What is the theological basis for contemporary worship What kind of resistance might you meet from the traditionalists BOOK JACKET Two appendices offer a sample order of service and an extensive resource list complete with information on obtaining copyrights and permissions BOOK JACKET

A History of Contemporary Praise & Worship Lester Ruth, Lim Swee Hong, 2021-12-07 Christianity Today 2023 Book Award Finalist History Biography New forms of worship have transformed the face of the American church over the past fifty years Drawing on a wide range of primary sources including interviews with dozens of important stakeholders and key players this volume by two worship experts offers the first comprehensive history of Contemporary Praise Worship The authors provide insight into where this phenomenon began and how it reshaped the Protestant church They also emphasize the span of denominational regional and ethnic expressions of contemporary worship **Praying Twice** Brian

Wren, 2000-06-01 In this in depth look at hymns Brian Wren explores the theological significance of congregational song asks how music has meaning for its singers and considers the importance of contemporary worship music He argues that a hymn is a complex art form deserving of recognition and study for its contributions to worship education and pastoral care **The**

Resilience of Conservative Religion Joseph B. Tamney, 2002-02-11 The recent growth and popularity of conservative churches contradicts the idea that late modern societies have outgrown the need for such relics of the past as traditionalist religions In this book Joseph Tamney offers an explanation for this this apparent incongruity by looking at the case of growing popular conservative Protestant congregations in the United States His findings represent a synthesis of ideas from supporters of secularization theory and from those who stress the competitive market of churches in America as a factor in church growth **Rethinking Identities in Contemporary Pakistani Fiction** A.
