Deborah Spungen

So Call It A Mitzvah:

So Call It a Mitzvah Walter Weiner, 1978-04-01 **Getting Old Is Murder** Rita Lakin, 2005-10-25 She's not Miss Marple. Her friends are no Charlie's Angels. Nevertheless, 75-year-old Gladys Gold and her gang of eccentric Fort Lauderdale retirees are out about and hunting down a killer, one who is silently stalking them. Selma Beller was the first to go, but Gladys and her neighbors never suspected murder until another of their friends died in an eerily similar way. Now a handsome young detective won't listen to them. Hy Binder won't stop telling them dirty jokes, and crazy old Greta Kronk is doing everything humanly possible to make herself into a suspect. But amid the endless rounds of poolside kibitzing, early bird specials, bittersweet memories, and interminable grocery shopping trips, Gladys and her gals are about to discover how the murders are being committed. And when it comes to catching this culprit, time really is running out. **Ladies of the Lounges** Christine Strevinsky, 2002-10-01 *Ladies of the Lounges* is set in the early 1970s, a time when there indeed was a department store named Holmes in New Orleans which observed the amenities of serving coffee to its early customers. It is the story of one day in the lives of six elderly women whose paths cross simply because all of them happen to be the aficionados of this particular store. Two of them are immigrants, the rest native Southerners, New Orleanians. In the course of that one day, their lives change dramatically in ways none of them could have foreseen. *And I Don't Want to Live This Life* Deborah Spungen, 2011-10-12 Honest and moving. Her painful tale is engrossing. *Washington Post Book World*: For most of us, it was just another horrible headline. But for Deborah Spungen, the mother of Nancy, who was stabbed to death at the Chelsea Hotel, it was both a relief and a tragedy. Here is the incredible story of an infant who never stopped screaming, a toddler who attacked people, a teenager addicted to drugs, violence, and easy sex, a daughter completely out of control who almost destroyed her parents' marriage and the happiness of the rest of her family. *Crime and Punishment in Jewish Law* Walter Jacob, Moshe Zemer, 1999 The Freehof Institute of Progressive Halakhah is a creative research center devoted to studying and defining the progressive character of the halakhah in accordance with the principles and theology of Reform Judaism. It seeks to establish the ideological basis of Progressive halakhah and its application to daily life. The Institute fosters serious studies and helps scholars in various parts of the world to work together for a common cause. It provides an ongoing forum through symposia and publications, including the quarterly newsletter *HalakhaH* published under the editorship of Walter Jacob in the United States. The foremost halakhic scholars in the Reform, Liberal, and Progressive rabbinates, along with some Conservative and Orthodox colleagues as well as university professors, serve on our Academic Council. Book jacket. **The Inner Stream Torah Insights on the Parsha of the Week** Mohorosh of Heichal Hakodesh Breslov, 2009-11-04 *Inner Stream Insights of Torah: Inspiring and Encouraging Words* by Mohorosh Shlita. On *The Weekly Parsha*, it strikes a chord in every reader as it crystallizes the Torah's timeless wisdom based on the teaching of Rabbi Nachman ZL, and it reveals the insight of Torah on how it is being applied to our daily life. MitzvahChic Gail Anthony Greenberg, 2006-10-03 An

Eighteen Words to Sustain a Life David Patterson, 2023-06-26 In the Jewish tradition going back to Jacob many fathers have written down whatever wisdom they might have attained in their lives in order to pass along that wisdom to their heirs It is called an ethical will Written as a testimony and a testament in an epistolary format this book is a compendium of the wisdom of a father who has spent a lifetime studying the teachings of the Jewish tradition as well as literary and philosophical traditions of the West The insights taken from those traditions which explore the life of the soul are intended for anyone who has a soul The book is organized around eighteen words that form the foundations of human life The number eighteen is taken from the Hebrew word for life chai which has a numerical value of eighteen Among the words at the heart of these reflections are faith goodness responsibility meaning gratitude prayer love and others
