Sixteen pregnant and abandoned by those she loved, Cally Savage learned early to fend for herself, but raising a son on her own hasn't come without a price. It's a decade after Jack's birth, but she's struggling to make ends meet despite taking on a second job as a cleaner at the North Sydney Police Station. On top of her financial woes, her house has recently been burgled, and she's terrified the perpetrator might return.

In desperation, Cally turns to the hot-looking detective at the station and seeks Andy's permission to place a roommate-wanted advertisement on the noticeboard in the squad room. Attracted to Cally's innocent beauty and intrigued by the vulnerability in her eyes, Andy offers to move in with her. The more he gets to know her, the more he wants to be part of her life. But first, he has to break through the barriers she's erected around her heart. Just when things appear to be on track, the man who believed for more than ten years that his child had been aborted discovers Cally's deceit. Enraged, he vows not to give up until he's found his son and punished the woman who lied to him.

*Women and TV Culture in Pakistan* Munira Cheema, 2018-07-30

The television broadcasting culture of Pakistan was changed dramatically in 2002. The President General Pervez Musharraf introduced a policy of liberalisation that enabled controversial issues such as honour killings, adultery, stoning to death, domestic violence, marriage after divorce, and homosexuality to be increasingly depicted on screen.

*Women and TV Culture in Pakistan* is the first in-depth analysis of this change in television content. Munira Cheema focuses on how gender issues are dealt with on TV and examines the impact this has on female viewers. In Pakistan, television is often the only way in which women can access the public sphere, except through male guardians, and this book evaluates how TV content allows them to navigate their intersecting identities as Muslims, women, and Pakistanis. At a time when religious conservatism is on the rise in the country, this book investigates why producers choose to focus on gender-based issues and the extent to which religion dictates social behaviour and broadcasting choices. Based on interviews with women viewers in Karachi, as well as industry professionals including writers, directors, and ratings experts, the research is a much-needed and original contribution to global television studies and gender studies.

While battling evil, he saves the most innocent girl of his dreams, only to be betrayed. His only saving grace is his guardian angel. With his down-to-earth, southern style of writing, Wayne reveals true battles in both the dream world and real life.
