## SOAP Note

Prepared by Sherri R. Williams, Fusion Edge Technologies

### Introduction

The SOAP note herein is a comprehensive documentation of the diagnosis and sessions summary for patient James Young, a 39-year-old male, standing at 5'10" and weighing 170 lbs. This note is constructed against the standard method of documentation in Internal Medicine which encapsulates four main aspects: Subjective, Objective, Assessment, and Plan (SOAP).

| Subjective                                                                                                                                          | Objective                                                                                                                                                 | Assessment                                                                             | Plan                                                                                                                                                |
