Social And Psychological Problems Of Women Prevention And Crisis Intervention

Kristen M. Swanson-Kauffman

Social And Psychological Problems Of Women Prevention And Crisis Intervention:

Social and Psychological Problems of Women Annette U. Rickel, Meg Gerrard, Ira Iscoe, 1984 This book in its diversity of topics reflects the re emergence of concern with women s issues in the last decade and the vigor and pioneering quality of scholarship in the area Such extensive albeit uneven development says something about the state of our society as well for organized scholarship is a form of problem solving part of the process of working through issues that come to the attention of observers of and commentators on the social world Be we can go further By recognizing that the contemporary women s movement is not new but is in keeping with a stream of feminism at least 150 years old we can encourage the current rekindling of interest and consciousness to reflect contemporary events as well xiii foreword

Stress, Social Support, And Women Stevan E. Hobfoll, 2014-03-18 First published in 1986 This book is concerned with the stressors women undergo from adolescence to old age and the resources especially interpersonal resources women use to cope with these stressors There follows a series of chapters that address the use of social support as a resource for coping with stressful life events that confront women in a variety of contexts during their life span

ECONOMIC PROBLEMS OF WOMEN Dr. M. P. Baligar, Psychological Assessment And Treatment Of Persons With Severe Mental disorders Jeffrey R. Bedell, 2013-02-01 First published in 1994 Until recently patients with severe and long lasting mental disorders were treated primarily through hospitalisation and psychotropic medication However now there is a concerted effort to integrate treatment approaches from behavioural and rehabilitation therapies and social skills training This book presents an integration of psychological treatment and assessment practices authored by professionals with established expertise in their subject area Topics of fundamentally important issues have been selected and divided into three sections assessment and treatment planning social and vocational skills development and group and family therapy in rehabilitation This volume can be used as a reference handbook a guide to clinical practice or a classroom text describing the basic psychological approaches that are effective with patients with severe mental disabilities

Disability, Mothers, and Organization Melanie Panitch, 2012-08-06 This book examines how and why mothers with disabled children became activists Leading campaigns to close institutions and secure human rights these women learned to mother as activists struggling in their homes and communities against the debilitating and demoralizing effects of exclusion Activist mothers recognized the importance of becoming advocates for change beyond their own families and contributed to building an organization to place their issues on a more public scale In highlighting this under examined movement this book contributes to the scholarship on Disability Studies Women s Students Sociology and Social Movement Studies

Anger Disorders Howard Kassinove, 2014-02-25 Anger is a daily experience It is encountered in a number of interpersonal family and occupational situations Research indicates that even normal parents worry that they will lose control of their anger and harm their children When short lived and of low intensity anger may be of some help to us in

contrast when it is persistent and intense it is typically highly disruptive This text reviews facts and theories of anger Anger is differentiated from annoyance fury rage hostility and the behaviours of aggression and violence and attention is paid to understanding anger both as a normal experience and as a clinical disorder Specific anger diagnoses are presented to describe disruptive anger states and traits Anger in criminal populations is also discussed and behaviour analytic cognitive constructivist and cross cultural perspectives are presented in detail The book argues that it is important to understand the causes correlations and outcomes of anger and to develop effective remediation programmes when anger is excessive and disruptive Thus following a meta analyses of the effectiveness of published treatments two chapters present ideal therapy programmes for adult and childhood adolescent anger disorders Finally a model is presented to help understand anger development and resolution Affect, Creative Experience, And Psychological Adjustment Sandra W. Russ, 2015-11-17

Previously neglected more and more affect and creativity is recognized as an area that is important and exciting area to investigate This book presents the very latest ideas and research by leaders in the field about the role of affect in the creative process Affect Creative Experience and Psychological Adjustment is an arena where new theories and concepts can be presented research findings compared and discussed methodological issues debated and future research outlined Key questions in affect and creativity focus on identifying specific affective processes that are most important in creativity discovering the underlying mechanisms that account for the relationships between affect and creativity exploring differential effects of various types of affect such as positive and negative affect on creativity and understanding how these things relate to psychological adjustment As with any new line of research investigation there is a fermenting of ideas speculations research findings hunches methodological issues and tests of theoretical models that evolves into a clear vision of heuristic theoretical models and identification of the most important research questions This book contributes to that process in the area of affect and creativity **Women's Work, Families, and Health** Kristen M.
