## **Social Psychology 3rd Ed:**

**EBook: Social Psychology 3e** David Myers, Jackie Abell, Fabio Sani, 2020-08-21 Social psychology has a profound influence on our everyday lives from our shopping habits to our interactions at a party. It seeks to answer questions that we often think and talk about: questions such as What circumstances prompt people to help or not to help? What factors influence the ups and downs of our close relationships? Why do some people behave differently when on their own compared to in a group? What leads individuals sometimes to hurt and other times to help one another? Why are we attracted to certain types of people? How do some persuade others to do what they want? This new edition of Social Psychology has been revised to introduce a more flexible structure for teaching and studying. It includes up to date international research with an emphasis throughout on its critical evaluation. Applied examples across the chapters help to highlight the relevance and hence the impact that the theories and methods of this fascinating subject have upon the social world.

**Key Features Include:**

- Research Close Up:** Following a brand new style, this feature matches the layout used in research papers, providing an accessible introduction to journal articles and the research methods used by social psychologists.
- Focus On:** Fully revised, these boxes look at opposing viewpoints, controversial research, or alternative approaches to the topics. This offers a more critical outlook and prompts the questioning of the validity of published research.
- Recommended Readings:** New to this edition, recommended further readings of both classic and contemporary literature have been added to each chapter, providing a springboard for further consideration of the topics.

**Connect Psychology:** is McGraw Hill's digital learning and teaching environment. Students You get easy online access to homework tests and quizzes designed by your instructor. You receive immediate feedback on how you're doing, making it the perfect platform to test your knowledge.

**Lecturers Connect:** gives you the power to create auto graded assignments, tests and quizzes online. The detailed visual reporting allows you to easily monitor your students' progress. In addition, you can access key support materials for your teaching, including a testbank, seminar materials, and lecture support. Visit <http://connect.mcgraw-hill.com> for more details.
