The Bride Of Suleiman:

The Bride of Suleiman Aileen Crawley,1981 **The Bride Box** Michael Pearce,2013-08-12 In WWI Egypt a murdered girl and her runaway sister lead the Khedive's head investigator to an underground slave trade in this deftly plotted mystery Booklist starred review Cairo 1913 Pasha Ali Maher has received an unexpected gift a traditional Bride Box But what should contain treasures anticipating a marriage instead contains the body of the would be bride herself At the same time a little girl is discovered riding under a train from Luxor having escaped from her captors and the Mamur Zapt Head of the Khedive's Secret Police is called in to investigate Though the two girls are discovered to be sisters the Pasha and his lady insist they have no connection to the crimes And as British rule begins to falter throwing the Mamur Zapt into political turmoil his investigations uncover a still thriving slave trade that was supposed to have been stamped out in Egypt long ago This is a deftly plotted cleverly written highly entertaining mystery but it's the gentle humor and the warmth of the characters that earns it two thumbs decisively up Booklist starred review *Suleiman's Ring* Sherif Meleka,2023-03-14 An enchanted ring brings good fortune to an Egyptian oud player in this compelling novel combining elements of magical realism with political history Can one man or a mere ring alter the events of one's life and the history of a country Combining elements of magical realism with momentous history Suleiman's Ring poses these questions and more in a gripping tale of friendship identity and the fate of a nation Alexandria Egypt on the eve of the 1952 Free Officers revolution Daoud a struggling musician is summoned with his best friend Sheikh Hassanein to a meeting with Lt Col Gamal Abdel Nasser who seeks their help as he mobilizes for the revolution Daoud lends Nasser an enchanted silver ring for its powers to bring good luck The revolution succeeds but Daoud soon grows estranged from Hassanein who has joined the Muslim Brotherhood after he suggests that Daoud leave Egypt since as a Jew he is no longer welcome When Hassanein is arrested however destiny draws Daoud into a complex web of sexual intrigue and betrayal that threatens to upend his already precarious existence Set against the backdrop of the simmering political tensions of mid twentieth century Egypt and the Arab Israeli wars Sherif Meleka's story of fate and fortune transports us to another time and place while peeling back the curtain on events that still haunt the country to this day To Be Continued Hope Apple,Merle L. Jacob,2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until To Be Continued debuted in 1995 Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series To Be Continued Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles publishers publication dates genre categories annotations and subject terms Among the genre categories that can be found in To Be Continued are romance science fiction crime novel horror adventure fantasy humor western war Christian fiction and others *Sultana's Dream and Padmarag* Rokeya Hossain,2022-08-09 One of the first science fiction utopian stories and one of the first feminist utopias by celebrated pioneering feminist educator activist and Bengali writer

Rokeya Hossain A Penguin Classics Edition Sultana a Muslim woman living in colonial India falls asleep and wakes up in a transformed future world a utopia in which men rather than women are relegated to the domestic sphere Women now free to explore the outside world at will and pursue an education run a peaceful and just society using scientific principles to harvest energy from the sun and live in harmony with nature Sultana s Dream was published in 1905 in the Indian Ladies Magazine the first English language periodical edited by and targeted at Indian women Like the periodical the story broke new ground As a pioneering work of science fiction and feminist utopian literature at the turn of the century Sultana s Dream is strikingly advanced in its critique of patriarchy war industrialization and the exploitation of the natural world speaking to the concerns of our contemporary world as much as its own At a time when British colonialism was using the treatment of women in India as justification for colonial intervention there Hossain s story in imagining a world in which men rather than women are kept inside positions her protest against Islamic patriarchy within a larger feminist vision that takes on Western as well as Islamic forms of gender hierarchy Her novella Padmarag is similarly utopian in its depiction of a women run school and welfare center and is both feminist and anti colonial in its outlook In both these works Hossain seizes the critique of gender roles in India away from Western commentators and turns it against British interference while also enlarging the critique to take on the problem of gender more broadly

Addicted to Love Tom Mathews, 2015-03-06 Relationships often hit a road block when two lovers with differing backgrounds of race and faith lose their initial fervor of love and face the hard realities of married life It is further complicated by parents who interfere with their forgiving flow of love for each other by demand of strict adherence to their religious beliefs and practices This story is based on someone I knew and the tragic developments following Marias union though highly fictionalized is emotionally charged No inferences are to be made from one or the others character in the story based on their racial ethnic or religious affiliation To many of the new immigrants America is a promised land where they can realize their dreams and attain opportunities and financial betterment However animosity and racial prejudices run rampant among these diverse groups It seems everyone at times is guilty of these hateful thoughts although the degree of their prejudices vary from mild to monstrous I am attempting to reflect the foreboding thoughts that creep into the young minds when things go wrong which in turn adds fuel to the burning fire of discord in their married life Please remember that realism prevails in the text of this novel

Sultana's Dream Rokeyā (Begama), 2005 Widely regarded as Bengal s earliest and boldest feminist writer Rokeya Sakhawat Hossain 1880 1932 was a pioneering and creative educationist and social activist and the school she founded in Kolkata the Sakhawat Memorial School for Girls still thrives *Sultana s Dream* written in English 1905 is a delightful satirical work set in Ladyland where the men are in purdah and the women go out and work An extraordinary novella with generous dashes of melodrama and romance disasters and coincidences *Padmarag* written in Bengali 1924 and translated here for the first time describes a female founded and female administered community set in contemporary Bengal where women from diverse regions and ethnicities with unhappy histories of patriarchal oppression better their lot by concrete social action Both *Sultana s Dream* and *Padmarag* discuss in playful fascinating and intelligent ways the question of women s education
