The Bridge Of Beyond:

The Bridge of Beyond Simone Schwarz-Bart, 2013-08-20 This is an intoxicating tale of love and wonder mothers and daughters spiritual values and the grim legacy of slavery on the French Antillean island of Guadeloupe Here long suffering Telumee tells her life story and tells us about the proud line of Lougandor women she continues to draw strength from Time flows unevenly during the long hot blue days as the madness of the island swirls around the villages and Telumee raised in the shelter of wide skirts must learn how to navigate the adversities of a peasant community the ecstasies of love and domestic realities while arriving at her own precious happiness In the words of Toussine the wise tender grandmother who raises her Behind one pain there is another Sorrow is a wave without end But the horse mustn't ride you you must ride it A masterpiece of Caribbean literature The Bridge of Beyond relates the triumph of a generous and hopeful spirit while offering a gorgeously lush imaginative depiction of the flora landscape and customs of Guadeloupe Simone Schwarz Bart's incantatory prose interwoven with Creole proverbs and lore appears here in a remarkable translation by Barbara Bray

The Bridge and Beyond Tasnimur Rahman Alias Aathar T., 2025-02-27 In a quaint town nestled amidst the rolling hills and meandering rivers of North India life moved to the rhythm of the seasons This tranquil enclave split in two by a wide irrigation canal flowing through it with its narrow winding lanes and lush fields was home to stories that whispered through the ages stories of dreams and destinies intertwined Among these tales was the journey of a young boy Anil With a heart brimming with curiosity and courage He saw the world not just as it was but as it could be The town's ancient brick and stone bridge a silent sentinel over the river was his gateway to the unknown This is the story of Anil a boy whose spirit of adventure and imagination bridged the gap between the known and the unknown in a town where the mundane and the historical danced together Welcome to The Bridge and Beyond *The Bridge of Beyond* Simone Schwarz-Bart, 2008
