The Brave Cowboy:

Brave Cowboy Edward Abbey, 1992-04-01 The Brave Cowboy Jack Burnes is a loner at odds with modern civilization A man out of time he rides a feisty chestnut mare across the New West a once beautiful land smothered beneath airstrips and superhighways And he lives by a personal code of ethics that sets him on a collision course with the keepers of law and order Now he has stepped over the line by breaking one too many of society's rules The hounds of justice are hot in his trail But Burnes would rather die than spend even a single night behind bars And they have to catch him first **The Brave Cowboy** Edward Abbey, 2011-08-19 A cowboy takes on the forces of twentieth century tyranny in a tale by the Thoreau of the American West that became the classic film *Lonely Are the Brave* Larry McMurtry Pulitzer Prize winning author of *Lonesome Dove* A rugged individualist and sometime ranch hand Jack Burns has no love for the modern world He is a man out of time riding his horse through a Southwestern landscape corrupted by concrete shopping centers and superhighways A stubborn loner he lives by a personal moral code that often sets him at odds with contemporary society And he wouldn't have it any other way When Jack's brazen attempt to free a jailed friend fails the anarchist cowboy becomes an outlaw overnight Suddenly he and his chestnut mare are racing toward the New Mexican high country with the state police the military and the FBI in hot pursuit His private war against authority has reached a dangerous new level But if the powerful forces aligning against him think that Jack is going to go quietly they've got another think coming The Houston Chronicle called Edward Abbey a fresh breath from the farther reaches and canyons of the diminishing frontier The bestselling author of *The Monkey Wrench Gang* delivers a stirring tribute to individualism and the vanishing American hero Brought to the big screen in 1962 as *Lonely Are the Brave* a major motion picture starring Kirk Douglas and Walter Matthau *The Brave Cowboy* is a moving and thought provoking fable of the modern American West *The Brave Cowboy* Edward Abbey, 1980 *The Brave Cowboy*, 2000-10 The Brave Cowboy was originally published in 1959 Harcourt Brace Co and sold over 230 000 copies in four languages Although the book has been out of print for over 15 years a faithful following of the work is still evident as fans continue to post glowing reviews on Amazon.com New fans of the work are sure to emerge as well because of the irresistible story Joan offers of one boy's special day of imaginative adventure This adorable gift book for children features Joan's black and red line drawings on cream colored stock The red illustrations represent the brave cowboy's imaginary world of bandits rattlesnakes stagecoaches and fair maidens Joan's inspiration for the main character came from her son when he was about three years old **The Brave Cowboy** Joan Walsh Anglund, 1976-01-01 Imaginary adventures with Indians wild animals and outlaws keep a little cowboy busy **The Brave Cowboy** Martin Lokel, 2023-07-24 The Brave Cowboy is an inspiring thriller set in the untamed lands of the Wild West The story revolves around Jack a brave and noble cowboy who has become a legend in his own right From his lightning fast draw and expert marksmanship to his unwavering determination and kind heart Jack embodies the essence of a true hero The story unfolds with Jack being challenged to a duel by the notorious

outlaw Black Eyed Pete The entire town warily gathers as a cowboy faces off on a dusty street Jack s exceptional skills and courage prevail when he shoots Pete s gun out of his hand without firing a shot to the admiration and applause of the townspeople But Jack s courage does not end there When a massive thunderstorm separates a herd of cattle from their farm he embarks on a daring mission to rescue the stranded animals Armed with nothing but his rope and determination he fearlessly braves the raging storm offering his expertise in snagging and saving the livelihoods of grateful ranchers As the story continues Jack s heroism takes him on more adventures He thwarts a bank robbery showing not only his exceptional fighting skills but also his commitment to protecting the townspeople s hard earned savings Jack s reputation as a hero grows and he becomes a symbol of hope in the Wild West inspiring others to follow the path of justice and mercy One of the most notable achievements in the story is when Jack takes on the challenge of taming a wild stallion feared by all who encounter him With patience empathy and kindness he earns the horse s trust and forms an unbreakable bond taming the once beast into his loyal companion Finally the climax of the tale comes when Jack leads a brave band of ranchers and lawmen in a daring attack on a gang of outlaws terrorizing the area from their stronghold of Devil s Valley Despite being outnumbered Jack s strategic mind and exceptional fighting skills turn the tide of battle restoring peace and justice to the land Throughout the story The Brave Cowboy stands as a symbol of courage unity and the indomitable spirit of the Wild West His unwavering commitment to justice his ability to see beyond the surface and his empathy for both humans and animals make him a true hero in every sense of the word The tale of The Brave Cowboy is a story of triumph over adversity friendship forged in the face of danger and the enduring power of compassion and unity It serves as a constant reminder that heroes can be found in the most unexpected of places and that the Wild West with all its dangers and challenges is also a place of remarkable courage and heroism
