[Cathrin Bradbury](#), 2021-03-02 Anyone who has had their life completely gutted and rewired will adore this family story Bradbury's dark humour and gloriously upbeat voice makes it the perfect antidote to a tough year I loved it Plum Johnson author of *They Left Us Everything* The hilarious and moving story of how a modern woman's life can change utterly in a single year and how even when life whacks you in the head you can find yourself rewarded with grace Cathrin Bradbury

s life imploded in the space of a few months Her beloved parents died her marriage limped to an end after twenty five years her heavily mortgaged house turned against her and a promising new romance ended in crushing disappointment But somewhere in that year a new path or three or four began to open up As Bradbury navigates the setbacks her troubled brother makes an astounding recovery to health and sobriety She is reunited with her closest childhood friend after a long absence with deeply satisfying results She and her four siblings feel their way to becoming a new kind of family without their parents And her adult children emerge into sharper focus each gloriously and uniquely themselves Slowly she discovers that the path is steep the view obscured but there s light ahead Cathartic hilarious and profoundly moving *The Bright Side* broadens the way we think and talk to each other about the ordinary experiences we all share A master of the uncomplaining voice Bradbury combines grace and humanity to look at the world unflinchingly and see what makes it wonderful and absurd at the same time and to let us all in on the secret
