The Brightness Of His Presence:

The Etonian ,1821 The Parousia Israel Perkins Warren,1879 **A Bible Study Investigation into Our Relationship to God and into ?The Time of the End?** Trevor Pope,2011-03 Throughout the entire Christian era Adventist groups have been announcing that the return of Jesus Christ is imminent This book is a reminder that until some awesome prophecies of which Jesus warned have been fulfilled His return cannot be imminent When questioned about the signs preceding His return Jesus warned of deception of international hatred of Christians and of the prophet Daniel s forecast of an unprecedented time of trouble that would almost destroy mankind To those in Thessalonica long ago who believed the Lord s return was imminent the apostle Paul wrote You must allow no one to deceive you in any way That day cannot come until the Great Rebellion has taken place Quoting from Daniel Paul describes an appalling rebel and how the Lord s appearing will remove him Despite these warnings from Jesus and Paul many Christians today regard these old prophecies as largely metaphorical and as having been fulfilled To their infinite loss they overlook them and perpetuate the age old prediction that the Lord s return is imminent In contradiction to that many prophecies related herein prove that the three and a half years of the time of the end have not yet begun **Portraits of God** Allan Coppedge,2001 What is God like Answering this is the great quest of human existence Because God is so different from us we struggle to describe him While doctrinal statements about God certainly have their place in Christian understanding the Bible more often uses God s actions and roles to help us know him better Indeed some of the most helpful insights in Scripture arise when God is compared to something else a rock an eagle or a tower And many human metaphors metaphors taken from the world of actions and relationships bring us even closer to understanding of God In Portraits of God Allan Coppedge suggests we look carefully at God as our Father Redeemer King Judge Priest and Creator These portraits taken together give us an understanding of the Holy One for which no single category is adequate These images work their way through the whole of Scripture They are the doorway allowing us into the mysteries of God s very being In Portraits of God Coppedge offers a comprehensive survey picturing a God who wants to be known personally and who has profoundly communicated himself Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles Approaching God in this way transforms us as churches and individuals to reflect God s own holy character This is a book for students pastors and churchgoers alike Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth Southern Presbyterian Review ,1859 **The Interpreter** ,1905 **The Unfading Light** Caroline Davenport Swan,1911 The Whole Works of John Bunyan ...
