God, Harlem U.S.A. Jill Watts, 1992-01-10 How did an African American man born in a ghetto in 1879 rise to such religious prominence that his followers addressed letters to him simply God Harlem U S A Using hitherto unknown materials Jill Watts portrays the life and career of one of the twentieth century s most intriguing religious leaders Father Divine Starting as an itinerant preacher Father Divine built an unprecedented movement that by the 1930s had attracted followers across the nation and around the world As his ministry grew so did the controversy surrounding his enormous wealth flamboyant style and committed angels black and white rich and poor alike Here for the first time a full account of Father Divine s childhood and early years challenges previous contentions that he was born into a sharecropping family in the deep South While earlier biographers have concentrated on Father Divine s social and economic programs Watts focuses on his theology which gives new meaning to secular activities that often appeared contradictory Although much has been written about Father Divine God Harlem U S A finally provides a balanced and intimate account of his life s work *Craving the Divine* Niles Elliot Goldstein, 2007 This compelling book *Craving the Divine* brings us a message of particular relevance today namely that a journey through the wilderness be it emotional existential or geographical can be a transformative and strengthening process even though it may not seem so at the time In chronicling the stories of survivors who have traveled through perilous and at times unexplored territory Goldstein not only shows us how to face the challenges of being human but also delivers a promise of meaning direction and hope in our lives *Craving the Divine* interweaves stories of contemporary men and women whom the author has met through his work as a rabbi and law enforcement chaplain with those of biblical figures such as Cain David and Bathsheba Samson and several prophets and mystics Goldstein s words of comfort and inspiration will appeal to secular and religious readers alike Book jacket **Not Simply Divine** Bernard Jay, 1994-08-10 Divine s former personal manager takes readers through a labyrinth of American subcultures countercultures and glimmering nightlife to tell this no holds barred story of a man who did anything to become a star Another breathtaking work from Simon Schuster *Not Simply Divine* is he biography that tells all exploring the subcultures of America experimental movies gay theater glittering nightlife base debauchery the world of Divine the cross dressing cult hero whose sudden death came on the eve of his greatest stardom **Classified Catalog of the Carnegie Library of Pittsburgh. 1895-1902. In Three Volumes** Carnegie Library of Pittsburgh, 1907 Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh, 1907 *Gifts for the Gods* Marsha Hill, Deborah Schorsch, Metropolitan Museum of Art (New York, N.Y.), 2007 Throughout their long history the ancient Egyptians crafted exquisite statues of bronze copper silver and gold as offerings to their gods and for use in temples and shrines This title focuses on the art and significance of Egyptian metal statuary presenting insights and up to date information on this precious work Divine Intervention Daniel Fazzina, 2014-08-05 God is real and at work in the world today Talk show host Daniel Fazzina is no stranger to the

supernatural Through his radio program he has encountered people from all over the world with miraculous stories that defy explanation and he has experienced miracles in his own life including dramatic healings from cancer and chronic back pain Divine Intervention shares these amazing stories including Medically documented divine healing Deliverance from alcoholism and addiction Freedom and salvation in Jesus Christ for a Muslim terrorist and much more **God Being Nothing** Ray L. Hart, 2016-05-09 One of the most influential voices in contemporary theology delivers a deeply original meticulously written new approach to the way we think about God Jack Miles author of *God A Biography* In this long awaited work Ray L Hart offers a radical speculative theology that profoundly challenges classical understandings of the divine God Being Nothing contests the conclusions of numerous orthodoxies through a probing question How can thinking of God reach closure when the subjects of creation are themselves unfinished when God s self revelation in history is ongoing and when the active manifestation of God is still occurring A renowned theologian and author of the landmark text *Unfinished Man and the Imagination* Ray L Hart now asks us to imagine God perpetually in process an unfinished God being self created from nothingness Breaking away from the traditional focus on divine persons Hart reimagines the Trinity in terms of theogony cosmogony and anthropogony in order to reveal an ever emerging Godhead who encompasses all of temporal creation and within it human existence In Hart s stunning vision God s continual generation from nothing manifests the full actualization of freedom the freedom to create ex nihilo Ingersoll to the Clergy Robert Green Ingersoll, 1896 *The Church God Blesses* Jim Cymbala, Stephen Sorenson, 2010-12-21 God Is Looking For A Church To Bless God wants to transform his church into a people of power joy and peace Jim Cymbala reminds us that Christianity is only as strong as the local church and that God wants to bless our churches in ways we can t possibly imagine It doesn t matter whether a church is alive and growing or barely surviving on life support God has a plan for it It doesn t matter whether a church is facing financial challenges internal divisions or strife among its leaders God has a plan for it God is able to deal with any problem a church will ever face as long as his people earnestly seek him As the pastor of The Brooklyn Tabernacle Cymbala knows that God s blessing and grace is available to us today just as much as it was in the early church when thousands of people became believers despite the fact that the church lacked everything we consider vital church buildings seminaries printed materials sound systems choirs and money None of these things mattered What mattered was that God s hand was on the church working through his people to build the kingdom Then as now God chose the church to manifest his presence to the world In this companion book to *The Life God Blesses* Cymbala describes the kind of church God wants to bless and use Based on the Word of God and personal experience *The Church God Blesses* describes the key elements found in a vitally alive church and offers church leaders and individual Christians a fresh and invigorating look at what God intends the church to be The church God blesses is not necessarily the largest newest or loudest church in town Instead it s a place where believers Receive solid spiritual nourishment Can trust in God s protection Engage in vital praise and worship Become effective in ministry Learn that

confession of sin is the channel to God's power
