The Buenos Aires Affair

Manuel Puig

The Buenos Aires Affair:

The Buenos Aires Affair Manuel Puig, 1980 *The Buenos Aires Affair* Manuel Puig, 2010 Manuel Puig's masterful and ironic detective novel concerns the abduction of a woman, an impending murder and the dim memories of a thousand old glamour queens: Garbo, Dietrich, Veronica Lake, Rita Hayworth, all combining to make a powerful portrait of two decidedly unglamorous lives: Gladys Hebe D. Onofrio, a lonely 35-year-old sculptor tormented by her fantasies and perpetually in search of the ideal lover; and Leo Druscovich, an outwardly confident and successful art critic deeply troubled by a terrible guilt that surfaces in his repeated sexual failures. Taking on exchanging and growing into the roles of victim and criminal, their lives presented through a variety of different kinds of evidence: lists, scribbled notes, transcripts, one-sided interrogations. These two lost souls gradually find themselves entirely dependent on one another and heading towards precisely the sort of violent ending a detective novel demands.

The Buenos Aires Affair Manuel Puig, 1980 **The Buenos Aires affair** Manuel Puig, 1973 Cinematic Qualities in Manuel Puig's *The Buenos Aires Affair* Derek T. Frost, 1992 The Great Bridge Scandal Alan Truscott, 2004 In 1965 the bridge world was rocked by an accusation of cheating at the world championships in Buenos Aires. The pair involved were Britain's Terence Reese and Boris Schapiro, two of the world's best players. Now almost fifty years later, the true inside story can be told: the investigation, the accusation and the very different results of the World Bridge Federation and British Bridge League inquiries.

Manuel Puig and the Spider Woman Suzanne Jill Levine, 2022-08-23 Manuel Puig's third novel was banned by the Peronist government for irreverence. His influence was already felt though even by writers who had dismissed him and by the time the film version of *Kiss of the Spider Woman* became a worldwide hit, he was a renowned literary figure. Puig's way of life was as unconventional as his fiction: he spoke of himself in the female form in Spanish, renamed his friends for his favorite movie stars, referred to his young male devotees as daughters, and as a perennial expatriate lived often with his mother everywhere from Rome to Rio de Janeiro.

Motives for Fiction Robert Alter, 1984 For many serious readers, Robert Alter writes in his preface, the novel still matters, and I have tried here to suggest some reasons why that should be so. In his wide-ranging discussion, Alter examines the imitation of reality in fiction to find out why mimesis has become problematic yet continues to engage us deeply as readers. Alter explores very different sorts of novels, from the self-conscious artifices of Sterne and Nabokov to what seem to be more realistic texts such as those of Dickens, Flaubert, John Fowles, and the early Norman Mailer. Attention is also given to such individual critics as Edmund Wilson and Alfred Kazin, and to current critical schools. In Alter's essays, a particular book or movement or juxtaposition of writers provides the occasion for the exploration of a general intellectual issue. The scrutiny of well-chosen passages, the joining of images or themes or ideas, the associative and intuitive processes that lead to the right phrase and the right loop of syntax for the matter at hand—all these come together unexpectedly to illuminate both the text in question and the general issue. Recent discussions of mimesis in fiction generally proceed from a single thesis. By contrast, *Motives for*

Fiction offers an empirical approach attempting to define mimesis in its various guises by careful critical readings of a heterogeneous sampling of literary texts Intelligent and good humored the book is also old fashioned enough to wonder whether mimesis might not be a task or responsibility to which much contemporary fiction has not proved entirely adequate

The Cinematic Novel and Postmodern Pop Fiction Décio Torres Cruz, 2019-12-05 D cio Torres Cruz approaches connections between literature and cinema partly through issues of gender and identity and partly through issues of reality and representation In doing so he looks at the various ways in which people have thought of the so called cinematic novel tracing the development of that genre concept not only in the French cin roman and film scenarios but also in novels from the United States England France and Latin America The main tendency he identifies is the blending of the cinematic novel with pop literature through allusions to Pop Art and other postmodern cultural trends His prime exhibits are a number of novels by the Argentinian writer Manuel Puig Betrayed by Rita Hayworth Heartbreak Tango The Buenos Aires Affair Kiss of the Spider Woman and Pubis angelical Bringing in suggestive sociocultural and psychoanalytical considerations Cruz shows how in Puig s hands the cinematic novel resulted in a pop collage of different texts films discourses and narrative devices which fused reality and imagination into dream and desire

Psychoanalysis and Narrative Jorgelina Corbatta, 2024-08-14 Psychoanalysis and Narrative analyzes narrative in literary fiction film and autobiography through different psychoanalytic lenses including gender and socio cultural perspectives This book aims to demonstrate how fictionists and film makers have intuitively developed through their own creativity many of the psychoanalytic discoveries about the human mind Subverting the usual direction of applied psychoanalysis the book goes from creativity to psychoanalysis and focuses on four internationally known Argentine writers Jorge Luis Borges Julio Cort zar Manuel Puig and Luisa Valenzuela two Argentine women filmmakers Lucrecia Martel and Luc a Puenzo and French essayist and writer Serge Doubrovsky This volume will be of interest to students and academics interested in autobiography and autofiction

Thank you very much for downloading **The Buenos Aires Affair**. Most likely you have knowledge that, people have look numerous time for their favorite books next this The Buenos Aires Affair, but stop taking place in harmful downloads.

Rather than enjoying a good ebook in the manner of a cup of coffee in the afternoon, instead they juggled next some harmful virus inside their computer. **The Buenos Aires Affair** is open in our digital library an online entrance to it is set as public correspondingly you can download it instantly. Our digital library saves in compound countries, allowing you to get the most less latency time to download any of our books later than this one.
