The Atlantic Companion to Literature in English Ed. Mohit K. Ray, 2007-09. Intended to serve the academic needs of the students of English literature, the companion is an ultimate literary reference source providing an up-to-date comprehensive and authoritative biographies of novelists, poets, playwrights, essayists, journalists and critics ranging from literary giants of the past to contemporary writers like Peter Burnes (1931-2004), Anthony Powell (1905-2000), Patrick O'Brian (1914-2000), Iris Murdoch (1919-1999), Grace Nichols (1950-), and Douglas Adams (1952-2001). Over the last few decades, English literary canon has become relatively more extensive and diverse in recognition of the significance of the new literatures in English. Special emphasis has been given on the writers of these literatures. In addition, the Indian writers writing in English have been given a prominent place in the book, thereby making it particularly useful for the students of Indian English literature. The companion is unique of its kind as it gives a broad outline of the story and not merely a brief account of the plot structure of a literary work so as to enable the students to have a fairly good idea of the story. Likewise, before getting down to the writings of an author, the companion provides an invaluable and authoritative biographical note, believing that an author's biography facilitates proper understanding of his/her contributions on account of its clear and reliable plot summaries and descriptive entries of major works and literary journals and authentic biographical details. The companion is a work of permanent value. It is undoubtedly an indispensable and path-breaking handy reference guide for all those interested in literatures in English produced in the United Kingdom, the United States, Canada, Australia, Africa, the Caribbean, India and other countries.

The Stepmother's Diary Fay Weldon, 2013-11-05. I read my daughter's diaries the other day. You may find that despicable, but let me share with you. You think truly dreadful things only happen in other countries, other cultures far away, but they also happen in your own back yard and to the nicest people. Sappho was so happy when she married Gavin. She was in love and it seemed that at last everything was falling into place. But she hadn't considered his daughter, Isobel. She is a delightful, charming girl who spends her school holidays caring for the elderly and is the apple of Gavin's eye. Now cast in the role of Wicked Stepmother, Sappho tries all she can to befriend Isobel and find her place in the new family. It's not easy, but no one had promised it would be. Sappho perseveres. But she has a history, and the history works against her. When it becomes clear that contrary to popular belief it is Isobel who steals Gavin

s love and attention and Sappho who must fight for his affection Sappho is at a loss How can she win her husband back With warmth wit and her unique insights into the workings of the female mind Fay Weldon has written a brilliant unsettling new novel about family life today *The Cambridge Companion to Popular Fiction* David Glover, Scott McCracken, 2012-04-05 Popular commercial fiction emerged in the nineteenth century with serialised novels and sensational penny dreadfuls Today it remains a multi million dollar industry giving pleasure to many but it is also a field of growing interest for scholars and students of literature This Companion covers the major developments in the history of popular fiction with specially commissioned chapters on pulp fiction bestsellers and comics and graphic narratives The volume also examines the public and personal everyday contexts within which popular texts are read highlighting the ways in which such narratives have circulated across a variety of constantly changing media including theatre television cinema and new computer based digital forms Case studies from key genres crime fiction romance and Gothic horror as well as a full chronology and guide to further reading make this collection indispensable to all those interested in this complex and vibrant cultural field *Modern British Women Writers* Vicki K.
