The Bulkies Police And Crime In Belfast 1800 1865:

The Bulkies Brian Griffin,1997 In Ireland the story of nineteenth century policing has been dominated mainly by studies of the Royal Irish Constabulary and to a lesser extent of the Dublin Metropolitan Police This book tells the story of the forgotten force of Irish police history the Belfast Borough Police or Bulkies **The Policing of Belfast 1870-1914** Mark Radford,2015-04-23 The Policing of Belfast 1870 1914 examines the Royal Irish Constabulary RIC in late Victorian Belfast in order to see how a semi military largely rural constabulary adapted to the problems that a city posed Mark Radford explores whether the RIC as the most public face of British government was successful in controlling a recalcitrant Irish urban populace This examination of the contrast in styles between urban and rural policing and semi rural and civil constabulary offers an important insight into the social political and military history of Ireland at the turn of the twentieth century The book concludes by showing how governmental neglect of the force and its failure to comprehensively address the issues of pay and conditions of service ultimately led to crisis in the RIC **Prostitution and Irish Society, 1800-1940** Maria

Luddy,2007-12-13 The first book to tackle the controversial history of prostitution in modern Ireland *A History of the Dublin Metropolitan Police and its Colonial Legacy* Anastasia Dukova,2016-10-10 This book illuminates the neglected history of the Dublin Metropolitan Police a history that has been long overshadowed by existing historiography which has traditionally been preoccupied with the more radical aspects of Irish history It explores the origins of the institution and highlights the Dublin Metropolitan Police s profound influence on the colonial forces as its legacy reached some of the furthest outposts of the British Empire In doing so Anastasia Dukova provides much needed nuance and complexity to our understanding of Ireland as a whole and Dublin in particular demonstrating that it was far more than a lawless place ravaged by political and sectarian violence Simultaneously the book tells the story of the bobby on the beat the policeman who made the organisation his work and day the conditions of service and how they affected or bettered his lot at home and abroad

The Oxford Handbook of the History of Crime and Criminal Justice Paul Knepper,Anja Johansen,2016 The Oxford Handbook of the History of Crime and Criminal Justice provides a systematic and comprehensive examination of recent developments across criminology and criminal justice Chapters examine methodological and theoretical approaches to criminology on going debates and controversies and contemporary issues such as drug trafficking terrorism and the intersections of gender race and class in the context of crime and punishment *Ireland and Anglo-Irish Relations since 1800: Critical Essays* N.C. Fleming,Alan O'Day,2017-11-30 The Act of Union coming into effect on 1 January 1801 portended the integration of Ireland into a unified if not necessarily uniform community This volume treats the complexities perspectives methodologies and debates on the themes of the years between 1801 and 1879 Its focus is the making of the Union the Catholic question the age of Daniel O Connell the famine and its consequences emigration and settlement in new lands post famine politics religious awakenings Fenianism the rise of home rule politics and emergent feminism

Gendarmes and the State in Nineteenth-Century Europe Clive Emsley, 1999-10-14 The history of police and policing have been the subject of much interest and research in recent years but this book provides the first serious academic exploration of the origins and development of the role of soldier policemen the gendarmeries of nineteenth century Europe The author presents a detailed account of the French Gendarmeries from the old regime up to the First World War and looks at the reasons for how and why this model came to be exported across continental Europe in the wake of the Revolutionary and Napoleonic armies In particular their role is examined within the differing national contexts of Italy Germany and the Habsburg Empire The gendarmeries it is argued played a significant role in establishing the state particularly in rural areas As the physical manifestation of the state gendarmes carried the state's law and a promise of protection whilst at the same time ensuring in turn that the state received its annual levies of conscripts and taxes This account fully explores how the organisation and style of nineteenth century soldier policing in France developed in such a way that it brought the idea of the state and the state's law to much of twentieth century continental Europe

Civic identity and public space Dominic Bryan, Sean Connolly, 2019-06-28 Civic identity and public space focussing on Belfast and bringing together the work of a historian and two social scientists offers a new perspective on the sometimes lethal conflicts over parades flags and other issues that continue to disrupt political life in Northern Ireland It examines the emergence during the nineteenth century of the concept of public space and the development of new strategies for its regulation the establishment the new conditions created by the emergence in 1920 of a Northern Ireland state of a near monopoly of public space enjoyed by Protestants and unionists and the break down of that monopoly in more recent decades Today policy makers and politicians struggle to devise a strategy for the management of public space in a divided city while endeavouring to promote a new sense of civic identity that will transcend long standing sectarian and political divisions

Tropical Leviathan Aaron Graham, 2025-01-24 The colonial Jamaican state was immensely wealthy but it was a society consumed by fear The White population feared the possibility of enslaved rebellion and foreign invasion and the Black population feared their cruel treatment as overworked labourers on Jamaica's brutal but economically productive sugar plantations With the wealthy White population investing heavily in security to protect themselves from the rebelling enslaved majority it was a society at war The wealth of the plantation system meant that White Jamaicans and their imperial representatives were able to secure the finances for this until the last decade of the eighteenth century By the early nineteenth century however the cost was proving increasingly burdensome and the great slave rebellion of 1831-32 proved fatal to the financial and political viability of the colonial state leading to emancipation in the mid 1830s *Tropical Leviathan* re-evaluates the political and economic history of the colonial Jamaican state in the tumultuous age of revolution and abolition With a large body of previous unknown data it provides empirical evidence of a functioning colonial state that contrary to previous interpretations was far from declining in the years immediately before the abolition of the slave trade in 1807 Aaron Graham provides in depth analysis of the ways in which

Jamaica's economy attempted but eventually failed to provide the resources that would maintain Jamaica as a functioning plantation state and explains how the cost of securing the colonial state against enslaved opposition eventually led to near state bankruptcy and to enslaved emancipation *Tropical Leviathan* is a comprehensive study of the complex intersections between slavery and security in a slave society and an important re-evaluation of Jamaica in the age of revolution and abolition The making breaking and remaking of the colonial state emerges as key in the rise and fall of slavery in Jamaica

Catholic Belfast and Nationalist Ireland in the Era of Joe Devlin, 1871-1934 A.C. Hepburn, 2008-07-17 This text offers a re-interpretation of Irish political history in the partition era from the perspective of the losers It is a general text covering 50 years of Irish political history as well as a case study of Catholic Belfast and a biography of Joe Devlin
