However, were they truly spoken by the Buddha? The Buddha Dharma Pure and Simple series is an exploration of over 300 topics where Venerable Master Hsing Yun clarifies the Buddha's teachings in a way that is accessible and relevant to modern readers. Erroneous Buddhist views should be corrected; the true meaning of the Dharma must be preserved in order to hold true to the original intents of the Buddha. It is with this understanding that Venerable Master Hsing Yun proceeds to elaborate on the many ways in which the Buddha's teachings can guide us through challenges in life. In doing so, he affirms the basic spirit of Humanistic Buddhism that centers on the conviction that the Dharma is of crucial pertinence to humanity. Humanistic Buddhism is a book that not only embodies this spirit but also discusses how it can be infused in life. As a blueprint of sorts for conduct and ethics, it is a handy manual for guiding us as well as a lucid exposition of some of the main tenets in Buddhism. Through illuminating examples and

references to Buddhist teachings Venerable Master Hsing Yun provides insights into many facets of the human condition He shows how emotions ethics family society government and the environment are all areas for contemplation and cultivation In short what Humanistic Buddhism reminds us of is that Buddhism is part of life not separate from it **Studies on**
