Sins Of Omission The Jewish Community's Reaction To Domestic Violence:

Sins of Omission Carol Goodman Kaufman, 2005-06-01 It is difficult to accept how many wives go home with their husbands to ongoing physical emotional abuse in Jewish homes Here is a compelling investigation of the Jewish community's reaction or non reaction to domestic violence Concerned with the sins of the community more than the sins of the abuser Kaufman finds that rabbis community leaders are not doing enough are not informed enough to help the abused women in their congregations get the support protection guidance they need Through her interviews with survivors of abuse rabbis lay community leaders Kaufman takes a hard look at the Jewish community its rules reg s followers discovers the ways in which it helps hinders victims of abuse

Sins Of Omission Carol Goodman Kaufman, Carol Kaufman, 2003-10-02 In a congregation of devoted worshippers gathered for Shabbat services at the local synagogue it may be difficult to accept how many wives go home with their husbands to ongoing physical and emotional abuse In *Sins of Omission* author Carol Goodman Kaufman offers a compelling investigation of the Jewish community's reaction or nonreaction to domestic violence Concerned with the sins of the community more than the sins of the abuser Goodman Kaufman finds that the Orthodox Conservative and Reform rabbis and community leaders are not doing enough and are not informed enough to help the abused women in their congregations get the support protection and guidance they need Through her many insightful interviews with survivors of abuse rabbis and lay community leaders the author takes a hard look at the Jewish community its rules regulations and followers and discovers the ways in which it helps and hinders victims of abuse

Domestic Abuse and the Jewish Community Diane Gardsbane, Rabbi Cindy Enger, 2012-12-06 Learn ways to address domestic and sexual abuse in your community Breaking the cycle of domestic violence and abuse poses unique problems for the Jewish community owing to the internal divisions of politics religious practice and culture However creating strategies to work together based upon the shared values of Judaism can strip away those differences *Domestic Abuse and the Jewish Community Perspectives from the First International Conference* brings together an outstanding and diverse selection of notable presentations from the First International Conference on Domestic Abuse in the Jewish Community held in July 2003 in Baltimore Maryland The conference entitled Pursuing Truth Justice and Righteousness A Call to Action brought to the forefront the disturbing many times hidden issue of domestic abuse within the Jewish community Respected scholars clergy social service professionals and survivors provide insightful presentations that lay an essential foundation for the building of a collaborative global Jewish movement to respond to this sensitive issue *Domestic Abuse and the Jewish Community Perspectives from the First International Conference* marks the start of a quiet revolution aimed at ending domestic abuse in various Jewish communities by revealing the many facets of the problem while offering ways to address them Sexual and domestic abuse issues in the Jewish communities of the US Israel South Africa and the UK are illuminated and described and practical strategies are discussed keeping in mind the common goals within the varied communities Jewish religious law is reviewed along with an

analysis of Maimonides response to domestic abuse and a vision is offered to respond to child sexual abuse Domestic Abuse and the Jewish Community Perspectives from the First International Conference is separated into five categories of presentations Illuminating the Issue Healing and Wholeness Promising Practices Creating Change and Breaking the Cycle each section progressing logically to present a unified discussion of the issues The book discusses helping religious women escape domestic abuse the Jewish tradition and the treatment of battered women the widespread claim that Maimonides condoned wife battering the spiritual movement called neohasidism the issues of reconciliation between survivors and former perpetrators the Ayelet Program project which provides long term mentoring to past victims starting a new life organizing the community to address domestic violence in immigrant populations the response to domestic violence in the South African Jewish community services for victims in Israel child sexual abuse and incest Domestic Abuse and the Jewish Community Perspectives from the First International Conference is informative eye opening reading for social workers clergy direct service providers for survivors of domestic sexual abuse directors staff of Jewish Family Service agencies Jewish Federations Jewish women s organizations and Jewish foundations The State of American Jewry Frederick E. Greenspahn, 2025-07-22 An overview of the new American Jewish landscape American Jewry is currently experiencing conspicuous and dramatic change While Jews first came to America almost 400 years ago the turn of the twentieth century saw a widespread integration of Judaism into American culture Yet over the past few decades several of its familiar features have changed including its religious and organizational structure the extent to which Jews of color are integrated into the community how the relationship with Israel has evolved and its approaches to gender roles and the LGBTQ community Featuring up to date and groundbreaking additions by a powerhouse group of experts on various aspects of contemporary Judaism The State of American Jewry describes the current nature of American Jewish life Jews have repeatedly seen themselves on the verge of disappearing leading to innovative responses and adaptations to the changing world around them This volume examines the increasing diversity of the Jewish people the varied nature of Jewish religious practice and the changing ways Jews affiliate with regard to denominations and charitable giving as well as how they are confronting antisemitism A seminal text on Judaism in the twenty first century The State of American Jewry provides evidence of a dynamic community s adaptability in a period of substantial change Qualitative Research: Wayne L. Davis, 2016-03-25 This book is written for college students and focuses on qualitative research Reading about a problem may be good a literature review but learning how to investigate the problem yourself is better Research is a systematic process of collecting analyzing and interpreting information in order to better understand the subject of study All research involves theory data collection and attempts to solve a problem by answering a question A quantitative research study indicates how variables are numerically related and may be used to determine the method of operandi and to make predictions based on confidence levels however a qualitative study indicates why variables are related and may be used to determine motives In either case by manipulating the independent variables

the dependent variables may be effectively managed This book presents information on qualitative research and provides a comprehensive qualitative research study

Responding to Domestic Violence Eve S Buzawa,Eva Schlesinger Buzawa,Carl G Buzawa,Evan Stark,2012 Building on the success of previous editions this book has been expanded to integrate the criminal justice system into a broad systemic response for both victims and offenders

A History of Sin John Portmann,2007-05-25 Traces changing conceptions of sin through history and analyzes the role that sin and our understanding of it plays society

Peaceful Families Juliane Hammer,2019-09-03 In Peaceful Families Hammer chronicles and examines the efforts stories arguments and strategies of individuals and organizations doing Muslim anti domestic violence work in the U S

Spousal Violence Among World Christians Elizabeth Koepping,2020-10-01 This book takes a global approach to violence between husbands and wives in faith contexts Focusing primarily on Christians the book uses anthropological theological and historical methods which intersect with and are challenged by lay and ordained women and men from sixteen countries Focusing on marital violence the book explores ways to understand how various churches their priests preachers theologians and members approach the topic interpret the texts and with often thoughtless complicity hide from the sin Drawing on over a decade researching marital violence in Christian contexts across five continents Elizabeth Koepping an anthropologist and priest presents testimonies from abused women as well as theological and cultural justifications for spousal abuse employed by perpetrators and bystanders She argues that if violence against the female spouse is understood as proper behaviour by many men towards unruly wives Christians may set aside the core text Men and women are made in the Image of God enabling and silently colluding in abuse The book shows that spousal abuse is an ecumenical phenomenon present all over the inhabited world and therefore in all Christian churches and indeed other faith traditions

Religion, Gender, and Family Violence Catherine Holtmann,Nancy Nason-Clark,2018-06-26 The chapters of Religion Gender and Family Violence When Prayers Are Not Enough have been written from multiple disciplinary perspectives sociology religious studies law and based on research within diverse religious traditions including Christianity Islam and Judaism as well as new religious movements Similarities and differences between traditions are highlighted based on empirical research which shows how people actually deal with family violence in different contexts This book also addresses some of the larger historical and political backgrounds that impact the experiences of family violence amongst ethno religious minorities The lives of religious victims and perpetrators of family violence are considered as well as the responsibilities of religious leaders congregations and secular professionals in addressing this widespread social problem Contributors are Barbara Fisher Townsend Pascale Fournier Catherine Holtmann Eve Laoun Yael Machtinger Farah Malek Bakouche Steve McMullin Nancy Nason Clark Susan Nunn Susan Palmer Emma Robinson Jolyne Roy and Victoria Snyers

Battleground: The Family Kimberly Brackett,2008-12-30 Everyone is part of a family but what constitutes a family is one of the most hotly debated issues in the United States today Battleground The Family provides extensive coverage of

those critical issues in U S culture concerning current and future family life such as dating marriage parenting work and family abuse and divorce The scholarly contributors to this set provide unbiased coverage on these often incendiary topics allowing students to assess the role of these controversies in their own lives Entries thoroughly introduce the topic of concern describe the problem as it currently exists provide context for the controversies surrounding it synthesize the current knowledge on the topic and guide the reader to additional areas for consideration Battleground The Family serves as a starting point for those advanced high school and beginning undergraduate students who wish to pursue a more detailed study of family controversies and cultural concerns for classroom assignments Non specialist readers will also find this a useful resource in critically assessing current trends and conflicts in constituent groups conceptions of family *Gender, Orientalism and the Jewish Nation* Lynne M. Swarts, 2020-01-23 Ephraim Moses Lilien 1874 1925 was one of the most important Jewish artists of modern times As a successful illustrator photographer painter and printer he became the first major Zionist artist Surprisingly there has been little in depth scholarly research and analysis of Lilien s work available in English making this book an important contribution to historical and art historical scholarship Concentrating mainly on his illustrations for journals and books Lynne Swarts acknowledges the importance of Lilien s groundbreaking male iconography in Zionist art but is the first to examine Lilien s complex and nuanced depiction of women which comprised a major dimension of his work Lilien s female images offer a compelling glimpse of an alternate independent and often sexually liberated modern Jewish woman a portrayal that often eluded the Zionist imagination Using an interdisciplinary approach to integrate intellectual and cultural history with issues of gender Jewish history and visual culture Swarts also explores the important fin de si cle tensions between European and Oriental expressions of Jewish femininity The work demonstrates that Lilien was not a minor figure in the European art scene but a major figure whose work needs re reading in light of his cosmopolitan and national artistic genius Sourcebook on Violence Against Women Claire M. Renzetti, Jeffrey L. Edleson, Raquel Kennedy Bergen, 2011 Jonathan Letterman was an outpost medical officer serving in Indian country in the years before the Civil War responsible for the care of just hundreds of men But when he was appointed the chief medical officer for the Army of the Potomac he revolutionized combat medicine over the course of four major battles Antietam Fredericksburg Chancellorsville and Gettysburg that produced unprecedented numbers of casualties He made battlefield survival possible by creating the first organized ambulance corps and a more effective field hospital system He imposed medical professionalism on a chaotic battlefield Where before 20 percent of the men were unfit to fight because of disease squalid conditions and poor nutrition he improved health and combat readiness by pioneering hygiene and diet standards Based on original research and with stirring accounts of battle and the struggle to invent and supply adequate care during impossible conditions this new biography recounts Letterman s life from his small town Pennsylvania beginnings to his trailblazing wartime years and his subsequent life as a wildcatter and the medical examiner of San Francisco At last here is

the missing portrait of a key figure of Civil War history and military medicine His principles of battlefield care continue to be taught to military commanders and first responders

Journeys Prof. Susan L. Miller, 2018-04-20 More than one in three women in the United States has experienced rape physical violence or stalking by an intimate partner in their lifetime Luckily many are able to escape this life but what happens to them after Journeys focuses on the desperately understudied topic of the resiliency of long term over 5 years survivors of intimate partner violence and abuse Drawing on participant observation research and interviews with women years after the end of their abusive relationships author Susan L Miller shares these women's trials and tribulations and expounds on the factors that facilitated these women's success in gaining inner strength personal efficacy and transformation Written for researchers practitioners students and policy makers in criminal justice sociology and social services Journeys shares stories that hope to inspire other victims and survivors while illuminating the different paths to resiliency and growth

Battle Cries Hillary Potter, 2008-11-01 Contrary to the stereotype of the strong Black woman African American women are more plagued by domestic violence than any other racial group in the United States In fact African American women experience intimate partner violence at a rate 35% higher than white women and about two and a half times more than women of other races and ethnicities This common portrayal can hinder black women seeking help and support simply because those on the outside don't think help is needed Yet as Hillary Potter argues in *Battle Cries Black Women and Intimate Partner Abuse* this stereotype often helps these African American women to resist and to verbally and physically retaliate against their abusers Thanks to this generalization Potter observes black women are less inclined to label themselves as victims and more inclined to fight back *Battle Cries* is an eye opening examination of African American women's experiences with intimate partner abuse the methods used to contend with abusive mates and the immediate and enduring consequences resulting from the maltreatment Based on intensive interviews with 40 African American women abused by their male partners Potter's analysis takes into account variations in their experiences based on socioeconomic class education level and age and discusses the common abuses and perceptions they share Combining her remarkable findings with black feminist thought and critical race theory Potter offers a unique and significant window through which we can better understand this understudied though rampant social problem

Religion and Men's Violence Against Women Andy J. Johnson, 2015-04-14 This reference offers the nuanced understanding and practical guidance needed to address domestic violence sexual assault and human trafficking in diverse religious communities Introductory chapters sort through the complexities from abusers distorting of sacred texts to justifying their actions to survivors conflicting feelings toward their faith The core of the book surveys findings on gender violence across Christian Jewish Islamic Eastern and Indigenous traditions both attitudes that promote abuse and spiritual resources that can be used to promote healing Best practices are included for appropriate treatment of survivors their children and abusers and for partnering with communities and clergy toward stemming violence against women Among the topics featured Ecclesiastical

policies vs lived social relationships gender parity attitudes and ethics Women s spiritual struggles and resources to cope with intimate partner aggression Christian stereotypes and violence against North America s native women Addressing intimate partner violence in rural church communities Collaboration between community service agencies and faith based institutions Providing hope in faith communities creating a domestic violence policy for families Religion and Men s Violence against Women will gain a wide audience among psychologists social workers marriage and family therapists and other mental health professionals who treat religious clients or specialize in treating survivors and perpetrators of domestic and intimate partner violence stalking sexual assault rape or human trafficking *Jewish Book World* ,2002 **The SAGE Encyclopedia of Psychology and Gender** Kevin L. Nadal,2017-04-15 The SAGE Encyclopedia of Psychology and Gender is an innovative exploration of the intersection of gender and psychology topics that resonate across disciplines and inform our everyday lives This encyclopedia looks at issues of gender identity and psychological processes at the individual as well as the societal level exploring topics such as how gender intersects with developmental processes both in infancy and childhood and throughout later life stages the evolution of feminism and the men s movement the ways in which gender can affect psychological outcomes and influence behavior and more With articles written by experts across a variety of disciplines this encyclopedia delivers insights on the psychology of gender through the lens of developmental science social science clinical and counseling psychology sociology and more This encyclopedia will provide librarians students and professionals with ready access to up to date information that informs some of today s key contemporary issues and debates These are the sorts of questions we plan for this encyclopedia to address What is gender nonconformity What are some of the evolutionary sex differences between men and women How does gender based workplace harassment affect health outcomes How are gender roles viewed in different cultures What is third wave feminism *Sin: A Guide for the Perplexed* Derek R. Nelson,2011-07-28 An upper level introduction to the doctrine and understanding of sin in modern theology [Index to Jewish Periodicals](#) ,2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests
