O. Howard, 2000-12 This book was written by Major General O O Howard in an attempt to tell his life story and personal experiences among the Indian tribes that he came into contact with as a result of war Written in autobiographical form this piece captures the essence of the opinion of many military men had concerning the Indian tribes with whom we shared this country While many of the author's experiences were founded in peace making it is difficult to overlook his general acknowledgement of savagery and hostility among the Indians This work chronicles the conflict between the Indian tribes and the pioneers as the two groups battles for land and the right to live as they pleased Within this conflict was the idea of civilization This process is discussed in detail as the white settlers attempted to press their own customs and lifestyles upon the ancient Indian tribes      My Life and Experiences Among Our Hostile Indians Oliver Otis Howard, 1907      The Spirit Lake Massacre and the Captivity of Abbie Gardner (Expanded, Annotated) Abbie Gardner-Sharp, 1885-01-01 Long considered one of the best of the captive narratives from the 19th century Abbie Gardner's thrilling and graphic tale of her abduction by a band of Santee Sioux in 1857 will captivate you from beginning to end Barely 14 years old her family was butchered before her eyes and she witnessed the deaths of two other women captives before her release by Chief Inkpaduta Gardner suffered years of illness after her return to white culture but eventually made a successful and prosperous life with a family This book went through seven editions in her lifetime and she eventually purchased the cabin and property from which she was abducted and turned them into a tourist attraction The cabin still stands today near Spirit Lake Iowa Told from the view of a woman looking back three decades to her traumatic experience Gardner used notes she had written down in the intervening years as well as public documents to produce a highly readable and compelling narrative For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK

 Colonel John Milton Chivington gave the command that led to slaughter of 230 peaceful Cheyennes and Arapahos primarily  
 women children and elderly camped under the protection of the U S government along Sand Creek in Colorado Territory and  
 flying both an American flag and a white flag The Sand Creek massacre seized national attention in the winter of 1864 1865  
 and generated a controversy that still excites heated debate more than 150 years later At Sand Creek demoniac forces  
 seemed unloosed so completely that humanity itself was the casualty That was the charge that drew public attention to the  
 Colorado frontier in 1865 That was the claim that spawned heated debate in Congress two congressional hearings and a  
 military commission Westerners vociferously and passionately denied the accusations Reformers seized the charges as  
 evidence of the failure of American Indian policy Sand Creek launched a war that was not truly over for fifteen years In the  
 first year alone it cost the United States government 50 000 000 Methodists have a special stake in this story The governor  
 whose policies led the Cheyennes and Arapahos to Sand Creek was a prominent Methodist layman Colonel Chivington was a  
 Methodist minister Perhaps those were merely coincidences but the question also remains of how the Methodist Episcopal  
 Church itself responded to the massacre Was it also somehow culpable in what happened It is time for this story to be told  
 Coming to grips with what happened at Sand Creek involves hard questions and unsatisfactory answers not only about what  
 happened but also about what led to it and why It stirs ancient questions about the best and worst in every person questions
