Sir Gawain And The Green Knight:

Sir Gawain and the Green Knight Michael Smith, 2018-07-26 It is New Year at Camelot and a mysterious green knight appears at King Arthur's court. Challenging the knights of the Round Table to a Christmas game, he offers his splendid axe as a prize to whoever is brave enough to behead him with just one strike. The condition is that his challenger must seek him out in a year and a day to have the deed returned. Sir Gawain accepts and decapitates the stranger only to see him pick up his head, walk out of the hall and ride away on his horse. Now Gawain must complete his part of the bargain: search for his foe and confront what seems his doom. Michael Smith's translation of this magnificent Arthurian romance draws on his intimate experience of the North West of England and his knowledge of mediaeval history, culture and architecture. He takes us back to the original poetic form of the manuscript and brings it alive for a modern audience while revealing the poem's historic and literary context. The book is beautifully illustrated throughout with detailed recreations of the illuminated lettering in the original manuscript and the author's own linocut prints, each meticulously researched for contemporary accuracy. This is an exciting new edition that will appeal both to students of the Gawain poet and the general reader alike. [Sir Gawain & the Green Knight](#) John Ronald Reuel Tolkien, Eric Valentine Gordon, 1925 *Sir Gawain and the Green Knight* John Gardner, 2011-10-03 The classic tale of adventure, romance and chivalry now a major motion picture starring Dev Patel. The adventures and challenges of Sir Gawain, King Arthur's nephew and a knight at the Round Table, including his duel with the mysterious Green Knight, are among the oldest and best known of Arthurian stories. Here the distinguished author and poet John Gardner has captured the humor, elegance and richness of the original Middle English in flowing modern verse translations of this literary masterpiece. Besides the tale of Sir Gawain and the Green Knight, this edition includes two allegorical poems, Purity and Patience, the beautiful dream allegory Pearl and the miracle story Saint Erkenwald, all attributed to the same anonymous poet, a contemporary of Chaucer and an artist of the first rank. Mr Gardner has translated into modern English and edited a text of these five poems that could hardly be improved. The entire work is preceded by a very fine and complete general introduction and a critical commentary on each poem. [Library Journal](#) [Sir Gawain and the Green Knight](#), 2008-11-17 Following in the tradition of Seamus Heaney's reworking of Beowulf, Armitage, one of England's leading poets, has produced a virtuoso new translation of the 600-year-old Arthurian story with both clarity and verve. **Sir Gawain and the Green Knight** Marie Borroff, Laura L. Howes, 2010 Presents a scholarly translation, an essay on the metrical form, translator's notes and explanatory annotations of the canonical Arthurian romance. **Sir Gawain and the Green Knight**, 2018-07-18 While the knights of King Arthur's Round Table are toasting the new year, a colossal stranger clad in green armor bursts in to deliver a formidable challenge. Any of them may strike off the intruder's head as long as he is prepared to receive a similar blow from the Green Knight in one year. Of all the gallant knights in the assembly, only Sir Gawain, brave, gallant and true to his word, is willing to answer the dare. So begins this gem of medieval English literature.

which traces Gawain's adventures as he endeavors to fulfill his pledge. Dating from the late fourteenth century or earlier, the story blends paganistic elements with Christian ethics to celebrate the virtue of forgiveness, thus forming a classic example of the chivalric tradition. This edition presents the legend in two forms: in prose and in verse, both translated by the distinguished scholar Jessie Weston.

Sir Gawain and the Green Knight Gawain Poet, 2021-07-29. Featuring both the original text and a modern translated version, this fourteenth-century Arthurian poem tells the legendary tale of the mysterious Green Knight and Sir Gawain, a great knight of the Round Table. The knights of the Round Table are celebrating Yuletide when their festivities are interrupted by the mystifying Green Knight riding on his green horse. The Green Knight challenges King Arthur's legendary men to a wager: He who takes a blow at the Green Knight must be prepared to accept a return attack one year and one day later. It is the gallant Sir Gawain who takes this challenge. He raises his axe and strikes off the head of the Green Knight. Yet the intruder is undefeated. Still alive, he picks up his head and promises he will see Sir Gawain in a year and a day. In stanzas of alliterative verse ending in a rhyming bob and wheel, the poem chronicles Sir Gawain's heroic quest. This high-quality edition features both William Allan Neilson's 1917 translated text and the original version by the anonymous writer known as the Pearl Poet or the Gawain Poet. Ragged Hand has proudly republished this classic poem in a beautiful new edition complete with an introduction by K. G. T. Webster. This volume is not to be missed by fans of the famous legend of King Arthur and his Knights of the Round Table.

Sir Gawain & the Green Knight, 1917 [Sir Gawain and the Green Knight](#) Anonymous, 2012-10-19. Sir Gawain and the Green Knight is a masterpiece of medieval English literature and one of the finest Arthurian tales in any language. Though its ingenious plotting and verbal artistry continue to dazzle readers, it is written in a challenging regional dialect and uses many words that were already archaic when the poem was written in the late fourteenth century. This edition is designed to make the poem in its original Middle English accessible to students and general readers. Following standards adopted for editing other Middle English poets, the edition lightly normalizes spellings to make words more recognizable for a modern audience. Extensive marginal glossing of difficult words, thorough on-page explanatory notes, and a comprehensive glossary offer further support for readers. The historical appendices include other examples of medieval romance from France and Britain.

CliffsNotes Sir Gawain and The Green Knight John N. Gardner, 1967-11-03. This Middle English poem about the moral testing of a young hero is commonly described as the greatest Arthurian romance in our literary tradition. It is a question still as to who the author is, but this poet is considered second only to Chaucer.

Sir Gawain and the Green Knight, 1929 *Sir Gawain and the Green Knight* Elisabeth Brewer, 1992. Sir Gawain and the Green Knight is a great poem that gives some powerful twists to traditional materials. The story combines two ancient elements: beheading and seduction. In a fresh and remarkable way, it takes familiar medieval themes—the feast, the seasons, the arming of the warrior, the hunt—and gives them a new glamor. The intertextuality of this brilliant poem can be most clearly seen through Elisabeth Brewer's modern English versions of other related medieval

writings Her book is a delightful and unusual small anthology of medieval literature but its greatest success lies in providing a context for a fuller understanding of Sir Gawain through its presentation of extracts and poems including translations from Celtic and French originals illustrating the tradition in which the Gawain poet wrote underscoring his own great achievement
