Reading the World with Picture Books Nancy J. Polette, 2010-07-21 This valuable reference guide provides suggestions of picture books set in more than 70 countries in each continent of the world along with standards based activities Reading the World with Picture Books presents an exhaustive collection of booktalk options with picture books that are set in the major countries of each continent

Hundreds of children's books with an international flavor are organized by continent and then by country and suggested activities accompany the titles encouraging students to interpret information related to historical or geographic concepts and use problem solving skills Activities range from those appropriate for beginners to experienced researchers writers All call for high level thinking and most provide opportunities to respond in creative ways In addition all of the activities are keyed to selected national standards in language arts and social studies The picture books suggested are not only excellent choices to capture a booktalk audience's attention and educate young readers about world culture but also to demonstrate how human

beings have adapted to the various environments of the world Many Peoples, One Land Alethea K. Helbig, Agnes Regan Perkins, 2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults this valuable resource examines the fiction oral tradition and poetry from four major ethnic groups in the United States Each of these genres is considered in turn for the literature dealing with African Americans Asian Americans Hispanic Americans and Native American Indians Taking up where their earlier volume This Land is Our Land left off Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999 Both considered authorities in the field of children's literature the two of them personally selected read and evaluated all the books included here Their insightful annotations help readers carefully consider both literary standards such as plot development characterization and style as well as cultural values as they are represented in these cited works Each entry also indicates the suggested age and grade level appropriateness of the work With the proliferation and ever increasing popularity of multicultural literature for children and young adults this sensitively written volume will serve as an invaluable collection development tool Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use Even students will find this book easy to use with its five indexes identifying works by title writer illustrator grade level and subject Public libraries and school media centers will find much use for Many Peoples One Land The Storyteller's Sourcebook Margaret Read MacDonald, Brian W. Sturm, 2001 The first edition provides descriptions of folktales and references to more than 700 published sources of folktales The new edition covers folktales from 1983-1999 Both editions include thorough indexing by subject motif title ethnic group and country of origin and a comprehensive bibliography **This Land Is Our Land** Alethea K.
