SIR JOHN HARINGTON AND THE BOOK AS GIFT

Jason Scott-Warren

Sir John Harington And The As Gift

G Orfield

Sir John Harington And The As Gift:

Sir John Harington and the Book as Gift Jason Scott-Warren, 2001 Sir John Harington 1560 1612 has long been recognized as one of the most colourful and engaging figures at the English Renaissance court Godson of Queen Elizabeth translator of Ariosto and inventor of the water closet he was also a lively writer in a wide variety of modes and an acute commentator on his times This study opens a new perspective on Harington s literary production by attending to the fact that almost all of his writings were designed as gifts Combining detailed readings and first hand historical research Jason Scott Warren reconstructs the complex often devious agenda which Harington wrote into his books as he customized them for specific individuals and occasions Offering a wealth of insights into self fashioning and the pursuit of patronage this study makes a persuasive case for the significance of material culture to textual interpretation It will be of interest to all who work on the early modern period and in particular to historians of the book *The Epigrams of Sir John Harington* Gerard Kilroy, 2017-03-02 Many scholars have been calling for a new edition of Sir John Harington s Epigrams Gerard Kilroy using the three manuscripts arranged and revised by the author offers the first complete text in print of Harington s four hundred Epigrams uncovers Harington s elaborate design of forty theological decades and restores the emblems and political elegies that Harington uses to frame his complete collection and define its serious purpose **The epigram in England, 1590-1640** James Doelman, 2016-06-17 James Doelman s book is the first major study on the Renaissance English epigram since 1947 It combines thorough description of the genre s history and conventions with consideration of the rootedness of individual epigrams within specific social political and religious contexts *Italian Culture in the Drama of Shakespeare and His Contemporaries* Michele Marrapodi, 2016-12-05 Applying recent developments in new historicism and cultural materialism along with the new perspectives opened up by the current debate on intertextuality and the construction of the theatrical text the essays collected here reconsider the pervasive influence of Italian culture literature and traditions on early modern English drama The volume focuses strongly on Shakespeare but also includes contributions on Marston Middleton Ford Brome Aretino and other early modern dramatists The pervasive influence of Italian culture literature and traditions on the European Renaissance it is argued here offers a valuable opportunity to study the intertextual dynamics that contributed to the construction of the Elizabethan and Jacobean theatrical canon In the specific area of theatrical discourse the drama of the early modern period is characterized by the systematic appropriation of a complex Italian iconology exploited both as the origin of poetry and art and as the site of intrigue vice and political corruption Focusing on the construction and the political implications of the dramatic text this collection analyses early modern English drama within the context of three categories of cultural and ideological appropriation the rewriting remaking and refashioning of the English theatrical tradition in its iconic thematic historical and literary aspects **The Power of Gifts** Felicity Heal, 2014-10-23 Gifts are always with us we use them positively to display affection and show gratitude for favours we suspect that others give and accept them as

douceurs and bribes The gift also performed these roles in early modern English culture and assumed a more significant role because networks of informal support and patronage were central to social and political behaviour Favours and their proper acknowledgement were preoccupations of the age of Erasmus Shakespeare and Hobbes As in modern society giving and receiving was complex and full of the potential for social damage Almost nothing men of the Renaissance learned from that great classical guide to morality Lucius Annaeus Seneca is more disgraceful than the fact that we do not know how either to give or receive benefits The Power of Gifts is about those gifts and benefits what they were and how they were offered and received in the sixteenth and seventeenth centuries It shows that the mode of giving as well as what was given was crucial to social bonding and political success The volume moves from a general consideration of the nature of the gift to an exploration of the politics of giving In the latter chapters some of the well known rituals of English court life the New Year ceremony royal progresses diplomatic missions are viewed through the prism of gift exchange Gifts to monarchs or their ministers could focus attention on the donor those from the crown could offer some assurance of favour These fundamentals remained the same throughout the century and a half before the Civil War but the attitude of individual monarchs altered specific behaviour Elizabeth expected to be wooed with gifts and dispensed benefits largely for service rendered James I modelled giving as the largesse of the Renaissance prince Charles I's gift exchanges focused on the art collecting of his coterie And always in both politics and the law courts there was the danger that gifts would be corroded morphing from acceptable behaviour into bribes and corruption The Power of Gifts explores prescriptive literature pamphlets correspondence legal cases and financial records to illuminate social attitudes and behaviour through a rich series of examples and case studies

The gift of narrative in medieval England Nicholas Perkins, 2021-02-23 This invigorating study places medieval romance narrative in dialogue with theories and practices of gift and exchange opening new approaches to questions of storytelling agency gender and materiality in some of the most engaging literature from the Middle Ages It argues that the dynamics of the gift are powerfully at work in romances through exchanges of objects and people repeated patterns of love loyalty and revenge promises made or broken and the complex effects that time works on such objects exchanges and promises Ranging from the twelfth century to the fifteenth and including close discussions of poetry by Chaucer the Gawain Poet and romances in the Auchinleck Manuscript this book will prompt new ideas and debate amongst students and scholars of medieval literature as well as anyone curious about the pleasures that romance narratives bring *Book Ownership in Stuart England* David Pearson, 2021-01-26 This volume provides a wide ranging account of the development and importance of private libraries and book ownership through the seventeenth century based upon many kinds of evidence including examination of thousands of books and a list of over 1 300 known owners from diverse backgrounds It considers questions of evolution contents and size and motives for book ownership during a century when growing markets for both new and second hand books meant that books would be found in varying numbers in the homes of all kinds of people from the humble to the

wealthy Book ownership by women and by non professional households is explicitly explored Other topics include the balance of motivation between books for use or for display the relationship between libraries and museums and cultures of collecting While presenting a wealth of information in this field conveniently brought together this volume also advances methodologies for book history and makes extensive use of material evidence such as bookbindings It challenges received wisdom around priorities for studying private libraries and the terminology which is appropriate to use In addition the list of owners detailed in the Appendix make this book a work of permanent reference alongside its value in advancing book history

English Renaissance Manuscript Culture Steven W. May, 2023 *English Renaissance Manuscript Culture* The Paper Revolution shows how the advent of paper as a cheap and lasting medium of writing helped to create a new type of scribal culture one distinct from its Medieval counterpart in Renaissance England

Early Modern Catholics, Royalists, and Cosmopolitans Brian C. Lockey, 2016-03-09 *Early Modern Catholics Royalists and Cosmopolitans* considers how the marginalized perspective of 16th century English Catholic exiles and 17th century English royalist exiles helped to generate a form of cosmopolitanism that was rooted in contemporary religious and national identities but also transcended those identities Author Brian C Lockey argues that English discourses of nationhood were in conversation with two opposing cosmopolitan perspectives one that sought to cultivate and sustain the emerging English nationalism and imperialism and another that challenged English nationhood from the perspective of those Englishmen who viewed the kingdom as one province within the larger transnational Christian commonwealth Lockey illustrates how the latter cosmopolitan perspective produced within two communities of exiled English subjects separated in time by half a century influenced fiction writers such as Sir Philip Sidney Edmund Spenser Anthony Munday Sir John Harington John Milton and Aphra Behn Ultimately he shows that early modern cosmopolitans critiqued the emerging discourse of English nationhood from a traditional religious and political perspective even as their writings eventually gave rise to later secular Enlightenment forms of cosmopolitanism

The Queen's Bed Anna Whitelock, 2014-02-11 From the private world of a beloved English queen a story of intimacy royalty espionage rumor and subterfuge Queen Elizabeth I acceded to the throne in 1558 restoring the Protestant faith to England At the heart of the new queen's court lay her bedchamber closely guarded by the favored women who helped her dress looked after her jewels and shared her bed Elizabeth's private life was of public concern Her bedfellows were witnesses to the face and body beneath the makeup and raiment as well as to rumored dalliances with such figures as Earl Robert Dudley Their presence was for security as well as propriety as the kingdom was haunted by fears of assassination plots and other Catholic stratagems Such was the significance of the queen's body it represented the very British state itself In *The Queen's Bed* the historian Anna Whitelock offers a revealing look at the Elizabethan court and the politics of intimacy She dramatically reconstructs for the first time the queen's quarters and the women who patrolled them It is a story of sex gossip conspiracy and intrigue brought to life amid the colors textures smells and routines of the royal court The women who attended the

queen held the truth about her health chastity and fertility They were her friends confidantes and spies nobody knew her better And until now historians have overlooked them The Queen s Bed is a revelatory insightful look into their daily lives the untold story of the queen laid bare *English Aeneid* Sheldon Brammall,2015-06-28 The first book length study of the English Renaissance translations of Virgil s Aeneid This study brings to light a history of English Renaissance Aeneids that has been lost from view Previous monographs have explored the complete translations by Gavin Douglas 1513 and John Dryden 1697 but there has been little research focussing on the Aeneid translations which appeared in between This book covers the period from the beginning of Elizabeths reign to the start of the English Civil War during which time there were thirteen authors who composed substantial translations of Virgils epic These translators include prominent literary figures such as Richard Stanyhurst Christopher Marlowe and Sir John Harington as well as scholars schoolmasters and members of parliament Rather than simply viewing these Aeneids as scattered efforts preceding Dryden and the golden age of Augustan translation this book argues that these works represent a recognizable and important period of English classical translation Drawing on manuscripts and printed sources the book sketches a continuous portrait of the English Aeneids as they developed through the ages of Elizabeth James and Charles I Key features Reconsiders the role that Virgils epic played in the English Renaissance Identifies a period in translation history Offers original readings of influential texts Brings together the realms of literature and politics Sheldon Brammall is Leverhulme Trust Early Career Fellow Faculty of English Language and Literature University of Oxford *Shakespeare and the Elizabethan Reformation* Dennis Taylor,2022-07-18 Shakespeare and the Elizabethan Reformation Literary Negotiation of Religious Difference explores how Shakespeare s plays dramatize key issues of the Elizabethan Reformation the conflict between the sacred the critical and the disenchanting alternatively the Catholic the Protestant and the secular Each play imagines their reconciliation or the failure of reconciliation The Catholic sacred is shadowed by its degeneration into superstition Protestant critique by its unintended fissiparous consequences the secular ordinary by stark disenchantment Shakespeare shows how all three perspectives are needed if society is to face its intractable problems thus providing a powerful model for our own ecumenical dialogues Shakespeare begins with history plays contrasting the saintly but impractical King Henry VI whose assassination is the primal crime with the pragmatic and secular Henry IV until imagining in the later 1590 s how Hal can reconnect with sacred sources At the same time in his comedies Shakespeare imagines cooperative ways of resolving the national comedy of errors of sorting out erotic and marital and contemplative confusions by applying his triple lens His late Elizabethan comedies achieve a polished balance of wit and devotion ordinary and the sacred old and new orders Hamlet is Shakespeare s ultimate Elizabethan consideration of these issues its so called lack of objective correlation a response to the unsorted trauma of the Reformation **Edmund Campion** Gerard Kilroy,2016-12-05 The death of Edmund Campion in 1581 marked a disjunction between the world of printed untruth and private handwritten truth in early modern England Gerard Kilroy traces the circulation of manuscripts connected with

Campion to reveal a fascinating network that not only stretched from the Court to Warwickshire and East Anglia but also crossed the confessional boundaries Kilroy shows that in this intricate web Sir John Harington was a key figure using his disguise as a wit to conceal a lifelong dedication to Campion's memory Sir Thomas Tresham is shown as expressing his devotion to Campion both in his coded buildings and in a previously unpublished manuscript Bodleian MS Eng th b 1 2 whose theological and cultural riches are here fully explored This book provides startling new views about Campion's literary historical and cultural impact in early modern England The great strength of this study is its exploitation of archival manuscript sources offering the first printed text and translation of Campion's Virgilian epic a fully collated text of Why doe I use my paper ynke and pen and Harington's four decades of theological epigrams printed for the first time in the order he so carefully designed Edmund Campion Memory and Transcription lays the foundations of the first full literary assessment of Campion the scholar the impact he had on the literature of early modern England and the long legacy in manuscript writing

Diverting Authorities Jane Griffiths, 2014-12-11 Diverting Authorities examines the glossing of a variety of fifteenth and sixteenth century texts by authors including Lydgate Douglas Chalonier Baldwin Bullein Harington and Nashe It is concerned particularly with the use of glosses as a means for authors to reflect on the process of shaping a text and with the emergence of the gloss as a self consciously literary form One of the main questions it addresses is to what extent the advent of print affects glossing practices To this end it traces the transmission of a number of glossed texts in both manuscript and print but also examines glossing that is integral to texts written with print production in mind With the latter it focuses particularly on a little remarked but surprisingly common category of gloss glossing that is ostentatiously playful diverting rather than directing its readers Setting this in the context of emerging print conventions and concerns about the stability of print Jane Griffiths argues that like self glossing in manuscript such diverting glosses shape as well as reflect contemporary ideas of authorship and authority and are thus genuinely experimental The book reads across medieval renaissance and manuscript print boundaries in order to trace the emergence of the gloss as a genre and the way in which theories of authorship are affected by the material processes of writing and transmission The Myth of Elizabeth Susan Doran, Thomas S.

Freeman, 2017-03-14 Elizabeth I is one of England's most admired and celebrated rulers She is also one of its most iconic her image is familiar from paintings film and television This wide ranging interdisciplinary collection of essays examines the origins and development of the image and myths that came to surround the Virgin Queen The essays question the prevailing assumptions about the mythic Elizabeth and challenge the view that she was unambiguously celebrated in the literature and portraiture of the early modern era They explain how the most familiar myths surrounding the queen developed from the concerns of her contemporaries and yet continue to reverberate today Published to mark the 400th anniversary of the queen's death this volume will appeal to all those with an interest in the historiography of Elizabeth's reign and Elizabethan and Jacobean poets dramatists and artists *The Elizabethan Conquest of Ireland* James Charles Roy, 2021-06-09 Queen

Elizabeth's bloody rule over Ireland is examined in this richly textured impressively researched and powerfully involving history Roy Foster author of *Modern Ireland 1600-1972* England's violent subjugation of Ireland in the sixteenth century under Queen Elizabeth I was one of the most consequential chapters in the long tumultuous relationship between the two countries In this engaging and scholarly history James C Roy tells the story of revolt suppression atrocities and genocide in the first colonial failed state At the time Ireland was viewed as a peripheral theater a haven for Catholic heretics and a potential back door for foreign invasions Tormented by such fears lord deputies sent by the queen reacted with an iron hand These men and their subordinates including great writers such as Edmund Spenser and Walter Raleigh would gather in salons to pore over the Irish Question But such deliberations were rewarded by no final triumph only debilitating warfare that stretched across Elizabeth's long rule

Cosmos and Materiality in Early Modern Prague Suzanna Ivanič, 2021 In the seventeenth century Prague was the setting for a complex and shifting spiritual world By studying the city's material culture this book presents a bold alternative understanding of early modern religion in central Europe

The Rise of Prison Literature in the Sixteenth Century Ruth Ahnert, 2013-08-22 A fascinating account of writings penned by early modern prisoners including Thomas More Lady Jane Grey and Thomas Wyatt

Queen of Heaven Lilla Grindlay, 2018-09-30 The belief that the Virgin Mary was bodily assumed to be crowned as heaven's Queen has been celebrated in the liturgy and literature of England since the fifth century The upheaval of the Reformation brought radical changes in the beliefs surrounding the assumption and coronation both of which were eliminated from state approved liturgy Queen of Heaven examines canonical as well as obscure images of the Blessed Mother that present fresh evidence of the incompleteness of the English Reformation Through an analysis of works by writers such as Edmund Spenser Henry Constable Sir John Harington and the writers of the early modern rosary books which were contraband during the Reformation Grindlay finds that these images did not simply disappear during this time as lost Catholic symbols but instead became sources of resistance and controversy reflecting the anxieties triggered by the religious changes of the era Grindlay's study of the Queen of Heaven affords an insight into England's religious pluralism revealing a porousness between medieval and early modern perspectives toward the Virgin and dispelling the notion that Catholic and Protestant attitudes on the subject were completely different Grindlay reveals the extent to which the potent and treasured image of the Queen of Heaven was impossible to extinguish and remained of widespread cultural significance Queen of Heaven will appeal to an academic audience but its fresh uncomplicated style will also engage intelligent well informed readers who have an interest in the Virgin Mary and in English Reformation history

Selfish Gifts Alison V. Scott, 2006 *Selfish Gifts* examines how early modern clients moved quickly and strategically to assimilate the language of competition and equality characteristic of an emerging market economy within their existing discourses of gift exchange in order to maximize the rewards they might induce from an increasingly diverse group of patrons Jacket

If you ally craving such a referred **Sir John Harington And The As Gift** books that will have enough money you worth, acquire the utterly best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are with launched, from best seller to one of the most current released.

Sir John Harington And The As Gift Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sir John Harington And The As Gift free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sir John Harington And The As Gift free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sir John Harington And The As Gift free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sir John Harington And The As Gift. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sir John Harington And The As Gift any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sir John Harington And The As Gift Books

1. Where can I buy Sir John Harington And The As Gift books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
