Six Crises

David Pietrusza

Six Crises:

Six Crises Richard Nixon, 2013-01-08 For many years before he became President Richard Nixon's decisions vitally affected the well being of the nation Six of those decisions significantly shaped the man who would later become the 37th President of the United States *Six Crises* is a close up look at this dynamic man recalling the demands placed upon him the thinking behind his decisions and the pressures of political life Richard Nixon Paul Carter, 2023-09 This biography of Richard Nixon covers his uniquely Southern California life in full circle from his birth in Yorba Linda to his final resting place just a few yards from the home in which he was born *New York Magazine*, 1974-08-26 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Shame and Humiliation** Blema S. Steinberg, 1996-04-16 Steinberg focuses on the narcissistic personality identifying it as intensely self involved and preoccupied with success and recognition as a substitute for parental love She asserts that narcissistic leaders are most likely to use force when they fear being humiliated for failing to act and when they need to restore their diminished sense of self worth Providing case studies of Johnson Nixon and Eisenhower Steinberg describes the childhood maturation and career of each president documenting key personality attributes and then discusses each one's Vietnam policy in light of these traits She contends that Johnson authorized the bombing of Vietnam in part because he feared the humiliation that would come from inaction and that Nixon escalated U S intervention in Cambodia in part because of his low sense of self esteem Steinberg contrasts these two presidents with Eisenhower who was psychologically secure and was therefore able to carry out a careful and thoughtful analysis of the problem he faced in Indochina *Shame and Humiliation* reveals how personality traits affect our perception of reality and offers a powerful demonstration of the impact of psychodynamics on presidential decision making **Wreath Layer Or Policy Player** Paul Kengor, 2000-01-01 Since World War II American vice presidents have played an ever increasing role in the nation's foreign policy This study of the foreign policy activities of five key vice presidents Richard Nixon Walter Mondale George Bush Dan Quayle and Al Gore provides the first comprehensive analysis of the role of the vice president in foreign policy affairs In order to bring readers to a better understanding of this role Paul Kengor asks incisive questions Did the vice presidents involvement in foreign policy actually benefit the administration If so what useful lessons can be drawn from their experiences Is there good reason to approve or reject an enhanced role in foreign policy for future vice presidents How specifically might the vice president be used in conducting the nation's international affairs The answers to these questions are crucial reading for scholars of the presidency and foreign policy for policy makers and for all of us assessing vice presidents past and future **One Lost Soul** Daniel Silliman, 2024-08-08

Impious and amoral petty and vindictive Richard Nixon is not the typical protagonist of a religious biography But spiritual drama is at the heart of this former president s tragic story The night before his resignation Richard Nixon wept and prayed Though his demanding parents had raised him Quaker he wasn t a regular churchgoer nor was he quick to express vulnerability As Henry Kissinger witnessed Nixon s loneliness and humiliation that night he remarked Can you imagine what this man would have been had somebody loved him In this provocative and riveting biography Daniel Silliman cuts to the heart of Nixon s tragedy Nixon wanted to be loved by God but couldn t figure out how This profound theological struggle underlay his successes and scandals his turbulent political career his history changing victories and his ultimate disgrace As Silliman narrates the arc of his subject s life and career he connects Nixon s character to religious influences in twentieth century America from Cold War Christianity to Chick tracts Silliman paints a nuanced spiritual portrait of the thirty seventh president just as he offers fresh insight into US political and religious history Readers who lived through Watergate will discover a new perspective on an infamous controversy A historical page turner One Lost Soul will surprise and absorb students scholars and anyone who likes a good story

The Invincible Quest Conrad Black,2009-02-24 The Invincible Quest is an authoritative biography of one of the most accomplished and controversial leaders of the twentieth century Beginning with Richard Nixon s birth to Quaker parents in 1913 and ending with his death in 1994 Conrad Black traces Nixon s career assessing both his achievements and the evolution of popular and historical thinking about him since his death Drawing on recently opened tapes and documents and on Black s personal interviews with many of the major players in Nixon s administration The Invincible Quest reveals a new side of Nixon a man who didn t have the advantage of charisma but was surprisingly self assured and effective a man dogged by political scandal yet seemingly unstoppable Opinionated balanced and perceptive The Invincible Quest makes a significant contribution to re evaluating the idiosyncratic president s entire eventful career

Television and the Making of Richard Nixon William T. Horner,2022-07-13 While Richard Nixon s accomplishments and shortcomings are well documented one often ignored aspect of his career is his influence on the media conduct of politicians Nixon pioneered the use of visual media in politics beginning in the 1940s during his Congressional service His historic Checkers speech was the first of its kind a politician using television to save his political career His appearances on entertainment television which are now a normal feature of most national political campaigns broke new ground as well This book details the blueprint Nixon set for using television to achieve political goals Presidents have often used innovative media as strategic methods of communication and public relations The author argues that Nixon pioneered television media using it consistently to connect with the American public

In Search of Nixon Bruce Mazlish,2017-07-05 Who was the real Richard Nixon and why did he behave the way he did In this innovative work a distinguished historian trained in psychoanalysis unravels the riddle of Nixon s singularly opaque political personality Neither a political biography nor a clinical psychoanalysis at the time of its initial publication In Search of Nixon launched a

new genre of scholarship the psycho historical inquiry Mazlish offers insight into the subtle interplay between Nixon the man and Nixon the public figure Why for example did Nixon have such personal difficulties in making decisions Knowing how the young Nixon learned to cope with the problems of his childhood what can we infer about his unpredictable decisions on Communist China inflation and the Supreme Court Bruce Mazlish applies psychoanalysis to history in order to understand Nixon s behaviour decisions and political stance He explains why Nixon characteristically projected personal crises onto the political arena as for example in the famous Checkers speech or in the Haynsworth Carswell affair And he examines why conversely political questions such as pacifism abortion and subversion had such a peculiarly personal meaning for him

The Contender Irwin F. Gellman, 2017-01-01 Cover Half Title Title Copyright Dedication Contents Preface to the Paperback Edition Acknowledgments Preface 1 The Prerequisites for a Congressional Candidate 2 Nixon s First Primary 3 Nixon Versus Voorhis 4 Learning the Congressional Routine 5 Nixon and HUAC 6 The Herter Committee 7 Sharpening Foreign and Domestic Priorities 8 Running for Reelection 9 Moving Onto the National Stage 10 Nixon Chambers Versus Hiss 11 The Pumpkin Father Cronin the FBI and Duggan 12 Nixon Communism and the Truman Triumph 13 Stepping Sideways to Move Up 14 The 1950 Primary 15 Douglas Versus Nixon The Issues 16 Fifty one Days in the Fall Nixon Versus Douglas Reality and Legend 17 Communism and Korea 18 Corruption in the Highest Places 19 Electability and Other Issues 20 The 1952 Convention Epilogue Nixon and His Detractors Whom Should We Believe Notes Bibliography Glossary of Characters Index A B C D E F G H I J K L M N O P Q R S T U V W Y Z *1960: LBJ vs. JFK vs. Nixon* David Pietrusza, 2018-09-04 1960 aims to take us deeper into the campaign than Theodore White s famous *The Making of the President 1960* And it does Chicago Sun Times This is award winning historian David Pietrusza s hard edged account of the 1960 presidential campaign the election that ultimately gave America Camelot and its tragic aftermath It is the story of the bare knuckle politics of the primaries the party conventions backroom dealings the unprecedented television debates the hot button issues of race religion and foreign policy and at the center of it all three future presidents Lyndon Johnson John F Kennedy and Richard Nixon Terrific Robert A Caro winner of two Pulitzer Prizes and the National Book Award A stirring hard edged political saga An outstanding reexamination Booklist 1960 provides new insights into that year s hard fought pivotal election but more than that 1960 is great storytelling a fascinating can t put it down account of how American politics really works former United States Attorney General Richard Thornburgh Essential for understanding the political forces that in many ways shaped the world we live in today David Mark author of *Going Dirty The Art of Negative Campaigning* **Reinventing Richard Nixon** Daniel Frick, 2023-04-21 Nixon s the One proclaimed his campaign paraphernalia Tricky Dick retorted his detractors From presidential savior for conservative America to bte noire for the political Left the Richard Nixon persona has worn many masks and labels In fiction and poetry and pop songs in television and film no other national political figure has so thoroughly saturated our public consciousness with so many contrasting images Focusing on the process of Nixon s continuous

reinvention Daniel Frick reveals a figure who continues to expose key fault lines in the nation's self definition Drawing on references ranging from All in the Family to Zappa and the Mothers of Invention he shows how Nixon has become one of America's most durable and multifaceted icons in the ongoing and fierce debates over the import and meaning of the last sixty years of national life Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements Whether your image of Nixon is shaped by his autobiography Six Crises Oliver Stone's surprisingly sympathetic film Nixon John Adams's landmark opera Nixon in China or by the saga of Watergate Reinventing Richard Nixon expands on all perspectives It shows how through these contradictory mythic stories we continue to reinvent much like Nixon himself our own sense of national identity

Alger Hiss's Looking-Glass Wars G. Edward White, 2004-03-11 For decades a great number of Americans saw Alger Hiss as an innocent victim of McCarthyism a distinguished diplomat railroaded by an ambitious Richard Nixon And even as the case against Hiss grew over time his dignified demeanor helped create an aura of innocence that outshone the facts in many minds Now G Edward White deftly draws together the countless details of Hiss's life from his upper middle class childhood in Baltimore and his brilliant success at Harvard to his later career as a self made martyr to McCarthyism to paint a fascinating portrait of a man whose life was devoted to perpetuating a lie White catalogs the evidence that proved Hiss's guilt from Whittaker Chambers's famous testimony to copies of State Department documents typed on Hiss's typewriter to Allen Weinstein's groundbreaking investigation in the 1970s The author then explores the central conundrums of Hiss's life Why did this talented lawyer become a Communist and a Soviet spy Why did he devote so much of his life to an extensive public campaign to deny his espionage And how without producing any new evidence did he convince many people that he was innocent White offers a compelling analysis of Hiss's behavior in the face of growing evidence of his guilt revealing how this behavior fit into an ongoing pattern of denial and duplicity in his life The story of Alger Hiss is in part a reflection of Cold War America a time of ideological passions partisan battles and secret lives It is also a story that transcends a particular historical era a story about individuals who choose to engage in espionage for foreign powers and the secret worlds they choose to conceal In White's

skilled hands the life of Alger Hiss comes to illuminate both of those themes **Campaign of the Century** Irwin F. Gellman, 2022-01-04 Based on massive new research a compelling and surprising account of the twentieth century's closest election The 1960 presidential election between John F Kennedy and Richard Nixon is one of the most frequently described political events of the twentieth century yet the accounts to date have been remarkably unbalanced Far more attention is given to Kennedy's side than to Nixon's The imbalance began with the first book on that election Theodore White's *The Making of the President 1960* in which as he later admitted White deliberately cast Kennedy as the hero and Nixon as the villain and it has been perpetuated in almost every book since then Few historians have attempted an unbiased account of the election and none have done the archival research that Irwin F Gellman has done Based on previously unused sources such as the FBI's surveillance of JFK and the papers of Leon Jaworski vice presidential candidate Henry Cabot Lodge and many others this book presents the first even handed history of both the primary campaigns and the general election The result is a fresh engaging chronicle that shatters long held myths and reveals the strengths and weaknesses of both candidates *Nixon Volume I* Stephen E. Ambrose, 2014-03-18 From acclaimed biographer Stephen E Ambrose comes the life of one of the most elusive and intriguing American political figures Richard M Nixon From his difficult boyhood and earnest youth to his ruthless political campaigns for Congress and Senate to his defeats in 60 and 62 Richard Nixon emerges life size in all his complexity New York Times bestselling author Stephen Ambrose charts the peaks and valleys of Nixon's first fifty years his critical support as a freshman congressman of the Truman Doctrine and the Marshall Plan his involvement in the House Committee on Un American Activities his aggressive pursuit of Alger Hiss his ambivalent relationship with Eisenhower and more It is the consummate biography and a stunning political odyssey Nixon Stephen E. Ambrose, 1987 Volume one of Nixon's biography *The First Modern Campaign* Gary A. Donaldson, 2007-06-15 The presidential campaign that pitted Richard M Nixon against John F Kennedy was the most significant political campaign since World War II With Eisenhower's tenure at an end American society broke with the culture of the war years This social shift was reflected in and provoked by new trends in American political life and political campaigning all of which made 1960 a landmark year in American politics In this engaging book Gary A Donaldson tells the story of Kennedy versus Nixon with a sharp eye for the salient political developments and a keen sense of the drama of an election that was unlike any other the nation had experienced The election of 1960 was also an orchestrated political drama organized as a sweeping campaign from coast to coast and staged for a national television audience This made it the first modern campaign in which the television media changed the dynamics of presidential politics and in which photographs charisma and direct appeals to voters counted as they had never done before It was also an election of intense personal rivalry made all the more spirited by the prejudice against Kennedy's Catholicism and his intention to widen the American political arena Ideological shifts within the parties as they combined with innovations in campaigning would mark a clear divide in politics as it was practiced and politics as it

would have to be practiced in the future Yet not since Theodore White s journalistic account The Making of the President has attention been paid to the full 1960 campaign as it played out in the early primaries and then culminated in the November election Donaldson shows why the whole political season is critical to understanding American politics today The First Modern Campaign is essential and engaging reading for anyone interested in contemporary politics in the United States

Just Plain Dick Kevin Mattson,2012-09-18 A behind the scenes 60th anniversary commemoration of the 37th President s famous Checkers speech demonstrates how it salvaged a psychologically troubled Nixon s position on Eisenhower s Republican ticket set the tone for the 1952 campaign and reflected period politics and culture By the author of What the Heck Are You Up To Mr President Six Crises Richard Milhous Nixon,1962 His personal reactions to such political events as the Hiss case and the campaign of 1960 For contents see Author Catalog The General and the Politician John W. Malsberger,2014-03-27 As historian and author John W Malsberger writes in The General and the Politician Dwight Eisenhower Richard Nixon and American Politics no two political figures could have taken more different routes to the Presidency than did America s 34th and 37th Commanders in Chief Thrown together largely for political convenience by a Republican party struggling to reinvent itself through years of post Depression Democratic dominance Dwight Eisenhower and Richard Nixon came to embody two radically different styles of leadership simultaneously defining for the American electorate where American politics had been and where they were headed While debate has raged amongst historians over the level of hostility the two men were rumored to harbor for one another there is as Malsberger points out a more accurate reading of their relationship available to us if we examine all the facts Taken in a broader context their relationship was much less a momentary collision of dissident styles and values than a genuine watershed moment in American politics from which our current political spectrum and electorate can trace their roots The General and the Politician thoroughly and accessibly details the intersection of two of 20th Century America s most powerful figures and examines their tenuous but transformative relationship to reveal the origins of political discussions and debates that we re still having today

Yeah, reviewing a books **Six Crises** could build up your close contacts listings. This is just one of the solutions for you to be successful. As understood, attainment does not recommend that you have extraordinary points.

Comprehending as competently as union even more than extra will come up with the money for each success. adjacent to, the message as with ease as insight of this Six Crises can be taken as with ease as picked to act.
