Maryland forces in the aggregate four or five times as numerous his own and thus in fatal degree hampered and paralyzed McClellan The story of this campaign will always be interesting to the actors in it on both sides and not merely to them to the student of military art it affords an admirable example of an aggressive defensive campaign and one of the best instances in modern times of the degree to which skill and daring may neutralize superiority of numbers and resources Our aim has been to give an accurate history of this campaign from official sources Page ix x **The Three Presidencies of India** John Capper, 1853
