Sixty Minute Heirlooms Searching For Babies:

Baby, Baby, Book 1 of the Family Heirlooms Series Karen Wiesner, 2014-07-21 Thirty seven year old Tamara Wolfe married her childhood sweetheart Robert right out of high school and proceeded to have a passel of children who fill her life to capacity With the last of her children in preschool Tamara decides to make a business out of her long time love of creating designer gift baskets She doesn't expect Robert to be against it from her first word Robert has always prided himself on giving Tamara the option of staying home to raise the children just as his father did before him Since birth it's been drilled into him that a man who doesn't provide for his family is the worst kind of loser Although they'd agreed years before their family was complete Robert considers that perhaps the cure for Tamara's restlessness is another baby All Tamara wants is a small space of time for herself Is she being selfish Or is God leading her to continue being an outdated model of the Proverbs 31 wife submissive but never equal
